Building Committee	Kevin Richardson (Chair) President David Afford Paul Rafanelli Steve Perry

President's Report

This Report brings to a close one of the busiest seasons I can remember.

There was a restructure in portfolios on the Board with some Board members covering multiple portfolios. This is another step towards a Strategic Board instead of an Operational Board.

Current portfolios are

- Finance, Risk and Audit (Strategic)
- Commercial Operations (Strategic)
- Compliance and Strategy (Strategic)
- Partnerships and Marketing (Strategic)
- Member Services (Operational)
- Facilities (Operational)
- Lifesaving Services (Operational)
- Education and Training (Operational)
- Youth Development (Operational)
- Surf Sports (Operational)

I would like to thank Julie Goldner, our Club Secretary, in her second year in that position for her efforts in this role and in the coordination of the Annual Presentation Night is much appreciated.

Rachel Bell was recognised this year for her continued efforts over the season when she was named Club Person of the Year. Rachel's contribution across a number of areas of the club is much appreciated.

I would like to welcome Anthony Thomas, Brad Barreau and Don Murchland on to the Board in their first (of many?) seasons. Their knowledge, expertise and understanding of Surf Lifesaving continues to keep the Board strong and focussed.

Finance and Commercial

Commercially the café has again exceeded expectation and the results could have been considerably better if not for the interruption of the Rock Wall construction. The club has also ventured into a business opportunity at the Beachside Restaurant.

Compliance and Strategy

This is a new portfolio setup to better manage our strategic plans and to ensure the Club is compliant in all its corporate and community obligations.

Lifesaving Services

Lifesaving Services were stretched with Beach Access issues and a number of major First Aid instances, none of which ended in fatalities

I would like to recognise and thank Sarah Tinkham on the great job she has done in this role over the years and look forward to seeing her on the Board again in the future.

Facilities

It has been an interrupted season with the development of the Rock Wall going on. The plan is to begin work on the section in front of the club and heading North in October this year and will take most of the summer season to complete. This is going to have a huge impact on the club as we will basically lose all access to downstairs and to the Beach on what is the current ramp.

Education and Training

Education and Training has gone through a major overhaul with our Assessors having to put in many extra hours of study to retain their accreditations. This is an area where we do need more help in the way of members attaining their Trainers or Assessors awards and helping out with Proficiencies and running of award courses.

Surf Sports

Surf Sports was a long and intense season starting with World Championships in November and finishing with Aussies in April.

Peter Zuill

Membership Statistics

Note: Reporting of U14 membership has moved from 'Juniors' into 'Active' from 2015

Finance

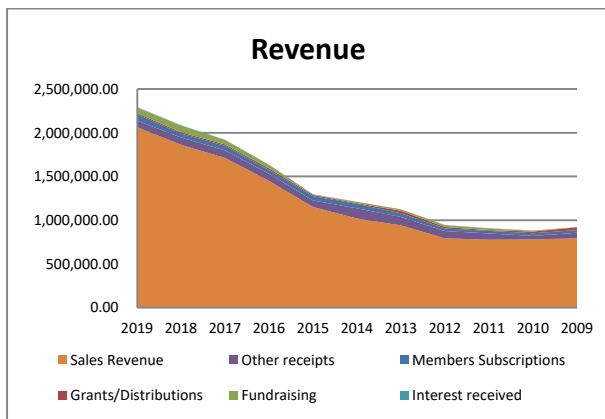

Another strong financial year, with strong sales activity the "Clubs" asset and financial position continues to grow with our revenue reaching a record \$2,293,263.57 up \$207,201.15 on 2018

The club building fund currently sits at \$278,881.63 this number is made up largely by the Café Profit and general club Fundraising activities.

The "Cafe" has had a very strong year with turnover of \$2,044,220.65, an increase of \$196,550.00 over 2018 generating an operating profit of \$320,490.38, an increase of \$53,120.96 over the 2018 result. With an operating profit of 15.67 % the café becomes a major fundraising arm. Credit for the sales and profit growth again must be given to both Kate and Norm for their diligence in not only looking at ways to grow revenue but also overall expense control. The Café closing inventory sits at \$42,176.40.

Clothing and merchandise returned a profit of \$9,820.51. A fantastic result as the last few years clothing returned a loss, an exciting turn around.

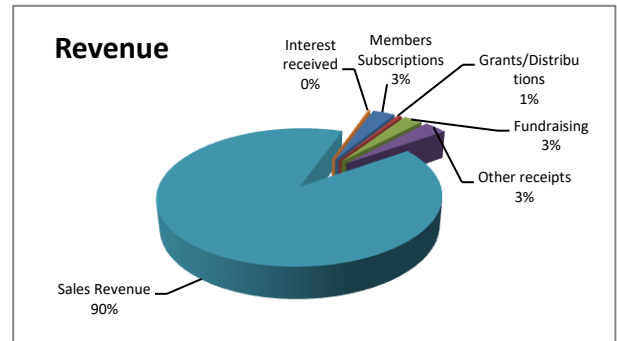

The Surf Club has invested in the new Beachside Restaurant aiming for another revenue stream providing a loan of \$159,067.80 to get that Business up and running.

