Building Committee	Kevin Richardson (Chair) President David Afford Paul Rafanelli Steve Perry

President's Report

Truly amazing, is not just the sustained success of the club, but the rate of growth in all areas. West Beach would be considered a small to medium club, however, in sport, lifesaving, education and financial sustainability, we match and often better the big clubs.

Member Services

This year we ran without a Director in this portfolio and so thanks must go to Brenda Thornton, Christine Newberry and Mel Davis-Bishop who covered this portfolio as well as their own. Thanks also to Leca Reading who took on the Registrars role and other tasks usually in this portfolio.

After the great event for the Clubs 60th Anniversary last year, this year's Senior Presentation Night was not as grand, however it was still a very successful and fun night. Thanks again to Kevin Richardson for MC and keeping the evening on track. It was a pleasure to have MP Steve Georganas and State candidates Matt Cowdrey and Steven Rypp as our guests.

Anthony Thomas was recognised this year for his efforts over the season when he was named Club Person of the Year. Anthony's efforts throughout the year across Junior's, Patrols and managing our many events we host are much appreciated.

Finance

I thought we had pretty much hit the limits of what we could turn over through the Café. How wrong was I. Our Capital expenditure is still high and as we move closer to the re-development, this is something we will have to continue to get tighter on. Thanks to Dave Afford for his efforts once again in this portfolio and look forward to where we can go from here.

Facilities

This portfolio was taken on by Norm Collins this season. Norm has a great deal of experience in the hospitality business and was able to build on the

great framework left by Paul Rafanelli to take this to the next level.

Thanks again to Norm and the Café Staff led by Kate. They continued to provide a very profitable income stream for the club to allow us to operate.

Lifesaving Services

As part of the National 'Beyond the Flags' strategy, this season we trialled extended patrolling hours during January. This trial gave better coverage of our services and provided greater visibility of our service. A surveillance patrol was setup between 9am and 12pm on each of our normal patrol days in that period. There was generally good feedback on this and I believe, as a club we should be looking at more opportunities like this.

I must congratulate Sarah Tinkham on the great job she did again this season. The task of organising the resources required to cover our Patrol obligations as well as the myriad of Special Events we run is a huge task.

Training and Education

Graeme Cunningham continues to push the limits of this portfolio and identified and created awareness of the benefits to Yr 12 Students in obtaining qualifications through Lifesaving that adds to their ATAR. A great initiative and promotion for the Club. Thanks again to Graeme and his team for getting through all the required Proficiencies and Awards. This task gets bigger each season as our Patrolling Numbers continue to grow and the level of qualification of our members continues to increase with more members completing additional awards.

Surf Sports

Once again, Christine Newberry and the Surf Sports area have performed exceptionally well. Winning 3 in a row Senior State Championships is unbelievable. Unfortunately conditions at the National Championships resulted in the cancellation of many of the events and so we will

have to wait another year to see how we are progressing at that level.

The next 12 to 18 months will be particularly challenging for this area as we head into the ILS World Championships being held in Adelaide (Glenelg Beach) in November 2018. This is a great opportunity for all our competitive members and we need to start planning and preparing for this.

Youth Development

Numbers of Juniors remains steady, however what this doesn't show is the number of kids we have been able to keep as we progress and transition them into Seniors. The retention of members across the change from Juniors to Seniors is always difficult, however we have seen an increasing number of members now making that transition.

This is a credit to the Junior Program being run by Mel Davis Bishop and her Junior Committee and band of Age Managers and Helpers. By providing the right balance of activities, opportunities and pathways, we should be able to keep members engaged and interested as we progress them across the transition.

Peter Zuill

Membership Statistics

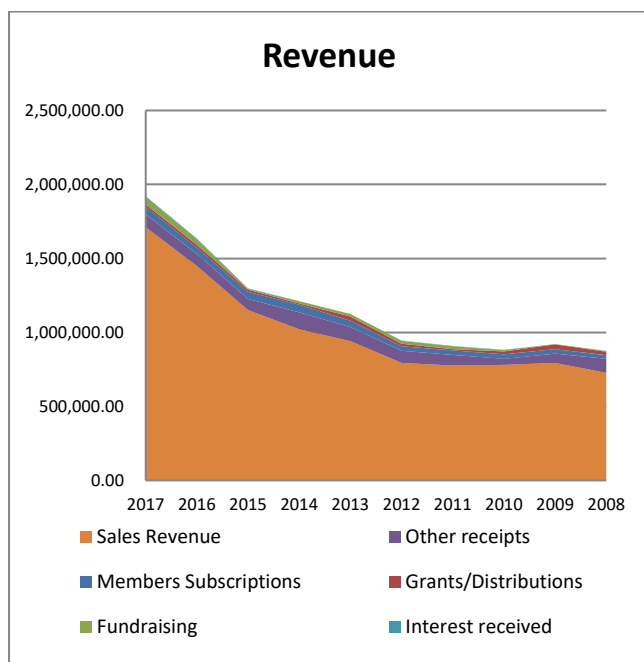

Note: Reporting of U14 membership has moved from 'Juniors' into 'Active' from 2015

Finance

Another strong financial year, with strong sales activity the "Clubs" asset and finance position continues to grow with our revenue reaching a record \$1,920,328.49.

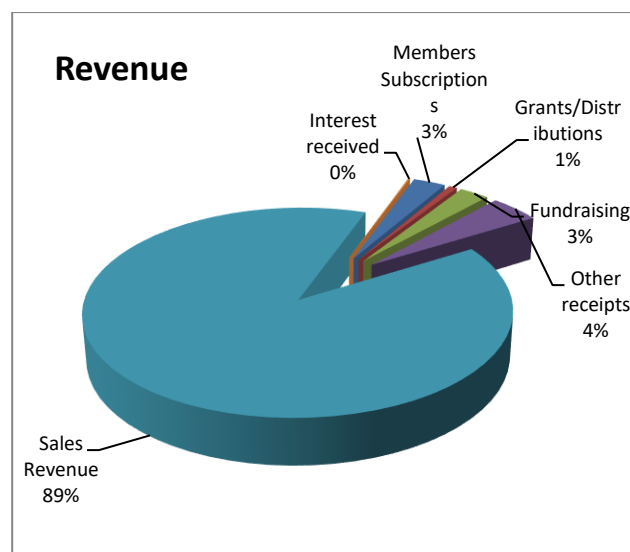

Our building fund currently sits at \$95,140.00. This number is made up of a carry-over amount from 2016 of \$88,740, the increased 2016 number is made up of \$6,400.00 being contributed by members.

The "Cafe" has had a very strong year with turnover of \$1,702,647.49 generating an operating profit of \$230,590.05, an increase of \$100,290.73 over the 2016 result. Credit for the sales and profit growth must be given to both Kate and Norm for their diligence in not only looking at ways to grow revenue but also overall expense control. The Café closing inventory sits at \$38,726.00 down by \$14,113.00 over last year.

Breakdown of income

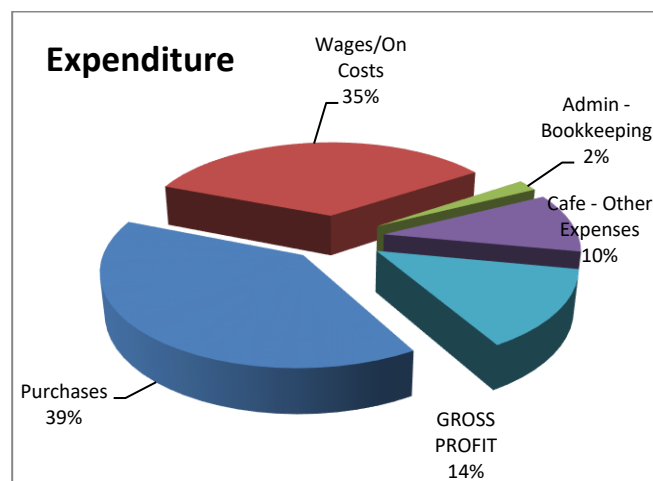

Members Subscriptions	54,786.65
Grants/Distributions	14,090.91
Fundraising	50,882.61
Other receipts	85,619.33
Sales Revenue	1,711,840.49
Interest received	3,108.50
	1,920,328.49

Asset expenditure this year was \$110,102.49 compared to \$174,396.35 last year with the larger amounts listed below.

Trailers Nipper, Patrol, Boat	\$12,731.00
Plant & Equipment made up of coffee beepers, Cool room and freezer, Kitchen equipment	\$40,956.00
Digital Patrol radios	\$3,005.00
Café storage, blinds, heaters	\$9,539.00

The above and numerous other items resulted in the "Surf Club" as a whole generating a total cash position at year-end of \$254,817.99 an increase \$50,929.39 on the previous year.

Finance Director
David Afford

Tin Shedders

This year I thought it would be appropriate to let you all know the basis of the Tin Shed Group and how it was originally formed.