Breakdown of income

Members Subscriptions	\$71,520.43
Grants/Distributions	\$15,000.00

Donations	\$28,065.96
Fundraising	\$61,620.82
Other receipts	\$74,188.58
Sales Revenue	\$2,063,886.26
Interest received	\$7,047.48

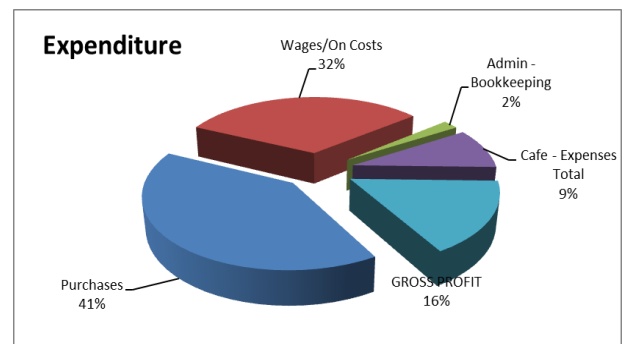

Asset expenditure this year was \$91,221.77 with area breakdown expenditure listed below.

Café Furniture	\$13,309.22
Building Renovations	\$13,727.27
Café Plant and Equipment	\$17,413.84
IRB	\$7,465.45
Surf Sports	\$36,133.26
Junior Division	\$1,590.91

The above, and numerous other items, resulted in the "Surf Club" generating a Total Current Asset position of \$721,683.28. An increase of \$219,0043.96 over the previous year.

Overall the Surf Club has again shown great restraint in spending, resulting in a cash position of \$611,915.30, a nett increase of \$203,966.39 over 2018. Fantastic work by all.

Finance Director
David Afford

Strategy and Compliance

Strategy and Compliance is a new position which has been created to help governance and decision-making within the club.

It is a fair question to ask why a new position is required when the club has operated successfully thus far? However the creation of the role is the result of the club's growth and development:

- in respect of Compliance, the club and its operations are more complex and with broader obligations. Adherence to an expanded compliance remit is necessary to allow our operations to continue; protect the club, our members, employees and others who interact with our activities.
- on Strategy; strategy is important so members' efforts and club resources are not wasted, but directed towards West Beach SLSC delivering for its members, sponsors and the beach-going public.

The club's development has brought new opportunities, greater resources and resourcing

obligations as well as decisions and challenges arising from our location and community profile. The development and implementation of a new strategy is desirable to guide decision-making and initiative towards the objectives our club wants to meet.

What does success look like for West Beach Surf Lifesaving Club?

The starting point for a strategy is agreeing an end-point: where is it that we wish to go as a club?

Executive members were asked to consider this through the question "What does success look like for West Beach Surf Lifesaving Club?"

Analysis of approximately 60 'signs of success' nominated, showed strong consensus around 5 outcomes. This has provided the vision of success our strategy will be developed to address.

Success for West Beach looks like a club which has:

... a strong club base with growth in members, their awards and their contribution

...growing in numbers, especially bronze holders and juniors, other award holders and with members keen to share the load

....respected lifesaving services

.... providing a safe beach and lifesaving services that are relied upon

...that is Financially Independent

having financial resources and strength to execute our plans for the club

with a new club building and the facilities and equipment it needs

....for its goals in lifesaving, surf sports, financial independence and community presence and contribution

and a culture and record of achievement in Surf Sports

supported by quality coaching and a culture that attracts, supports and challenges athletes to participate and excel

... and is known as a leader within the surf lifesaving movement and its community

through its enterprising and outward-looking initiatives in surf and community events, its work within its communities and in training and development of young people.

The next stage planned for the coming year is the development of a strategy to help guide the club towards these objectives.

Members' contributions are encouraged to contribute ideas and lessons from experience which can help improve its effectiveness and retain what we do well towards these goals. Please do not hesitate to contact the writer of this report with your thoughts and experience.

Compliance

Compliance is something that has been ongoing within and throughout the club through the conduct of its normal operations. The purpose of board oversight has been to introduce some whole-of-club oversight to the various compliance requirements and to provide support.

The starting point has been comparison against the Surf Life Saving Australia's club compliance checklist – with the club measuring up well. There are of course more extensive requirements driven by the various activities the club operates and these are assessed separately and through club officers concerned. One of these is the annual health and safety inspection conducted by Council, which the club satisfied, with a handful of minor points to address prior to the next inspection. These have been documented and are being addressed.

Don Murchland
Director

Commercial Operations

Our Café hit over \$2 million in sales this year which is pretty remarkable considering people had a hard time getting parking near us with the car park being either cut to a third of its capacity or totally shut for the building of the rock wall. I would have thought we are pretty close to our maximum in sales for this venue with the limitations we have for service and producing meals. Food prices went through the roof this year due to drought, which knocked us around in the first part of the year and it looks as though the same will happen this year with droughts and floods in QLD killing over 1 million head of stock.

The club has a contract which has been in place for just over 4 years with CUB which gives us a rebate on all stock we buy from them. This enables us to keep prices down and keep our gross cost of liquor to about 35% of sales. This is about the standard for most front bars. We did find the rebate had not been applied for about 4 years and, as a result, received about \$24,000 (GST inc). It now comes off every bill as we go. This isn't reflected in the café's profit for this year but in general revenue. Our café profit was about \$310,000, up from about \$267,000 last year.