One of our most loved and respected members during the 50's through to the 70's was Dennis "Bull" Galpin. A big man with a big heart, champion boatie and a member of the senior 'A' crew for years. Tragically in July 1981 Dennis died of a massive heart attack at the age of 42 years and it was at his funeral that the title "Tin Shedder" was introduced by Barry Maloney. The concept, for those who had membership between 1955 and 1963 (when the current clubhouse was built) didn't move forward until early 2004 when Maloney suggested we have a Tin Shed reunion celebration in November 2005 to celebrate 50 years. Ashley Bahnisch spent months tracking down names addresses and email addresses, and a working party was formed to arrange the reunion. And what a reunion it was. Over 60 Tin Shedders from all over Australia, with wives or partners attending a wonderful night of food and frivolity in the club cafe. The tradition has continued with further reunions in 2010 and 2015.

Now each year we lose a few to that great patrol beach in the sky, some change email addresses and I lose touch. I have about 60 Tin Shedders on my contacts list but it must be remembered that only about 40% of those show interest in what we do, so our active list decreases a little year by year. We are slowly losing club history. At this point I'd like to point out that our oldest living West Beach, and Tin Shed member is Fred (Freddie) Green. Fred lives in Bundaberg in QLD with his wife Audrey. Fred is a life member, was a champion boat sweep, and for those of you who didn't know, actually developed and designed the sloping seat for surf boats of ply and laminex to enable rowers to take a longer stroke with more leg drive. Fred is 87 years old and still takes a keen interest in our club.

Now let's talk about the Bunnings BBQ's. How did they eventuate?

Early in 2011 the club arranged with Bunnings at Mile End to conduct a number of BBQ's on week days for fund raising purposes. It proved to be difficult with volunteer members either at school, university or working. We heard about this and volunteered to take it on for the club, and as most of you know the rest is history. Because of our involvement, the club and us have become Bunnings Mile End favourites. We even have favourite and returning customers. Our BBQ's are normally on the second Monday of the month and we must be on site between 8.00 am and 4.00 pm.

It is important that you know how the profits are managed. We have a special club account with Bendigo Bank at West Beach (a major sponsor). All expenses are recorded and managed by me and all sales are deposited in the account. It was important to us that the profits were not deposited to general revenue and the club agreed that, although it is club money any request for financial assistance would be in the form of a club project.

We, the Tin Shedders, would then have the benefit of knowing to what we had contributed giving us a real sense of purpose. To date that contribution has been to; upgraded air conditioning, upgraded heating, solar panels, a new surf boat and the new cooler and freezer so important for the cafe. So to finish off the BBQ's story, we conducted our first in April 2011. We have just completed 6 years, conducted 67 BBQ's, cooked over 32,000 sausages and the profit is in excess of \$68,000.00. Our current bank balance is over \$12,000.00.

Now back to the important bits.

Once again the club has done remarkably well in competition.

The Juniors slipped a bit this year but with more Nippers coming through to swell the Junior ranks it won't be too long before they are back where they belong.....on top.

Our Golden Oldies at the Masters came in a very close second to Seacliff, 979 points to West Beach 967.5 points. So well done team you're a credit to our club.

.....and what about our Seniors for the third year in a row.....Champions!!

Congratulations to you all from the Tin Shedders.

None of this would happen without great management and administration, so to Peter Zuill and all his team....well done.

Finally, our thanks go again to Kate, Jess, Richard, Kim, Jo and all the cafe staff for another year of great meals and service.

*Neil Hodges
Life Member
for the Tin Shedders group*

Facilities

We have had a great year with our café and catering, considering we had the worst weather to finish spring off and start summer with, which really knocked our sales around.

With the amount of food and beverage we are turning over now, it was necessary to build a new cold room and freezer which has helped us with keeping all our produce fresh, cold and secure. The cold room and freezer let us get better leverage on purchases (saving \$\$\$) while reducing staff costs and helped improve our overall efficiency. We also had an ice machine donated to us which saved us around \$10k in the 7 months before it died on us.

In general most hospitality venues throughout SA are down in turnover of an average of between 10 to 15%. With that in mind and the fact that the first few months lacked any incentive for anyone to come to the beach we have been able to increase our sales by \$268,025 for the year which is a 19% increase on the record year previously set. I must state this has only been possible with the help from Paul Rafanelli and Dave Afford not only this year but for many previous years (thanks guys)

The most pleasing aspect of the year has been the ability of Kate to take on new challenges and build a great senior team with the support of all her promising junior staff, we have lifted the standard of food and service taking us to a new level of

which we will continue to keep doing. We as a club have been putting Kate through a hospitality course over the past 18 months. This has given Kate the ability to put her studies into practice, of which we can now all see the results.

Kate and I will continue to make the effort to increase our profit and standards of our club. With the above team working together we have been able to take our overall profit in 2015/16 from \$130,299 or 9% of turnover to \$230,590 or 13.5% of turnover.

I am looking forward to Kate and I going into our next year with positivity from this year and further benefits to the club. So to Kate, her senior staff and all the junior staff, thank you for all your work this year.

The result is a great achievement for any business, it looks to me as though, as a club, we are kicking goals everywhere and it is very pleasing to see the support that everyone is giving the café and in return the club.

Let's keep it up and bring our friends to spread the word.

Norm Collins
Director of Facilities

Strategy and Partnerships

Once again West Beach has been prominent in establishing a prominent profile in the Adelaide community. We have numerous community groups which we have partnered up with to ensure the whole community can benefit from these wonderful causes.

Below is an overview of our partnerships

Pink and Blue swim

National Breast Cancer Foundation and Breast Cancer Network of Australia

The Pink Swim is a non-competitive open water swim where 100% of the entry fee is donated directly to the National Breast Cancer Foundation. West Beach held our third Pink Swim in support of the National Breast Cancer Network and the Breast Cancer Network of Australia in 2015 and we have now raised in excess of \$47,500. The Pink Swim has grown in 5 years from 80 participants in 2013 to a high 601 participants.

CALD Group

On The Same Wave is a project that engages with South Australians from culturally and linguistically diverse backgrounds (CALD) and provides them with surf safety education. The program focuses on school groups and new migrants. Many participants in West Beach SLSC's program have gone on to join the club and obtain their SRC and Bronze Medallion.

Presently Peter Taylor is training 18 people from the cognise area who are training to be lifesavers (this may take anywhere from 12 months to two years to complete)

Surf awareness

We deliver free surf sports/nipper-style programs to children up to 17 years old as part of the City of Charles Sturt's School Holiday Sports Program.

Bike SA

Bike SA free bike hire program: The Club has become a part of this program and stores and hires out free bikes for tourists, visitors or locals. This program has been very successful. Given our location of the foreshore, we are pleased to welcome visitors to the club who take advantage of the free, well maintained bikes, who can cycle along the beachfront, a distance of approximately 70 km.

Rotary

The Rotary Club of Kidman Park utilises the West Beach SLSC rooms as its base and we work closely with them on fundraising events both for the community and for the club itself.

Henley RSL

The Henley RSL has engaged with the club and asked West Beach to support them at occasions such as Remembrance Day and Anzac Day. From this, a relationship developed and we have been able to support them by re-typing their Remembrance Day booklet and assisting them with word processing.

SSASTA

SSASTA (South Australian Aboriginal Sports Training Academy): West Beach has established a firm relationship with this group and have supported them by providing our club rooms as theirs, when they are in Adelaide. We host them for meals (charging a minimal amount of \$10 per person), run a BBQ and make them feel welcome whilst they are in Adelaide. The group is supported by the Department for Education and Child Development and they hope to continue to receive our support.

Supporting sport

Saint Michaels Netball Club has just started to use the West Beach SLSC as its base during its season (winter) and for presentation evenings. This relationship has been very positive and they are grateful to have the use of our club rooms at no cost whatsoever.

Senior members

The club supports its most senior members the "Tin Shedders" by providing them with uniforms and monthly lunch. The Tin Shedders run the BBQ at Bunnings and have successfully raised \$68,000.00 since 2012. They receive the sausages from a very valued sponsor and have cooked (they estimate) 32,000 sausages!

Marion Masters long swim State Championships

West Beach hosted the Open Water Marion Masters long swim State Championships and provided water cover as well as our facilities to support them with this event. Following the event we provided a BBQ and opened up our rooms for their use.

Trailblazer

Trailblazer by the Sea was a new ultra-running event run in conjunction with SLSSA and Adelaide Rotary. We supported by providing support along

the leg of the trail that went past our club, and provided first aid and drinks.

Nipperthon

The Nipperthon is an endurance event for junior life savers that was held for many years at the southern clubs of Adelaide. When this event ceased, West Beach initiated its return and continues to successfully hold the event in the January school holidays. The event attracts around 150 junior lifesavers and provides them with a challenging endurance event. The entry fee has remained at \$15 per competitor and we source exciting prizes for the age group winners and medallions for all participants.

On behalf of the West Beach Surf Lifesaving Club, I would like to acknowledge our sponsors over the past season. Thanks to your generous support we have been able to provide training equipment, education programs, competition support at a State and National level and most importantly, service to our local community by the patrolling our beautiful beach on the Adelaide shoreline to keep it safe.

We sincerely hope our partnerships will be maintained and to continue to support us in our future endeavours.