Kate has held onto and built a strong team which is reflected in our sales, it is quite remarkable the standard of food and the speed of service we get from the kitchen we have. Well done to the whole team. We tried to open on Mondays for the whole year and have consequently found this is a money losing idea, we just can't get enough customers in to justify the costs and won't be doing it again this year. Having the water closer to the balcony has worked well for sales as it has given us the feeling you are on the beach and not at it (be nice if we could get the sand problems worked on for long term).

I had the pleasure of taking over clothing in August this year and with some hard work from

Rachel Bell and Kate we have this working quite well. We will be placing orders before winter to make sure we receive our stock. We did a lot of items on pre-order which meant we didn't need to hang on to unnecessary stock (we are going to do a pre-order of some hoodies very soon). Rachel has offered to do the clothing again this year which I want to thank her and the team she has built on behalf of the whole club.

For Worlds, Jo Varney worked on a design and a pre order system that worked very well thank you Jo all very efficient and no excess stock. Our clothing this year has given us a profit of about \$9,500 compared to about a \$4,000 loss last year.

The Board had the opportunity to get the old Salsa restaurant at a good price. This venue is to work in synergy with the club and let us service more customers and members in our local area, this gives us a safety net for the future development of our club. Beachside has been working well and we have had a great write up in the paper and great feedback from customers. It has been a difficult venture, staffing wise has been problem after problem and we are hoping this will all settle down nicely we have a good team in place. As with most businesses near the beach it will be seasonal which will mean we run it tight over winter and prosper in summer.

This is YOUR restaurant and we would love the support from all members and families, especially over the coming months. The Board does a review every month with a long term plan to sell it as an ongoing concern with all profits from the sale going entirely to the club. So come and join us there and help West Beach Surf Life Saving Club stay ahead of the rest.

Norm Collins
Director of Facilities

Marketing and Partnerships

Once again West Beach has been successful in establishing a prominent profile in the Adelaide community. We have numerous community groups which we have partnered up with to ensure the whole community can benefit from these wonderful causes.

Below is an overview of our partnerships

CALD Group

On the Same Wave (OTSW) is a development program which works towards increasing relationships, respect and understanding between the broader community and those already familiar with Surf Life Saving and its associated activities. It works with people from all backgrounds however the program is especially focused on youth with a culturally and linguistically diverse (CALD) background and those from indigenous communities.

Many participants in West Beach SLSC's program have gone on to join the club and obtain their SRC and Bronze Medallion

Surf Awareness

We deliver free surf sports/nipper-style programs to children up to 17 years old as part of the City of Charles Sturt's School Holiday Sports Program.

Rotary

The Rotary Club of Kidman Park utilises the West Beach SLSC rooms as its base and we work closely with them on fundraising events both for the community and for the club itself. The Rotary club donated a defibrillator for the West Beach Surf Club Café and worked in unison for a wine fundraiser (raised \$3,000)

SSASTA

SSASTA (South Australian Aboriginal Sports Training Academy): West Beach has established a firm relationship with this group and has supported them by providing our club rooms as theirs, when they are in Adelaide. We host them for meals (charging a minimal amount of \$10 per person), run a BBQ and make them feel welcome whilst they are in Adelaide. The group is supported by the Department for Education and Child Development and they hope to continue to receive our support.

The West Beach club had the pleasure in training SSASTA elite netball squad in surf and beach skills.

Tin Shedders

To our greatest fundraisers. The Tin Shedders run the BBQ at Bunnings and have successfully raised close to \$100,000 since 2012. Their tireless work has been so beneficial in giving us opportunities to purchase much needed resources and equipment.

Trailblazer

Trailblazer by the Sea was a new ultra-running event run by Adelaide Rotary. We assisted by providing support along the leg of the trail that went past our club by providing a first aid and drinks station.

Nipperthon

The Nipperthon is an endurance event for junior life savers that was held for many years at the southern clubs of Adelaide. When this event ceased, West Beach initiated its return and continues to successfully hold the event in the January school holidays. The event attracts around 200 junior lifesavers and provides them with a challenging endurance event. Exciting prizes are sourced for the age group winners and medallions for all participants.

Successful grants

Multi cultural – Federal grant \$22,000

Bendigo Bank – \$7,360

Emergency service \$5,000

On behalf of the West Beach Surf Lifesaving Club, I would like to acknowledge our sponsors over the past season. Thanks to your generous support we have been able to provide training equipment, education programs, competition support at a State and National level and most importantly, service to our local community by the patrolling our beautiful beach on the Adelaide shoreline to keep it safe.

We sincerely hope our partnerships will be maintained and to continue to support us in our future endeavours.

Paul Rafanelli

Director of Marketing and Partnerships

Tin Shedders

Well another year has gone and the Tin Shedders haven't done much other than continue to have a monthly lunch and also raise money for our club through the Bunnings BBQ's.

We've been very fortunate this year in as much that none of our team has moved up onto that great surf beach in the sky, but our oldest living member, Fred (Freddie) Green, lost his wife Audrey in March. Fred is 90 years old and Audrey was 89.

She was as much respected and loved as Fred and it was sad for many of us oldies to lose her.

The Bunnings BBQ boys continue to make money for our club and this year I had to send out feelers for additional volunteers from current club members to boost our numbers.