Paul Rafanelli
Director of Strategy and Partnerships

Lifesaving Services

Another Season is done and dusted! A very big thank you goes out to all patrolling members, Patrol Captains and Vice Captains. Welcome to the new Bronze, ARTC and SRC members and I look forward to seeing you all put your newly found skills to the test during patrols in season 2017/2018.

The Season started off with rather unpleasant conditions due to the storms that caused our water to look uninviting. With advice from SLSSA and continual monitoring of the water we did not put up the flags until the water cleared up which ended up being early November.

We had a few changes to our patrol obligations this season with earlier starting time of 12pm and also the introduction of Surveillance Patrols (9am until 12pm) for the month of January. We were able to fulfil our obligation and feedback in regards to the changes has been mostly positive.

West Beach hosted many special events again this year like Marion Masters Long Swim, Nipperthon, The Pink and Blue Swim and also Masters State Titles. All events proved again to run smoothly even though we did face a couple of shark sightings during 2 of the special events. All of those involved handled themselves well under pressure and we continued to keep the public safe. Events like these couldn't be possible without the continuing support, collaboration and hard work from those involved.

Thanks to all who gave up their own time to help with our Radio room obligations this season. This was the clubs last year that we had to provide volunteers to operate. It will now be handled by an internal Surf Com Operations Group which is seeking Expressions of Interest. If you are interested in applying please contact myself for further details.

We purchased 6 new radios during 2016 and 2017 – this was crucial as the state is going digital next season and our old radios would not have been compatible. The new radios are fantastic and are much easier to hear and operate. The old radios that are still functional will be reconfigured to operate only on channel 1 for training purposes and also for use during special events.

Thank you to Kirsten Winton for being the First Aid Officer this season again. Her constant checking and restocking of the First Aid kits and stocks, has made our club that little bit more organised and prepared in case of an emergency.

Our powercraft area was problematic as we faced a season with an ATV that has seen better days due to the harsh conditions that it is in. A big thank you to Dave Hann from Scoot Around who has helped us get out of the woods without having to spend big dollars. Thank you to Darren Tinkham for continuing the maintenance and upkeep of the powercraft area.

Thank you to Dennis Hay for his tireless efforts when it comes to our internal patrol audits. He puts in lots of time and effort to conduct our internal audits, he has a great attitude when it comes to assessing us all and informing us of updates so we can keep our knowledge up to date. Another close year this year, and again well done to Alpha Patrol for taking out Best Patrol.

Last season WBSLSC took out the Patrol Efficiency award for the State and as a result we won \$1500. The money went towards the purchase of our patrol trailer which was designed in-house in collaboration with the manufacturer and the final product seems to be working really well. It has certainly reduced the set up and pack up time.

Once again thank you to all those who attended their patrols, helped with water cover, first aid assistance, work party and those that helped make the special events that we held such a success.

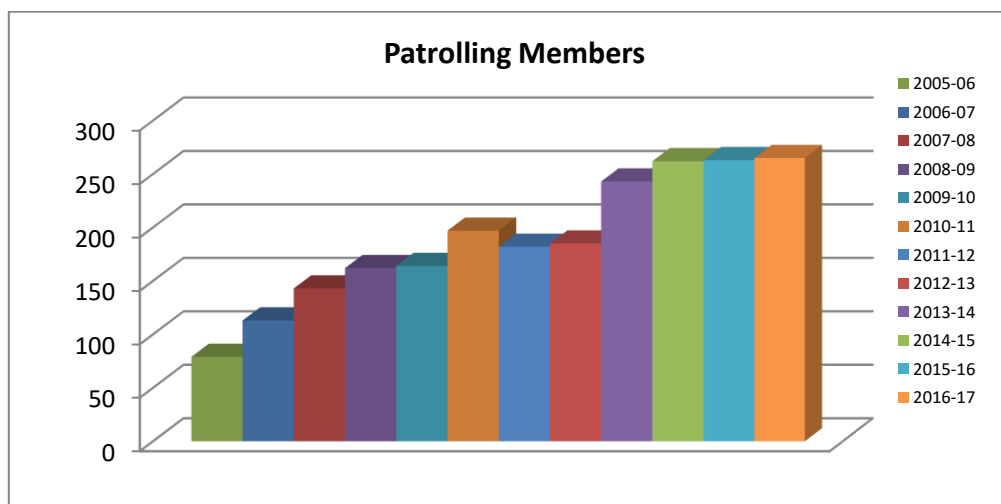

Sarah Tinkham
Director of Lifesaving Services

Patrol Efficiency Audits

Another patrolling year has now been completed and I have been very impressed with patrol captains as well as individual patrol members for their efforts.

The patrol audits have been enthusiastically contested again in the 2016/2017 season and the evidence of this is quite obvious in the result table below. Alpha, Echo and Foxtrot are equal top with a loss of only 5 points each. However, the top patrol also looks at team cohesiveness, 100% patrol attendance, average number of members who arranged a substitute and average number of member 'no shows'.

This season the Best Patrol Group Award goes to Alpha! Patrol Captain Owen McLeod and Vice Captain Roxanne Pena. They are a very youthful patrol with good direction and mentoring by fellow members and their team work on the day specifically was impeccable. Great Effort by all and congratulations to Alpha patrol group.

Over the past 6 years I have noticed definite improvements in our patrolling methods and attitudes. Fantastic to see! Any wonder why we have won the State Patrol Competition 3 times out of the past 6 years.

I really appreciated the opportunity to be part of such a positive learning process and hope to continue next season in an endeavour to keep our patrols the best in the state.

Internal Patrol Audits were conducted throughout the season and every patrol had to undergo an inspection in the following areas;

- Personnel: Lifesavers on duty and patrol uniforms & sun smart hats.
- Beach Management: All Log books available, IRB close to the water's edge, flags up & water under constant surveillance.
- Gear and Equipment: DHL Shelter, Surround & all equipment available.
- IRB: Checked & response ready
- Signals: 2 lots of five
- Theory paper: 20 multiple choice questions.
- Practical Rescue Scenario- Board rescue of an unconscious patient and treatment

Dennis Hay

#Years Service is the number of seasons where a member has performed 22.25 or more patrol hours at the club in one season prior to 2011 and 16 or more patrol hours from 2012.

Records of patrol hours are not available for a number of years prior to 1975

Junior and Youth Development

The Junior Program at West Beach SLSC is a strong, vibrant and inclusive one of which we all should be very proud. We have worked hard to create an environment where every family contributes and enjoys the team achievements and this is reflected best perhaps in how easily new families are integrated and 'feel like part of the furniture' so quickly.

SATURDAY SESSIONS

Our weekly training sessions are the primary focus of nippers with children learning about vital surf life saving techniques and knowledge as well as developing core physical and social skills. The weather certainly wasn't on our side early in the season but congratulations to the kids (and parents) for battling through.

Once again our Come & Try program was well received in the community following an extensive promotional campaign throughout the local area and right through to the eastern suburbs resulted in many families trying surf life saving for the first time with a good conversion rate to membership.

Age managers are the backbone of our junior activities, without whom we wouldn't have a program so on behalf of all junior families a huge thank you to our age managers for their commitment and enthusiasm over the season and beyond. Thank you also to our water safety team who keep our children safe, our 'off beach' crew who efficiently manage the registrations, uniform sales and weekly BBQs, those who ensured the beach was set up and packed up every week and to those who took on the newly created role of Parent Liaison Officer to help improve communication and administration within the age groups.

We welcomed our new trailer late in the season which has already proved to be a huge boost in efficiency for equipment storage, transport and beach set/pack up. Special thanks to Andrew and Sarah Tinkham for their hard work seeing this project from concept to production.

DISCIPLINE-SPECIFIC TRAINING

Whilst Saturdays are great for general skill development, the big improvements can be seen in those juniors who take the next step to participate in the additional whole club discipline specific training. Whether it boards, sprints and flags, R&R or swim, our junior competitors have benefited greatly from the coaching expertise available through the surf sports area. Our sincere gratitude to Steve Perry, Peter, Ben and Matt Zuill, Ryland Newberry, Carla Fox, Abby Thorne, Craig Jones and others who have given so freely of their time to help our younger members achieve their best. It is truly appreciated.

EVENTS & FUNDRAISING

A number of fun events throughout the season promoted the social aspect of our club culture whilst some also generated valuable funds.

Our annual Footsteps Discos were once again a great hit with the younger members. Some awesome moves on the dance floor and a chance for parents to relax and socialise.

Christmas Fun Day was held on a Saturday morning this year with a visit from Santa delivering sweet treats and a BBQ lunch to finish. Thank you to Leca for organising another fantastic event to break for the year.

The social event highlight was our 'Kids Characters' themed quiz night. It was fantastic to see families really getting into the spirit of the night with costumes, decorated tables and team rivalry. A big thank you to all of the local businesses and club members for their generous donations and to Bree, Leca and Rachel for their hard work in organising and running the event.