Age and illness have had an effect and I am pleased to say that we have new volunteers in Kay Dempsey, Bob Baker, and Brian Burrowes, all who have had their induction and been made Honorary Tin Shedders.

We also picked up a genuine Tin Shedder in Geoff (Taffy) Ellis _ Australian Pillow Fight Champion (for those of you who can remember). This certainly provides me with more flexibility.

This year, in July, the Bunnings fundraising will reach.....wait for it

....\$ 100,000.00 profit over a period of eight years.

This should be reason enough to have some sort of celebration, to thank all the volunteers who have been cooking snags for eight years and who continue to volunteer their time.

It will also be time for me to step down as the owner/manager of this process, and for new blood to step in (yet to be announced).

With the records I have kept, I can't let this opportunity slip without letting you all know that in making this \$100k we will have cooked and sold nearly four, yes nearly 4 tons of sausages.

The continuation of this fundraiser is so important - \$15,000.00 a year profit to be used on special club projects is not something our great club can ignore.

This is probably a good time to advise all members that the Tin Shedders do not own this money. It is club money, held in a club account and used for special projects as agreed by your board and management team. All we do is raise the money and manage the cash account, and act as custodians of the cash until needed. We do not, and will continue to have no input into what the money is used for.

Once again your Board and Management team have done a great job, together with all the success of your competitive members. Congratulations.

The Tin Shed team thank you all for a great year and wish you all every success for 2019/20.

***Neil Hodges
Life Member
for the Tin Shedders group***

Lifesaving Services

Another Season is done and dusted! A very big thank you goes out to all patrolling members, Patrol Captains and Vice Captains. Welcome to the new Bronze, ARTC and SRC members and I look forward to seeing you all put your newly found skills to the test during patrols in season 2019/2020.

We had quite an eventful season this season with continual beach access issues and a few major first aid emergencies as a result of our surrounding environment.

Well done to all those who helped in the emergencies and who kept their calm to help others.

West Beach continued to host and run special events again this year like Nipperthon and The Pink and Blue Swim. All events proved again to run smoothly. Due to the inclement weather the Pink and Blue swim ended up being a walk which everyone embraced and still made such a successful event. Events like these couldn't be

possible without the continuing support, collaboration and hard work from those involved.

Thank you to Kirsten Winton for being the First Aid Officer this season again. Her constant checking and restocking of the First Aid cupboard has made our club that little bit more organised and prepared in case of an emergency.

Thank you to Darren, our power craft officer, for continuing the maintenance and upkeep of the power craft area.

With Dennis Hay hanging up his blue shirt this season we welcomed Graeme Cunningham into the internal patrol auditing role. He did a great job and it was another close year this year, well done to JULIET Patrol for taking out Best Patrol.

Once again Thank you to all those who attended their patrols, helped with water cover, first aid assistance, work party and those that helped make the special events that we held such a success. Enjoy the off season and we shall see you back on the beach next season.

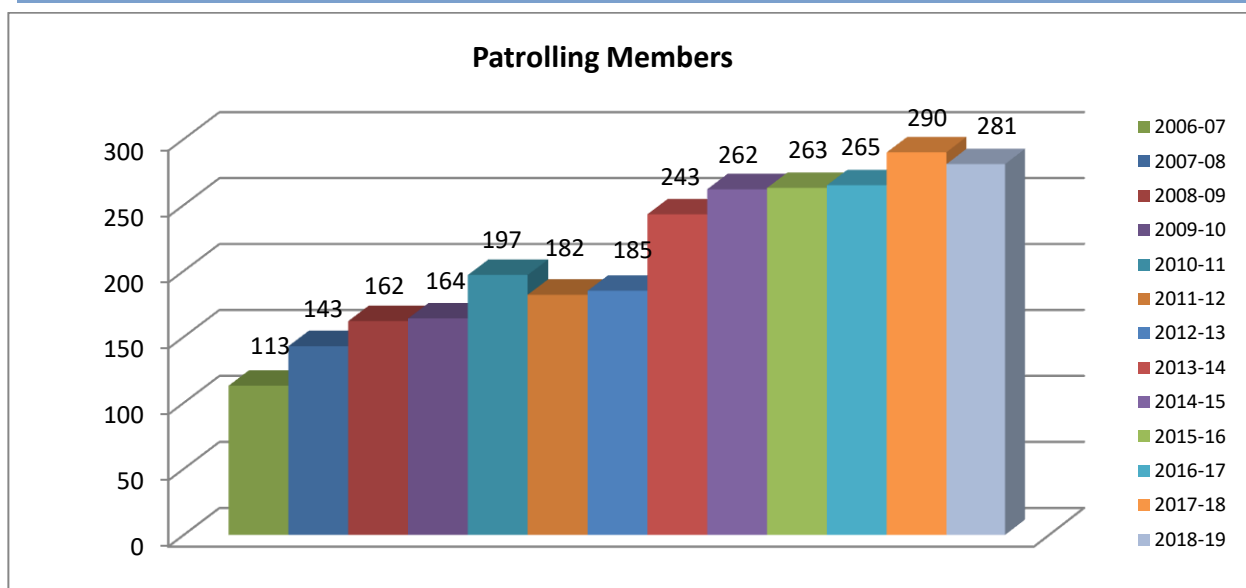

Sarah Tinkham
Director of Lifesaving Services

Patrol Efficiency Audits

The patrol inspection consisted of four elements with maximum points of 1325 from all elements.