As hosts for Nipperthon '17 - the annual inter-club long course swim-board-run event – we continued to put on a great event for Under 9-Under 13s which was well attended by competitors from Semaphore to Port Elliot. Perfect weather, a hard working team and support from local sponsor,

West Beach Community Bank made for a fantastic way to finish the school holidays. Special thanks to Brenda Thornton for her continued assistance in organising the Nipperthon.

Now in its second year, the Beach Safety Day for Norwood and Findon Swim Schools brought many children to West Beach to experience a taste of nippers for the first time. Under the guidance of our enthusiastic and skilful instructors, over 50 youngsters tried beach and water events with many leaving the session keen to join us next season. A big thank you to everyone who volunteered their time for this community event.

A new initiative in a combined Under 12-Under 13 team camp was launched this season with great response and feedback. Juniors from our older age groups joined together for an overnight stay at Adelaide Shores Caravan Park where the focus was on fun and friendships (and food as it seemed!). Thank you to the age managers who supervised (and cooked) the camp.

CARNIVALS

Junior carnivals continued to be well attended and enjoyed by all Under 9 – Under 13s. Whilst only 3 events prior to qualifying, the split format and more streamlined entry and marshalling systems were well received and helped to create a more time-efficient event.

The support of parents and siblings to fulfil our requirements in terms of age group coordination, water cover, officiating and photography was much appreciated.

STATE CHAMPIONSHIPS

18-19 March 2017

Semaphore SLSC

Once again West Beach SLSC had a strong and enthusiastic team of competitors participate in the state championships. Beach conditions at Semaphore made it a wader's carnival with tactical transitions the key to success in the team events. Whilst our overall club placing was 7th, the results within each of the age groups remained consistent with perhaps more finals being made across the board.

Without a doubt the club highlight was the 2nd placing in the All Age Beach Relay. To see the nurturing guidance shown by the older competitors to guide the team to success showed just what West Beach is all about.

On a personal note, I would like to thank everyone involved in our awesome junior program at West Beach SLSC - I absolutely love being involved with such a supportive and hard-working bunch of people but by far the greatest enjoyment is watching our juniors become braver, stronger, smarter every week. Thank you also to the WBSLSC Board of Directors for their continued support and investment in this fundamental component of surf life saving.

Melissa Davis-Bishop

Director of Junior & Youth Development

Under 11	Noah Pronk	Kelsea Lawson
Under 12	Skip Barreau	Hayley Conlon
Under 13	Zane Stevenson	Isobel Borlase

UNDER 6

Abby Thomas

This season the Under 6's have progressed tremendously and have settled into the club very well.

Every Saturday there has always been a very strong turnout from 10-16 children every week. The majority of the families were new to the club but have transitioned into the club brilliantly. The children have improved dramatically throughout the season with their confidence levels developing every week. Their enthusiasm and spirit throughout every session was incredible.

When new children would join our age group, the other children in the group would always be very welcoming and never leave anyone out, a lot of really close friendships have been made throughout the season and as these children move through the age groups these are only going to get stronger. When practicing team events such as, wade relays and beach relays the children always showed great sportsmanship towards each other.

The parent support this season has been incredible and the willingness that they have to get in the water when it is freezing is amazing, I could not have done it without their support. Also, a big

thank you to Stella for all her help this season- well done Stella.

The future for these children is bright and they are all going to be great lifesavers when they are older and are going to make the club proud when they are able to go to carnivals. I look forward to seeing everyone next season for under 7's.

UNDER 7

Sarah Price

2016 – 17 Season saw many returning and a few new members joining the under 7's. The weather was not the kindest to us but we had our regular die hard surf kids come every weekend excited to get in the water.

This season saw the under 7 still focus on having fun but directed to learning more skills relating to surf lifesaving. The kids enjoyed learning about patrols and what is involved in setting up and the equipment required. We even did pretend rescues in the shallow water.

Our water sessions activities involved wades, swimming, duck diving, floating, torpedos and paddling the board. All the kids' confidence and skills improved during the sessions. By the end of

the season they were getting very competitive against each other.

We had lots of practice with flags and beach sprints this season. It was great to see all the smiley faces of the kids running as fast as they could even if they didn't win.

I would like to thank Sally our parent liaison officer for keeping all the family organised and Matilda for her assistance again this season – the kids just love her.

A massive shout out to the parents for their involvement this season on the beach and around the club. Looking forward to next season!!

UNDER 8

Jocelyn Morrison-Butler

Chris Hall

The group this year consisted primarily of return nippers from last year although we did have some new comers who integrated very quickly into the program.

While still including play, participation and fun, this season we focussed more on refining the skills in the following areas:

- Safety – we included a safety talk at the start of every lesson but in addition to this, we also included
 - education on first aid basics including a tour of the first aid room and a show and tell by the patrolling life savings showing us

all the equipment on patrol and what it is used for ,

- what to do in an emergency
- Demonstration of how lifesavers approach a drowning patient and how they protect their own safety in doing so
- Wellness – we included discussions on the benefits of exercise and good nutrition and what the basics of good nutrition is.
- Beach skills - We practised the correct techniques for flags from the start position the get up and the dive as well as relay baton changeovers. Sprinting technique was refined to improve speed and we included conditioning exercising that would improve our performance in flags and sprints. We even ended some sessions with a parent and child race where the kids got a head start – the kids loved this and to be honest some of the parents did too!!!
- Water skills - We practised the 50m swim without stopping and although some kids found this hard they improved over the season by using the bubble, bubble, breathe routine. They all became a lot more comfortable with keeping the head down in the water and the body parallel to the surface of the water. One of our nippers (Isabella) did achieve her red-patch.
- Boards – we continued to practice technique in the prone position, making sure we were keeping our fingers together, hands cupped. Some kids started to practice paddling with both arms at the one time and kicking to keep rhythm. Most kids struggled when the surf was quite big however we did show them how to “pop” the board over the waves or in very rough conditions to roll under the waves. Wading was practiced by kicking the feet out to the side and using the arms for power through the deeper water.
- Teamwork - We had a few discussions about the importance of team work and I think the team bonded well together for the most part. The kids from previous seasons were very good in welcoming and including the new kids which was lovely to see. We ended each session with our huddle up for TEAM AWESOME which I think makes the kids feel very much part of a team.

UNDER 9
Marc Butler
Rob Lawson

We had a good group of kids with a good turn out each week. Usually around 15 kids with a core group of about 10 kids who turned up nearly every week.

Big learning season this year as we all came to grips with the requirements for carnivals.

It took a while for some but every nipper in our group achieved their red-patch. We spent a lot of time focussing on swimming and observed that the kids who attended swimming lessons outside of surf training were stronger. The weekly whole group swim worked well to encourage the younger kids to get in and give it a go. The younger nippers liked the idea of trying to swim with the older kids.

All of the kids improved on boards throughout the season and for those who attended the additional board training sessions, it reflected in their performance and improvement over the season.

The kids had a great start at the carnivals this year. They were very comfortable with the whole thing even though it was a big new venture and we had an average of 8 kids at each carnival. Our introduction to carnivals was helped by the half day format earlier in the season, maintaining the group's energy levels over a couple of hours – it would be great to see more of these next year.

Having a parent liaison officer was incredibly beneficial – Heather did an amazing job, thank you.

UNDER 10
Sandy Conroy
Amy Reading

2016/2017 brought a smaller group of participants in the Under 10 age group with 13 registered and with an average of 9 in attendance at most Saturday training sessions.

The weather and water conditions were not kind to us early in the season so we took this opportunity to complete as much of the Under 10 Surf Safe #1 program when possible. The unpredictable weather conditions also meant that we had little time prior to the first carnival in Week 5 to get our Under 10s proficient in their Yellow and Red patches should they wish to participate in the upcoming carnival competitions.

We had 7 to 8 compete at the three Carnivals this season and they once again showed their team spirit as well as their strong competitive skills.

We had 8 Under 10s compete at the Junior State Surf Lifesaving Championships at Semaphore in March and both Amy and I could not be prouder of how they competed and behaved over the carnival weekend. Although not as successful as our 2015/2016 State Carnival performances our Under 10s put in a solid effort to accumulated 35 points over the two days toward the clubs' final points which included 3 x 5ths, 3 x 4ths, 1 x Bronze and 2 x Silver.

Well done Under 10s for your commitment and efforts in making this another successful season

both at carnivals and on training days. We are proud of how you have supported each other as team mates.

Thank you to the Under 10 parents and helpers for assisting at training days and carnivals, Amy and I are appreciative of your support.

Next season brings with it a few changes – we step up into the Under 11 age group, move on to fiberglass boards, no longer compete in Wades and Wade Relays, commence competing in individual Ironperson events as well as Board Rescue. How exciting, bring on 2017/2018 Season!!!

UNDER 11
Mark Pronk
Paul Cenko

We had a lot of fun on the beach in U11's.

Thanks to a great group of energetic and happy kids who kept turning up this season (sometimes with a few weekends between training sessions) to throw themselves in cold, rough, stormy, warmer, calmer and eventually beautiful conditions on the beach. It has been a privilege to spend Saturdays (and a few Sundays) with them this year.

All the U11's showed great improvement in both confidence and skills over the year. But it was striking to see the improvement post-Christmas, as a number of the team added a few extra swim and / or board sessions to the training week.

We are very fortunate to have a large cohort of parents in U11 who are always on the beach helping out and supporting the team. We greatly appreciated the support this year. Thanks also for inspiring positivity in your kids. It's so much easier to teach kids who want to learn and improve.

To the helpers on the beach and in the water, the U11 group would not function, learn and develop without your help.

Jumping up to U11 has been a big step up with different and more challenging events and our group has enjoyed the challenges this season. We had 9 athletes compete at State Champs at Semaphore. Our stand out performances at State level were on the beach, with Marcus Morgan winning gold in the beach sprint and a number of the team also qualifying for finals in flags and sprints. It was pleasing to see the number of athletes making finals in other events. With the extra training sessions, that we are seeing, we are confident that will translate to more points next season.

Lastly - no matter how many sessions you attend, carnivals you take part in or how you are developing in the activities you do in the water and out, remember that as long as you focus and try your best you should be proud of yourselves. We certainly are.

Hope to see you all back next year.

BRAVER - SMARTER – STRONGER

UNDER 12
Anthony Thomas
Brad Barreau

Where have the seasons gone? It only seems like yesterday that our great bunch of kids were experiencing their first introduction to surf lifesaving as little under 6's and now we have just one season left before graduating.

It was great to welcome 5 new members to the crew this year. The group is a pleasure to work with and they all showed improvement across all areas of surf lifesaving.

Our carnival team are driven to do their best for each other which showed in their results. It was great to have a group of 16 at state champs who delivered some fantastic results for the club. Certainly the team highlight was having 2 teams in each of the 4 water based team events (Cameron Relay, Board Rescue, Swim Teams and Board Relay) resulting in points gained for 6 of them.

Thank you to the parents and older siblings who helped out this year and a special thanks to Naomi Jenkin for her organisation and communication as our Parent Liaison Officer – much appreciated.

We are looking forward to taking this group through their last year of nippers next season and helping them transition into the senior ranks.

UNDER 13
Scott Stevenson
Rob Hettner

For our last year on the beach with Nippers it's been another great year for this group of kids that have held together well since Under 9's and have become a close-knit and supportive team over the years. Again a few kids have moved in other directions and again we picked up new ones who have stayed on and together they have been a great team.

The Under 13's have kept up their competitive approach with all of the kids participated in carnivals and we again had a large group at State Championships with a team of 18 competitors and thanks to Caitlin, Ella, Jessica and Sadie for taking on the challenge of R&R competition - good to see the diversity in participation. It has been great to see the kids' confidence and maturity develop as they continue to improve their skills, take on new challenges and support each other.

Nicky assisted to ensure there was some proper administration to keep things working smoothly and the parents continued with their invaluable assistance, helping ensure the kids were where they needed to be and when. Thanks to all of the Under 13 team and their families for a great season.

As our last year in juniors we would like to say thanks for the support we have had over our time on the beach with the kids, especially to Jim & Mel for their efforts to keep juniors heading in the right direction. All three of us have enjoyed our time.

Education and Training

West Beach Surf Club held a total of 91 assessments this season consisting of 55 proficiencies and 36 awards. This was done with the help of nine assessors and trainers that ran proficiencies and trained members for these awards during the season. I would like to thank Dennis Hay, Peter Taylor, Robert Baker, Todd Richardson, Abby Thomas, Mike Hartas, Nicole Ostrognay and Jim Dale for their efforts through the season. Without their time and effort through the season we would not be able to patrol the beach or compete at carnivals.

Trainer Officers Certificate

Abby Thomas, Mike Hartas,
Absent: Nicole Ostrognay

Certificate III in Public Safety

Mike Hartas, Roxanne Pena, Jessica Cunningham ,
Sebastian Green, Alyson Hettner, Joshua Dawkins,

Newberry, Kiana Pearce, Sidney Robinson, Zane Stevenson

Education Performance against KPI's

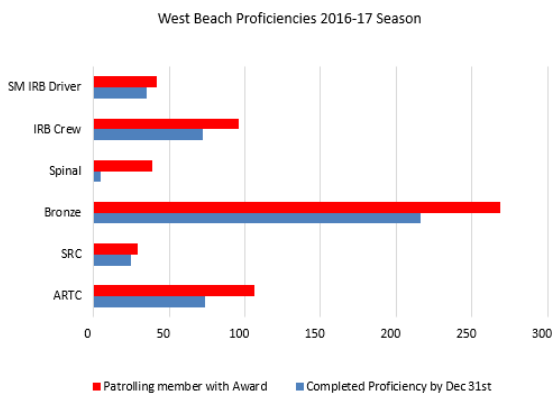

- Develop a training structure that helps and encourages skills enhancement for all members.
- Ensure the club delivers high quality training in a safe and supportive environment.
- Provide the opportunities for the local community and special need groups to learn lifesaving skills.
- Support and develop the “Culturally and linguistically diverse” (CALD) program along the SLS2020 strategic directions.
- Provide lifesaving training for local schools, sports clubs and social groups

Award statistics 2016-17

This year we held Advanced Resuscitation proficiencies prior to the October start of the season when the upstairs training room is more available and concentrated on the water based awards during the summer months. There was a significant number of members that did not attend these sessions and were not proficient in ARTC during the patrol season. The availability of a training room during the summer limits class room trainings to Monday nights which clashes with board training which limits attendance of junior patrolling members. At the end of the season ARTC award training session was held on Tuesday nights after ski training and this combined with the Cert III award requirements resulted in a large attendance of school age bronze members. We had good attendance at the Surf Lifesaving Search and Rescue courses during the season with 17

West Beach members completing this award. This award should be encouraged for all Patrol Captains, Vice Captains, IRB driver and Crew in the club.

We had 31 new bronze members this season as we have a restriction on the availability and number of bronze trainers willing to take a group. The breakdown of bronze award this season show approx 2/3 are new members and the remainder are SRC members continuing to the bronze award. With the recognition of the Certificate III in Public Safety assisting student Year 12 ATAR the club has an opportunity of increasing and maintaining its youth membership.

Graeme Cunningham
Director of Education and Training

Beach

awareness days were held for the Southwest community centre, West Torrens council and Australian Migrant Resource Centre.

West Beach has been involved in beach awareness information at the Currie St Tafe, Inglewood

ON THE SAME WAVE

2016/17 season has been very successful with 16 new members gaining awards ranging from ARTC, First Aid and Radio, to Fida and Sara achieving his Bronze and IRB crew awards.

They have all completed patrols, and are currently working hard in the pool to achieve their bronze next season.

Our association with Thebarton Senior College continues to grow with 12 new students starting training for the ARTC this term.

Community Centre and the Lutheran Community Centre. Thanks to Dennis Hay for helping with the city campus ones.

Peter Taylor
Diversity Officer

Surf Sports

Surf Sports play a pivotal role within the surf lifesaving movement and are unique in that, unlike any sport, their intent is to aid in developing the skills necessary to carry out Surf Life Saving's core purpose, saving lives on our beaches.

Every year we use our lifesaving skills in a competitive sporting environment and the 2016-2017 season has been a great success with carnivals at club, state and national level; giving our surf lifesavers the opportunity to use their lifesaving skills in a competitive sporting environment across a range of disciplines including ironman, lifesaving, surfboats, pool rescue and IRB racing.

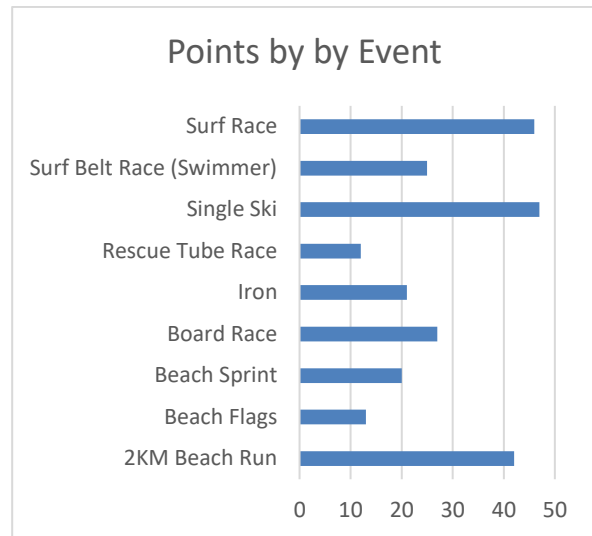

Our season has been another extremely successful season for the West Beach SLSC competition team. Our competing members tackled another competition season with determination and enthusiasm knowing that this season would be particularly long by the time Aussies would close the season. It was terrific to see some of our newest members really settle into club life, embrace our culture and work with our leadership team to assist with training and mentoring. Success breeds success and it is wonderful to see that people want to come to West Beach to be a part of the team that we are.

Our positive culture encourages our team work and we were thrilled to have won our third state senior competition in a row by a margin of 205 points.

Our master's competitors are inspirational and set high standards for the rest of the club's competitors. This year at the Australian Masters Championships, elite competitors Grant Simpson won 3 gold medals and 2 silver and his wife Joanne Sutcliffe won 2 gold and a bronze. What amazing age group results and well deserved with the hours of hard training this couple puts in each week.