The inspection included

- Theory paper 30 question for 3 patrol members
- Signals practical 5 questions each for 2 patrol members
- Patrol setup including uniform, equipment and patrol area.
- Rescue scenario which included board rescue, carries, resus, difib and oxygen.

The quality of the patrols were exceptional with the top patrol group being Juliet, it was another very close year with the rescues being high quality from the groups.

When you see the results you can understand how import 5 points for a theory question, cap or bathers can determine the result.

Well done to all patrol groups as the standard is set very high.

Graeme Cunningham
Patrol Auditor

Patrol	Captain	Points achieved	Total possible points

#Years Service is the number of seasons where a member has performed 22.25 or more patrol hours at the club in one season prior to 2011 and 16 or more patrol hours from 2012 on.

Other Service Hours includes Radio Room, Jet Boat, Jet Ski and Helicopter hours.
Records of patrol hours are not available for a number of years prior to 1975

Junior and Youth Development

The Junior program at West Beach SLSC is a strong, vibrant and inclusive one of which we all should be very proud. We have worked hard to create an environment where every family contributes and enjoys the team achievements and this is reflected best perhaps in how easily new families are integrated and 'feel like part of the furniture' so quickly.

SATURDAY SESSIONS

Our weekly training sessions are the primary focus of nippers with children learning about vital surf life saving techniques and knowledge as well as developing core physical and social skills. The beach access this year certainly wasn't that helpful but congratulations to the kids (and parents) for battling through.

Once again our Come & Try program was well received in the community following a promotional campaign throughout the local area and right through to the eastern suburbs resulted in many families trying surf life saving for the first time with a good conversion rate to membership. Thank you to Abby for looking after this.

Age managers are the backbone of our junior activities, without whom we wouldn't have a program so on behalf of all junior families a huge thank you to our age managers for their commitment and enthusiasm over the season and beyond. Thank you also to our water safety team who keep our children safe, our 'off beach' crew who efficiently manage the registrations, uniform sales and weekly BBQs, those who ensured the beach was set up and packed up every week.

DISCIPLINE-SPECIFIC TRAINING

Whilst Saturdays are great for general skill development, the big improvements can be seen in those juniors who take the next step to participate in the additional whole club discipline specific training. Whether it boards, sprints and flags, R&R or swim, our junior competitors have

benefited greatly from the coaching expertise available through the surf sports area. Our sincere gratitude to Peter Zuill, Steve Perry, Ben and Matt Zuill, Paul Cenko, Jocelyn Morrison-Butler, Kate Curtis, Caitlin Sheehy and others who have given so freely of their time to help our younger members achieve their best. It is truly appreciated.

EVENTS & FUNDRAISING

A number of fun events throughout the season promoted the social aspect of our club culture whilst some also generated valuable funds.

Our annual Footsteps Discos were once again a great hit with the younger members. Some awesome moves on the dance floor and a chance for parents to relax and socialise.

Christmas Fun Day was held on a Saturday morning this year with a visit from Santa delivering sweet treats and a BBQ lunch to finish (Thank you Rachel for all your hard work getting the BBQ ready and to Jocelyn and Marc for getting the treats arranged for Santa to give to the kids. We are very thankful to Torrens Transit for the bringing the Christmas bus again this year (Thanks to Paul for arranging)

We had a Quiz night after Christmas and the theme was 'Kids Characters'. It was fantastic to see families really getting into the spirit of the night with costumes, decorated tables and team rivalry. A big thank you to all of the local businesses and club members for their generous donations and to Sue Mackay for your hard work getting the fabulous prizes arranged. Thank you to Mel for hosting the night.

Nipperthon '18 date was changed this year as the schedule after Christmas was very busy. Perfect weather, a hard working team and support from local sponsors, incl West Beach Community Bank and also for the first time Kracka. Numbers were up and the feedback from other clubs have

suggested this is the best time of the year to hold the event. It was fantastic way to start the school holidays. Special thanks to Maria Parmenter and her team for their efforts in organising the Nipperthon and also to Sue Mackay for arranging the prizes.

The combined Under 12-Under 13 team camp was held again this season with great response and feedback. Juniors from our older age groups joined together for an overnight stay at West Beach Parks Caravan Park where the focus was on fun and friendships (and food as it seemed!). Thank you to the age managers who supervised (and cooked) the camp.

CARNIVALS

Junior carnivals continued to be well attended and enjoyed by all Under 8 – Under 13s.

The support of parents and siblings to fulfil our requirements in terms of age group coordination, water cover, officiating and photography was much appreciated. If we didn't have these volunteers we cannot have the kids compete.