Head Coach

We are fortunate to have Stephen Perry continuing in this role for this season. Now head coach for 18 years, Steve is as dedicated and committed to our athletes, both at our club and at a state level and instil in them the desire to achieve, train and succeed. The demands of parenthood have reduced some of his physical presence on the beach, but not his mentorship, encouragement and management of the athletes.

Steve continues to be supported by Peter Zuill another Life Member and our President. Pete spends hours at the beach and at the club - coaching our juniors and seniors, towing trailers, carrying equipment, officiating, team managing and mentoring and Pete and his coaching is highly valued by all out competitive members and athletes. I would also like to congratulate those members who enrolled to complete the Foundation and Development Courses (previously known as Level 1 coach) and to Ryland Newberry

who has completed his course successfully, with a few more to soon follow.

Stephen	Perry

Nominations

Bonnie Richardson has continued with her role of Nominations Officer and is highly organised and thorough. Her professional, courteous and efficient manner ensures all nominations for senior carnival and Aussies are entered in a timely manner. Thank you, Bonnie!

Area Captains

Our Area Captains assist with the management of each area by effectively running activities, operating with club procedures and ensuring these procedures are adhered to, providing accurate information to members, utilising our resources to hold information sessions conducted by invited experts in fields that will provide tools, education and information to further encourage our members and athletes to enhance their learning.

We appointed male and female captains this season and they all did an outstanding job. Our ski captains held a come and try ski session this season which was very popular and hopefully be repeated next season. My thanks to all of them for their efforts.

State and Development Team

Our congratulations go to our athletes selected to represent West Beach SLSC and South Australia in the development and state teams. This year our devolvement team and state team athletes travelled to the Sunshine Coast to contest the

Southern States Challenge and the Interstate Championships.

2016/17 SLSSA Development Team

Nationals

The Australian Surf Titles, this year returning to the Gold Coast QLD, was marred by Cyclone Debbie. The Youth and Masters Championships were successfully run with Harry Dawkins attending his first Aussies and making it to the Youth Board final. The conditions were as per usual however Harry competed strongly, and represented our club proudly.

The Masters Championships saw some exceptional results. As well as Grant and Jo's medal haul, Faye Harman brought home 2 bronze medals and Grant Simpson and Gavan Farmer won gold in their Board rescue race.

The Open Championships sadly only saw one day of competition for water events - with fabulous weather and the beach events were held on the

weekend with a modified program. Our results weren't what we hoped and we have a long season with Worlds in 2018 here in Adelaide.

Officials

Surf officials are the key to the effective running of all surf sports events like any competition that our children or we as individuals participate in - officials / umpires / referees / coaches / trainers and other volunteers are required for the competition to occur.

Linda Fox continued in her role as Officials Co-ordinator and did a great job ensuring we met our quota at every Senior and Junior Carnival and Masters States.

Senior Club Championships

This year our Club champs were held 18th February 2017. It seems to get more difficult to fit these in with such a packed surf carnival calendar but nevertheless, our numbers of members contesting the club champs are good.

This year we had 3 countbacks – (open women's, open men's and cadet male). Congratulations to all our Club Champions for 2016-2017.

I look forward to the next season and wish you all the very best.

Christine Newberry
Director of Surf Sports

Board Report

The Board Area has had a great season and probably its best season yet. Despite the long, wet and cold winter it was great to see consistency and commitment all year from the training group as a whole. There were many great results from carnivals throughout the season, which led to many outstanding results at State Titles.

The girls showed enormous strength once again, with Sophie Zuill taking out both the Open and Under 17 Individual Board Races only minutes apart, with Gretel Mead placing 3rd in the same Under 17 Race. The girls once again showed the depth of the club when they managed to take out the U17, U19 and Open Board Relays as well as the B teams getting 3rd, 4th and 2nd respectively.

The boys were also strong in the Board Area with Ben Zuill taking out the Open Men's Board Race, Matt Zuill winning his first Individual Board Medal coming 3rd and Ryland Newberry finishing a close 4th as a first-year Open. Our U17s have improved in leaps and bounds, finishing 6th in their Board Relay, but you can see they have the desire to go even better next year.

Our up and coming Youth Team showed plenty of commitment and improvement throughout the season and had the results to show for it. In their Board Relays the boys managed a Silver and the girls placed 6th. Stella Bengler had a great paddle in her individual Board Race to finish in the points with a 6th.

Harry Dawkins was our only Youth competitor to make it over to Queensland for the Aussie Titles this year, and after coming off a 2nd in the State Titles Board Race, managed to make the National Board Final, which is extremely impressive for his first National Titles.

I would like to thank Steve, Pete and all the parents for the coaching and support of the Board Area for yet another season. As a whole, West Beach has had yet another successful season in the Board Area with a lot of the squad taking their training to

the next level. We look forward to even more great results next season.

This season, the Board Area Award recipient was Sophie Zuill

***Area Captains
Kate Curtis
Benjamin Zuill***

Beach Report

The beach area has experienced one of its more successful seasons in a few years, with West Beach coming third overall in State Titles in this discipline.

The beach area is lacking in commitment by many competitors as water events are the primary focus of theirs. However, the number of beach competitors at States has been as big as it has ever been with everybody coming down to run a relay and get as many points for the club as possible. Notable performers at States include Abby Thorne (Beach award winner), Taylor O'Brien and Nathan Hettner, who each provided valuable individual and team medals.

The beach Area had consistent training on Wednesday nights before board sessions. Attendance at carnivals all year was good and the beach area is continually improving each season.

***Area Captains
Carla Fox
Ryland Newberry***

Surf Boats

We continued our growth in the number of crews at West Beach this year and this showed in our success at Master and Senior State Titles.

The season got off to a great start with the launch and christening of new 'Clymer' boat Colin "COL" Lindsay and thanks to Dave Gava we picked up a second-hand boat from Henley appropriately christened the "Dave Gava". This gave us two competitive boats and a 3rd boat of the same make which assisted with consistent training.

As a big group, we need to share the load, and the following people all contributed to the successful running of the boat area this season.

West Beach Boat Positions

Boat Captain(s)	Rhea Bergman Jim Hettner
Asst Boat Captains	Sarah Lindsay Sam Molloy
Gear Stewards	Dave Gava, Rob Hettner, Martyn Talbot
ASRL Rep	Sarah Lindsay, Rhea Bergman, Brian Burrowes
Nomination Officer	Sam Molloy
Coaches/Sweeps	Col Lindsay, Peter Snell, Jim Hettner, Peter Weydling
Sweeps (non-accredited)	Scott Fitzgerald, Sam Molloy, Dick Hoyle, Rob Hettner, Dave Gava
Fund Raising	Sarah Price

With the number of crews this year we had people training either in the boat or gym almost every day over the summer, with Sunday morning seeing the most action.

Most Sunday mornings there were 4 boats out on the water for between 3-4 hours.

At the pointy end of the season we managed to enter 12 crews in the State Masters carnival & 8 teams in the Senior State Titles.

Masters Surf Boat State Titles

Masters State Titles were at South Port which prompted a step up in surf skills sessions for our master's crews through the season. This proved very worthwhile when South Port delivered some cracking waves leading to some fantastic surfboat racing.

With all 12 crews amongst the points and 11 medals, West Beach convincingly won Masters Boats for a 3rd time in a row.

Masters Boat Point Score

	Total	Gold	Silver	Bronze	Points from Medals
West Beach	11	1	6	4	75
Grange	6	3	2	1	47
Brighton	4	2	1	1	31
South Port	4	2	1	1	31
Moana	3	1	0	2	21
Henley	2	2	0	0	18
Seacliff	2	2	0	0	18
Glennelg	2	1	1	0	16
Port Elliot	2	1	1	0	16
Aldinga	2	0	2	0	14
Somerton	1	1	0	0	9
Semaphore	1	0	1	0	7
Port Noarlunga	1	0	1	0	7
Chiton Rocks	0	0	0	0	0

Open competition

For the first time in many years West Beach had both an Open Male and Female crew training throughout the season. Unfortunately, injury derailed our Female crew mid-season. Open Men’s crew featured two first year rowers and one u19 rower but were right in contention with the leading crews in the state. Their best result for the season was coming 2nd at one carnival and they were in genuine medal contention at States before missing out in difficult conditions at Moana.

Senior Surf Boat State Titles

Open State Titles were held at Moana in challenging conditions.

At the finish, West Beach placed equal 4th in Senior States Surf Boats with 26 points, continuing a track record of improvement and now positioning us as a genuine boat club. We are starting to see a strengthening of our under age and open competitors who are looking to match the success we have experienced at Masters over several years.

Henley	74	1
Somerton	45	2
South Port	35	3
West Beach	26	=4
Port Elliot	26	=4
Glenelg	15	6
Moana	11	7
Brighton	7	8
Grange	6	9
Semaphore	4	10

Congratulations to Sam Molloy for being the West Beach Boatie of the year. Sam displays all the great

characteristics we love to see in a committed rower, love of waves, a thirst for improvement, great work ethic and excellent leadership qualities.