STATE CHAMPIONSHIPS

March 2019

AWARDS

	Most Improved	Best Competitor (boy)	Best Competitor (girl)	Team Spirit
Under 9	Ella Murray	Harrison Carberry	Lara Scutchings	Evie Fisher
Under 10	Isabella Huf	Daniel Boulden	Isabella Beaumont	Alex Slattery
Under 11	Alexander Murray	Max Scutchings	Hayley Lawson	Kyla Martel
Under 12		Lucas Hahn	Edie Bengier	Lachlan Campbell Nicole Martel
Under 13	Oscar Baynes	Noah Pronk	Kelsea Lawson	Sasha Williams

	Club Champion (boy)	Club Champion (girl)
Under 9	Gabriel Martel	Lara Scutchings
Under 10	Alex Slattery	Isabella Beaumont
Under 11	Joshua Williams	Hayley Lawson
Under 12	Aiden Carberry	Edie Bengier
Under 13	Noah Pronk	Kelsea Lawson

Port Noarlunga SLSC

West Beach SLSC had an enthusiastic team of competitors that participated at the state championships. The conditions were pretty good at Port Noarlunga. The weather was supposed to get not very nice which had officials changing the program slightly. The carnival was well run and hosted by Port Noarlunga SLSC. Whilst our overall club placing was 9th, the results with the point score was only slightly down on the previous state championships. The kids put 100% effort in which is all we can ask. The more kids we can encourage to do extra training sessions will improve our overall result.

On a personal note, I would like to thank everyone involved in our junior program at West Beach SLSC and their support for my first year in charge - I love being involved with such a supportive and hard-working bunch of people. Thank you also to the WBSLSC Board of Directors for their continued support and investment in this fundamental component of Surf Lifesaving.

Anthony Thomas

Director of Junior & Youth Development

UNDER 6 & UNDER 7

Melissa Davis-Bishop, Kirsten Winton and Stella Ostrognay

It has been an absolute delight to watch our youngest members grow as they begin their nippers journey. Our hour long session each week focussed on building confidence in the water, learning to participate in a team environment, developing basic lifesaving skills, and most importantly having fun and making friends.

A big thank you to all of the parents for helping make our program a success and particular thanks to those who braved the sometimes chilly conditions to get in the water with the children.

Best of luck to the under 7's as they move up next season and undertake inter-club competition – you are well-prepared for the challenges ahead. To our under 6's, we look forward to having you help introduce a new group to nippers next year.

UNDER 8

Abby Thomas, Grace Wakelin and Hannah Day

Throughout the 2018/19 season the under 8's have been improving and enjoying the nipper sessions. This season the children have been working towards their yellow and red patch's. The under 8's always come to nippers and competitions with a great attitude and team spirit.

When new children come into the group, the children in the group welcomed them with open

arms and made them feel like they were part of the group. Creating friendships in the group has been a focus for the season. The children have been improving right through the season, whether it is becoming more confident on the boards, completing the distance run or completing a swim. The involvement of parents has increased throughout the season.

We look forward to seeing all of the under 8's back next season. Bring on under 9's!!!

UNDER 9

Sarah Price and Matilda Perry

2018/19 season has seen the u9s group grow to 19 kids attending Nippers regularly on a Saturday and 14 now competing.

This season the u9s have started to become more competitive at training and carnivals, but most importantly the bond this group have is something very special.

We got to participate in our first ever club champs and for some of the group this was their first time ever competing in carnival like conditions.

State Titles this season all the U9s improved on the season before. 2018/19 we received our first medals, Lara Bronze in Board Final and the Board Relay Team of Harrison, Lara and Gabrielle also Bronze.

I would like to thank all the parents in under 9s for the work they do each week to help the club.

As a group we dominate in parent participation from Towing trailers to carnivals, pack up and set

up on Saturdays, Watercover on Saturdays & Carnivals, BBQs and Officials.

I look forward to 2019/20 season and will miss this crazy fun group over the off season.

UNDER 10

Jocelyn Morrison-Butler

So, this year the Under 10s had their second season of competing! For some kids it was their first year of carnivals and they really enjoyed it. We had 5 girls and 5 boys compete in state titles.

From my perspective our highlights were:

The kids became more serious and engaged in learning the skills. State finals, we had one gold in individual wades, 1 silver in individual swim and 5th in the finals of 4 of the team events. We made finals in all events. We saw some big steps in terms of improvement of some of the longer term kids – Isla, Isabella, Jack and Lawson stepped up quite a bit in terms of their skills. Some of the kids did really well in the theory test which I think is a highlight – it's important that the emphasis is not solely on the physical sport but that we also focus on the core of lifesaving which encompasses the theory and first aid/rescue parts.

A special thanks is due to the following people for their help with our team during the season:

- Andrew Busolin and Brett Jarrett for stepping up to assist with age managing.
- Claire Beaumont for helping with all the administrative tasks and acting as a parent liaison officer.
- Sue McKay for looking after all the parent communications.

- Matt and Ben Zuill, Sandy, Jo Varney, Gretel Mead and a few of the SRCs who took the time to share their skills with the under 10s.

And of course a big thanks to you, Abby and Sandy for pulling everything together and making our jobs easy

UNDER 11

Marc Butler and Henry Lawson

Its been another really enjoyable year with this U11 group. This year we had a consistent group of about 15 kids each week at training. Great to see a good core group turning up each week.

We had 12 kids compete in this years State Finals. All the kids gave it their best and really enjoyed it. Its been a big learning curve for some of the kids as it was there first year of carnivals and the competition was very high.

Next year I will be encouraging more kids to do the extra trainings as we see the kids that regularly attend have really benefitted from it.

Also, next year, we really need to look at a better way to ensure fair allocation of the shared fibre boards to ensure that a repeat of what happened at the states doesn't happen again

We had great support from our parents that can do Water cover each week and other parents helping out at the carnivals. Having Heather as the Parent Liason Officer has also been a huge help to Henry and myself

UNDER 12

Scott Hahn and Jenni Carberry

The Under 12 had another fantastic season this year. We had around 12-14 regulars on Saturdays and a few Come and Try's throughout the season who were willing to try all beach and water events. All of our children improved their skills and showed great respect and encouragement towards each other and their competitors.

Some of the children completed the extra training sessions throughout the week which certainly showed in their performances in carnivals and States. We had 13 children compete at States this year and had some exceptional performances in both team and individual events which resulted in 8 medals as well as some Top 6 finished scoring a total of 46 points for the club.

A big thank you to the parents who helped out each week with water cover, BBQ, beach setup and on Saturday afternoons.

We look forward to see all these children continue to grow and improve next season.

UNDER 13

Mark Pronk and Paul Cenko

U13 season summary (to the tune Jack and Dianne).

A little ditty about the under 13 clan
Twelve West Beach kids doing the best they can.

Washington's gonna be a swimming star,
Mitchell likes riding waves, off the sand bar.

Rhys's racing Kraka boards, the opposition he leaves,
Maddie's doing beach sprints, she runs like the breeze.

Ollie's doing R&R and teaches the young crew,
Slattery gives his all and see's everything through.

Marcus champion runner and mighty in the swim,
Omar's just joined, but already doing every-thing.

Sasha won best team player, she has lots of fun
Oscar was most improved, he's learnt a ton.

Noah was our best male athlete from states,
his medal in boards was one-of-the-greats

Kelsea made every final (on land and at sea),
she was our champion states lady.

Well, now then you nippers, go run off to the seniors.
Mark and Paul say: You all will be amazing.

Oh yeah life-saving goes on, long after the fun of
nippers is gone.

Education and Training

In the 2018/2019 season, significant changes were made to the delivery of the Bronze Medallion Certificate. The Bronze medallion is our foundation award that assures our community that our life savers are rescue ready, prepared to respond to any emergency they may face when on the beach (or possibly in the broader community) and that they are highly skilled lifesavers who can attend to an incident or emergency quickly and effectively.

There is a high standard expected for training our many awards and following the Australian Skills and Quality Authority (ASQA) Standards for Registered Training Organisations (RTOs), Surf Life Saving SA (SLSSA) conducted an internal review in September 2017. Areas for improvement were identified around the delivery and assessment of the Certificate II in Public Safety (Aquatic Rescue) and these were communicated to the SLSSA Board. In January 2018 the SLSSA Board made the decision to maintain our status as an RTO and therefore improve the quality of the Certificate II in Public Safety (Aquatic Rescue). This decision supports the requirement by Surf Life Saving Australia (SLSA) that if a member patrols with a Bronze Medallion, that member must also have the Certificate II in Public Safety (Aquatic Rescue).

The training and assessment strategy for the SLSSA Certificate II in Public Safety (Aquatic Rescue) has been updated to include formal assessment of skills and knowledge which was previously largely undocumented. While minimal change has occurred for the content of training, additional assessment evidence has been developed along with the introduction of a logbook to be completed on patrol. This has seen major changes to the award assessment and proficiency process within Surf Lifesaving with SLSA introducing a compulsory online theory component for proficiencies and SLSSA trialling bulk assessments for Bronze awards.

Coupled with the changes to the Bronze Medallion, our few club assessors, to maintain their certification, are required to adhere to the amendments to the Certificate IV in Training and Assessment qualification as required by the Federal Government. These updates, if not completed by July 2019, will see their qualifications cease and they are no longer able to be a recognised club assessor. To comply, assessors must complete additional modules of the Certificate IV in Training and Assessment including the 'Design and develop assessment tools' and 'Address adult language, literacy and numeracy (LLN) skills. These changes will require an additional (5 to 10 full days) offsite training plus a minimum of some 40 hours of course work assignments. It is a serious commitment.

Club Assessors

Graeme Cunningham (Bronze)
Sarah Goodwin * (Bronze)
Dennis Hay * (Bronze and ART)
Heinrich Hofer (Bronze)
Todd Richardson (IRB)*
Jim Dale (IRB) *
*not currently completing required updates

Club Trainers

Shannon Asa, Robert Baker, Jim Dale, Tracy Ellis, Sarah Goodwin, Mike Hartas, Heinrich Hofer, Deborah Martin, Todd Richardson, Peter Taylor, Abby Thomas

These changes did affect our usual commencement of training during winter, however, with a new training system in place, we did commence training awards in January and were delighted with the new process that sees the Bronze and SRC candidates being trained via “modules” rather than the previous set groups. This method is designed to provide the trainers with more flexibility, and it enables us to use subject matter experts to assist with training modules that they have expertise in.