Sam has also been the one negotiating behind the scene to make sure we had our hours, were nominated on time & negotiated some positive outcomes with administrators – thank you Sam.

West Beach Boaties had a very successful year with continued growth in our numbers and excellent improvement in our younger crews. With the continued growth and improvement in our sweep numbers the aim for 2017/2018 is to train our senior crews to a level where they can attend and compete at a national level.

Area Captains
Rhea Bergman
Jim Hettner

Inflatable Rescue Boat (IRB's)

Last season, we saw an increased interest in club members wishing to be a part of the foundation which is IRB racing. This was in all aspects such as

Club	Points	Ranking
------	--------	---------

drivers, crew, patients and even officials. Still being rather new myself to all of this and the abundance of numbers, it became quite a challenge to ensure everyone received their fair go while still trying to achieve the best possible result.

We lost three of the best drivers before the season started to further follow their career paths in Holly, Courtney and Dom, which meant everyone had to step up and try to fill the gap. From this arose two excellent crews who became drivers In Elena Davis and Matthew Zuill.

We had a mixed bag of results throughout the year, but with the amount of new athletes we had in the team, the big focus wasn't on results, it was on individual growth. So more and more as the season went on, the improvement became more evident. We finished the year in 5th spot, after dropping from 3rd the year before. One of the best highlights from the year would be the Masters team race where the West Beach team of Hartas, Pugs, Ellis and Yon took home the gold, beating an undefeated Port Noarlunga team who has taken out this medal for the past several years.

As you would know, lifesaving equipment is rather expensive, especially IRB equipment such as motors and hulls costing from up to \$20,000 for a new IRB. I would like to take the time to thank the West Beach Community Bank on their very kind and generous donation towards the purchase of our new IRB which will be crucial for not only racing, but surf safety as well. The skills we develop in IRB racing further better's our chance of saving lives on our beach. I would ask everyone from the West Beach surf club to keep in mind when thinking about their financials to look at using the West Beach Community Bank.

I would like to further give thanks and give a few honourable mentions. To the power couple of Steve and Sonya, you both are a fantastic addition to not only the IRB area but the club also. The amount of work you both put in for the short period of time you have been a part of this club is phenomenal. Mike and Bree, your hard work does not go unnoticed and without Mike coaching, and

Bree officiating, we wouldn't have an IRB season. Same goes to you as well Brian, thank you very much for giving up your time and being an official for us also. Lastly, I'd like to thank my right-hand man Rhea, as I have been unavailable for much of this season so far, the team appreciates all the hard work and tireless hours you have put into this team.

The criteria for our area award does not purely reflect on results alone. There are many other aspects to the area of IRB's to which someone can win this award. Some of these are; attending trainings and carnivals, putting in 110% when competing and always helping others where needed. For those who know, IRB's is a winter sport, so getting up at 7:00 in the morning on a Saturday when it's about 10 degrees and you've just got home from the Ramsgate only a few hours before is a bit of a challenge, just ask Matt Zuill and myself.

This year's winner, is an inspiration to surf lifesaving. Coming from nothing and to what you have

achieved at this club is nothing short of a fairy tale story. This athlete during last season was working up to three jobs, working up to 15 hours a day and night before a training session and still coming down to be a part of it. This athlete from having no experience with water has achieved a Bronze and Silver Medallion in just short of being here for 2 years.

Our congratulations to Mahyar Rezaei for winning the IRB award this year and we look forward to next season.

Area Captains
Rhea Bergman
Jess Rafanelli

Life Saving Area

This season all the Lifesaving State Championship events were in the month of February along with Junior Qualifiers and Senior States Day 1, which made it tough for competitors to commit to training and the events. So, thanks to those people who competed, coached, officiated and helped as I know how hard it is to fit everything in.

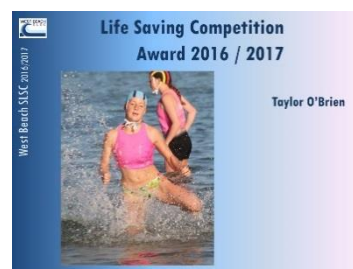

This season Mel Davis-Bishop had 9 teams compete in the R & R competition. Our Junior U13 5 Person team did an outstanding job and brought home the Silver Medal. Open Women 5 Person Team of Mel, Sarah Goodwin, Jess Ireland, Sarah Lindsey and Deann Olsen were also very competitive and came away with the Bronze Medal. The Open 5 Person Mixed Team, the 2 x U15 2 person and 2 x U15 5 Person teams and the 2 U13 2 Person teams all placed in the top 6, so earned valuable points for our club. A big thank you to all the people involved especially Mel. We really appreciate what you all do for the R&R competition and acknowledge that most of you help in other areas around the club too.

This season we had a small but dedicated team compete and help in the First Aid competition. Of the 3 teams that competed Mel Davis Bishop and Jess Cunningham won the Bronze Medal in the Open First Aid with Ellen Newberry and Max Richardson taking 4th position. Ellen and Max then went on to take the Silver Medal in the U19 First Aid. Big thanks to Christine Newberry and Bonnie Richardson for officiating and Brian Burrowes, Elena Davies, Nicole Ostrogny, Lyn Rush and Taylor O'Brien for being the patients for the competitions. A great West Beach team effort. Hopefully we can get more teams involved and competing next season.

Again, this season West Beach did exceptionally well in the Champion Lifesaver State Championships. Of the nine competitors, all gained points for the club, 8 of them being medals. Gold - for Masters Jo Varney and Sarah Goodwin, Open - Elena Davis, U19 - Ellen Newberry, and U17 - Aly Hettner. Silver for U19 Max Richardson and

Bronze for U17 Sophie Zuill and U15 Taylor O'Brien. Both Elena Davies and Ellen Newberry competed at Aussies. So, fantastic effort everyone. We were unable to enter Champion Patrol teams this season, but with the increased number of members with their ARTC we should be able to compete next season and bring home some medals in that area also.

This seasons Lifesaving Competition Award was awarded to Taylor O'Brien who participated

across all lifesaving events. Taylor competed in R & R and Champion Lifesaver and assisted with being a patient in the First Aid competition. Her team achieved 4th in the 2 Person R & R and she won the Bronze Medal in the Champion Lifesaver as an U15 competitor. Taylor not only attended most trainings, she assisted with training others in Champion Lifesaver Resus. Congratulations Taylor on your very successful 2016/17 season.

Thank you also to Elena Davis who was the Co-Captain for the Lifesaving Area. I would like to wish her all the best in Queensland in her new position with Surf Lifesaving Queensland and with her new club.

Area Captains
Elena Davis
Max Richardson

Masters

As we have become used to in the Masters' Area, the West Beach Boaties started us off perfectly, by convincingly winning the Masters' Boat State Titles. WB had 13 master's crews, 12 of whom received medals. This year Seacliff have put a lot of work into their masters training, particularly their women, and they beat us in the overall master's point score by 9 points! It was a fabulous

fighting effort by all the WB competitors – congratulations to all involved.

There were two stand out Masters’ competitors this year, Grant Simpson and Glenda McArthur. At Masters’ State

Titles, Grant earned 92 points for the club – 7 gold, 4 silver and 1 bronze. In a truly amazing feat, Grant’s results at Aussies eclipsed this performance. At Aussies, Grant won 5 medals – 3 gold and 2 silver. One of these gold medals was in board rescue, which Grant and Penguin have been competing in, together, for the last 10 years. This result is even more amazing when you also know that Penguin has had health issues and left State Titles in an ambulance. This may be his last competitive year, so it meant a great deal for him to finish on such a high.

Glenda McArthur was West Beaches highest individual points scorer at Masters’ State Titles, earning 94 points for the club. She won 11 gold, 2 silver and 1 fifth. Glenda has trained hard for the last few seasons, each year her board, swim and ski improve. And, again, she was Female Masters’ Club Champion due to her all-round abilities.

Congratulations also go to Faye and Michael Harman, Damian Newberry and Joanne Sutcliffe for being our other Masters’ competitors at Aussies. Faye did particularly well winning 2 bronze medals in the 70+ age group for sprints and flags; while Joanne backed up last year’s results by winning the surf race and the tube race again, and adding bronze in the open surf race.

Another honourable mention goes to Lisette Claridge, who competed in every team event possible and walked away with gold in every event bar one (in which she got silver!). Well done Lisette!

Finally, I wish to personally thank Dennis Hay and Greg Perry for organising the men’s teams. It isn’t an easy job!

Congratulations to all the West Beach Masters’ competitors – boaties, beachies and water people, you make the club a fun place to be.

Area Captain
Jo Varney

Pool Lifesaving

The State Pool Lifesaving championships were held over a full weekend in late June, concluding the 2015/16 surf sports competition season by winning the overall title and sealing the Overall State Championship for West Beach. West Beach fielded a team of 37 competitors across various age groups ranging from U12 to 60 plus. This was an incredible feat considering how more clubs are now involved in Pool Lifesaving and we were strong across the board from individual points across all age groups and our domination in all team’s events.

There were lots of outstanding performances over the 2 days of competition, including West Beach getting first, second and third in the Open Women’s 200m Obstacle race.

Our Gold Medallists

200m Obstacle	Open Female Jackie Staples,
Open Mixed Obstacle Relay	U19 Georgia Zuill
	Masters Lola Harman
	Masters Josephine Varney
	Masters Norm Collins
Line throw	U15 female
	U19 female
	Open Female
	Masters Female teams and Master Male team
100m Tow	U17 Max Richardson,
	U19 Georgia Zuill,
	U15 Sophie Zuill

	Open Matthew Zuill,
	Masters Sarah Goodwin
50m Fins,	U14 Harry Dawkins
	U19 Georgia Zuill,
	Open Female Jackie Staples,
	Masters Josephine Varney
Medley Relays –	U15s, Masters, Open
50m Manikin Carry	U14 Harry Dawkins
	U15 Sophie Zuill
	Masters Dennis Hay
	Norm Collins
	Josephine Varney
Manikin Relay	U15, Masters, Open
100m Manikin Carry	U15 Sophie Zuill
	U17 Georgia Zuill
	Open Elena Davis,
	Masters Josephine Varney

Harry Dawkins, Sophie Zuill, Georgia Zuill, Dennis Hay, Norm Collins and Jo Varney stood out amongst the competition and produced many highlights through their individual races.

It was very pleasing to see many West Beach competitors make their debuts in the pool arena and be rewarded with gaining medals in their respective events.

I'd like to congratulate the 2017 pool lifesaving award winner Taylor O'Brien who had a successful year.

Winning her age group in the U15 line throw. She attended every single training session and has a great attitude and towards everything she does.

Thank you, Max Richardson who with coached, looked after the equipment and team selection. Your help and support has not gone unnoticed and is very much appreciated by all.

A huge thank you to Bonnie Richardson as always, for completing all nominations, equipment handling and other various roles across the weekend and every training session. These meets cannot happen without the time and effort and hours of volunteer time that our members give. Thank you, officials, time keepers, our pool deck helpers, the keeper of the FINS – our special role for the weekend, Coordinators Linda and Peter Fox

Area Captains
Sarah Goodwin
Max Richardson

Ski Area

The 2016/17 season has proven to be one of our strongest ever. The ski squad has been especially strong across all aspects of competition this season, from the Board and Ski Series to State Titles. With an increasing squad size, we were able to strongly contest both individual and team ski races in every age group. This growth and the continued success of the squad is a testament to both the positive team atmosphere West Beach prides itself on, and the unwavering commitment demonstrated by its paddlers.

Ski events at State Titles were raced on the Saturday in essentially flat conditions. There were no opportunities for lucky (or unlucky) waves, therefore the competitors were unassisted on the way in and had to rely on their own stamina to get them over the line. In the Open Women's age group the entire female training squad successfully qualified through to the final. Cat McArthur claimed gold, followed by Brittany Jessup in silver.

The Open Men's age group saw West Beach claim a clean sweep of medals. Gold was awarded to Glenn Rypp, followed by Chris Kither and Owen Mcleod. Zac Ryan also achieved a top six finish. The open men are renowned for an abundance of fiercely competitive and talented ski paddlers, and always have multiple teams on the line for the ski relay. Although team combinations were a change from the previous year the West Beach men

produced solid performances and stormed home to collect gold and silver.

The U17 and U19 age groups also celebrated success. In the U17 men's race Jesse Ellis produced a stellar performance to claim gold. Lachie Boag also contested strongly in the U17 race and came 4th. He is a relatively new ski paddler already showing remarkable talent. Another talented paddler in her debut season is Alyson Hettner. Despite not having years of ski paddling experience Aly is already demonstrating strength and technique, with these attributes leading her to achieve silver in the U17 women's race. Another standout performance was in the U19 women's final, where Kelsey Goldner claimed gold.

In addition to the outstanding results achieved in the individual ski and ski relays, West Beach also produced impressive performances in both the mixed and gender specific double ski events. A highlight was the spectacular comeback of Glenn Rypp and Cat McArthur in the Open Mixed Double Ski Final. Despite an unlucky start which saw both paddlers in the water while the other combinations sped off, they blazed through the field and triumphed with gold. Another notable success in this event is Ben Zuill and Emma Perry claiming the bronze medal. Open Mixed double ski is not only entertaining but is also a very competitive event with dozens of teams nominated, and it was fantastic that West Beach had so many talented paddlers on the line.

Although it is disappointing to have the Aussies cancelled prior to racing in the individual ski events, the West Beach ski paddlers should continue striving for success and use this as motivation for the upcoming season. Results in the recent State Titles indicate that West Beach can become a force to be reckoned with on a National level.

On behalf of the squad I sincerely thank all the coaches who have given up their time to coach skis this year. Steve Perry, Greg Perry and Peter Zuill have worked tirelessly to get the best out of each and every athlete. I also commend the senior

athletes who stepped up and coached sessions when required.

All the ski competitors should be very proud with the way they conducted themselves this season. Whilst training and racing individuals have shown excellent sportsmanship and a never-give up attitude. We have set the standard of ski paddling in South Australia, and we will continue to be the club to beat for seasons to come.

This year, the Ski Area Award was again presented to Glenn Rypp, recognising his great results throughout the season and his impact in setting the standard for the Ski Squad.

Area Captains
Brittany Jessup
Chris Kither

Swim Area Report

Once again, we have seen a huge improvement in quality and quantity of swimmers at the surf club. Our swim area now ranges from those at a national final level to those who come out every Saturday afternoon to participate in the club swim, regardless of conditions. The club's ability to guide new young swimmers into high level squads, through nippers and pool sessions, continues to prove itself with young members joining strong swimming squads around the state. This gives great confidence in the future of the swim area and shows that we will continue our current success in years to come.

On day 1 of State Titles we showed our strength across belt and tube swims, coming away with two gold, five silver and three bronze medals. Dominance was shown by our female competitors, taking five of the top six in the open rescue tube rescue, four of the top six in under 17 belt and

three of the top six in the under 19 rescue tube rescue. The youth males Harry Dawkins and James Borlase also made their presence known taking home gold and silver in the under 15 rescue tube race.

Day 2 and 3 the focus of the swim area was on the surf race and surf teams, along with other events that incorporated a swim leg. Between surf races and surf teams, West Beach collected five gold, eight silver, two bronze and ten fourth to sixth placings. The open women were able to show their depth once again by coming home with four of the six fastest individual swimmers and three of the top six surf teams. Swimmers Abbey Jones and Gretel Mead controlled their surf races, Abbey winning open, Gretel winning under 17s and placing second to Abbey in the opens. In the men's area there were some team changes on the day. Aiden Lock and Lachie Holt were both scheduled to move up for the open male surf team, but after already racing in their age groups it was agreed that they earned a break and their positions were covered by Jayden Ellis and Zac Ryan, and the team finished strong in second place. Ben Zuill came away with a silver in the open surf race in a strong run up the beach and confirmed his swimming strength with a massive swim in the Lifesaver relay, setting the team up for a win.

Unfortunately, the final stage of the season was cut short on the Gold Coast due to cyclone Debbie. This was unfortunate after such a successful season, but we didn't waste the races we did get to compete in. At the senior competition, our under 17s; Gretel Mead, Alyson Hettner, Laura Fox and Leah Jones, made the under 17 surf team final and Open Females; Abbey Jones, Caitlin Sheehy, Brittany Jessup and Gretel Mead, made the Open Surf Team final.

As seen from our results, the club is thriving in the swim area. Our swimmers are continually growing and hanging around, ready to put their hands up to fill in for teams when needed. We are competitive at a national level and in 18 months we will be ready to compete on the world stage in our own backyard.

This season the Swim Award was presented to Gretel Mead. Her results across multiple Age Groups and also at the highest levels of competition in Surf Lifesaving are a credit to her.

Pink & Blue Swim 2017

We held our annual Cancer fundraiser to help find a cure for Breast and Prostate Cancer

A HUGE THANK YOU TO EVERYONE that participated, sponsored and volunteered at the Pink & Blue Swim this year - with over 450 participants and raising \$11,811 to be evenly distributed between Breast & Prostate Cancers. 100% of the money raised from the registration fees and donations (via the website and on the day) will be given directly to the Cancer Council to be evenly distributed between Breast & Prostate Cancers.

This year the event was renamed the Pink & Blue Swim in support of both Breast & Prostate cancers and we believe this is a unique event combining both. The event is about participation and support for our friends, family and loved ones, both male and female, who have or are experiencing Breast or Prostate Cancers.

[West Beach Surf-Lifesaving Club](#) is a very proud club to be involved in saving lives in many ways and through this unique event we also get to help support both Breast & Prostate Cancers. It so great to see so many members lend a hand to ensure we have such a well-run event.

A special mention to the event organisers in Lynne Collins, Brenda Thornton, David Afford and Linda Fox

We have now donated over \$45,000 to cancer research and look forward to seeing you again next year swimming or walking in support of our friends

Thanks again to our wonderful sponsors...