The modules are:

Topic 1	Safety and wellbeing
Topic 2	Surf awareness and skills
Topic 3	The human body
Topic 4	Cardiopulmonary resuscitation
Topic 5	Basic oxygen and defibrillation techniques
Topic 6	First Aid
Topic 7	Communications
Topic 8	Radio operations
Topic 9	Rescue techniques
Topic 10	Carries and supports
Topic 11	Beach management

Proficiencies

Due to the large number of members who are required to achieve their proficiencies and the few trainers and assessors we have, we decided to split the proficiencies into “dry” (signals / CPR / Radio) and “water” (run/swim/run and rescue) sections. This would enable the assessors to split their time and hopefully reduce their commitment on the beach. We held several sessions at the West Beach Primary School Hall and then followed up with the water sessions once the season commenced.

We completed:

- 208 proficient Bronze members
- 23 SRC members
- 77 AID (Formerly ARTC) members
- 29 IRB Drivers
- 24 IRB Crew

These would not be possible without the hard work of our assessors and I sincerely thank them for their time, effort and commitment. Without them, we would not have active patrolling members or competitors and we are always looking for additional help in education. Please don't be afraid to come forward and assist with any training.

Thank you for a great season and we look forward to the next with a new Education committee in place.

Christine Newberry
Director of Education and Training

Silver Medallion Beach Management

Rhea Bergmann, Damien Ellis, Mike Hartas, Heinrich Hofer, Kylie McBain, Ellen Newberry, Ryland Newberry, Ceri-jane Price, Max Richardson

Silver Medallion Aquatic Rescue

Surf Sports

Another packed year in Surf Sports with West Beach fielding teams at every level of competition from inter club to international. With the World Championships held in Adelaide it was a great opportunity for our athletes to compete at the top level. Our Masters once again showed the way winning medals in the Pool and Ocean as well as breaking World Records. Even our youth got involved and competed well in the water, but excelled on the beach winning a Bronze in the Beach Relay.

State Events 2018-2019

Bailey Hahn	Youth Cup

Officials

Surf officials are the key to the effective running of all surf sports events like any competition that our children or we as individuals participate in - officials / umpires / referees / coaches / trainers and other volunteers are required for the competition to occur.

Linda Fox continued in her role as Officials Co-ordinator and did a great job ensuring we met our quota at every Senior and Junior Carnival and Masters States.

Board Report

The board section had some great results for the 2018/19 season. We saw some outstanding improvements that lead to many great results in individual and team races. It was a long season from winter training, world titles, states and Aussies but many competitors showed commitment and dedication all year round. Tough racing and competition showed for many close races and finishes and potentially some bad luck. Overall our relays showed to be stronger than individual results which has previously been a strength in this area.

We had a strong team in the youth area with many improvements and placings. The boys put together 3 teams for the under 15 board relay and picked up 3rd, 6th and 13th place. Zane Stevenson had a great individual board race and finished in 5th place. The youth girls teamed up and came 7th in the board relay with Taylor Dawkins finishing in 3rd place in the under 14 board race.

The female area had some ups and downs and many challenging races. Stella Bengner improved enormously and backed up multiple times during the state titles weekend. She competed in under 17, 19 and open races and placed 2nd in the under 17 board race and 5th in the open board race. The under 19 girls also raced well with Alyson Hettner placing 3rd, Sophie Zuill 4th and Anika Kidd 5th in the board race. The under 19 girls had two teams in the relay and came away with 3rd and 5th place. Many of the girls joined the open females and came 4th, 5th and 7th in the open relay.

Racing and competition stepped up a level in the boys area, however we still saw some good results and teamwork. The under 17's placed 6th in the board relay and the under 19's placed 5th and 13th. Harry Dawkins paddled well, coming away with a 6th in the under 17 board final. It was a tight relay for the opens who came away with 2nd place and Ryland Newberry also coming 6th in the open board race.

We would like to say a huge thankyou to Pete for the countless hours he put into board coaching throughout the whole year. Thankyou to Steve, the parents and the whole west beach support crew. We are looking forward to stepping it up next year for more improvements and hopefully wining back some of those individual board titles.

Area Captains

Kate Curtis

Benjamin Zuill

Surf Boats

"As you get better, the game gets bigger"

Season 2018/19 will go down as one of West Beach boat rowing's strongest ever seasons. However, in the final wrap, there are a few boaties wondering what more could have been.

It was fantastic to see multiple crews performing well on world and national stages.

A few of many season highlights:

- Two medals at World titles (U23 Female 'Sea Cows' and 220 Female 'Boilers')
- A further four Top 6 finishes at Worlds (plus two more in the Top 8)
- U23 Male crew 'InDecentSea' being selected in the state team – 3rd at Interstates
- Open Female crew 'Coasters' Top 6 finish in inaugural Australian Short Course title – only beaten by eventual gold and silver medallist
- Three crews competing at Aussies
- Top 16 result for U23 Male at Aussies (ranked in Top 8 before injury finished campaign prematurely)
- Top 20 result for Reserve Female (also 'Coasters') at Aussies
- 200 Female 'Spritzers' narrowly missing a first Aussie surfboat medal for West Beach

It was also great to see the continued development of so many rowers and sweeps. Whether it was a 15 year old getting into a surfboat for the first time or a 60 year old rowing at Middleton and getting to trail oars for the first time, there were first time challenges and opportunities being taken across our group.

And it is a huge group, we had nearly 70 rowers compete for West Beach during the season.

The boat area had 14 crews in serious training, not to mention development activities for new rowers. Juggling two competitive boats across this many crews whilst increasing the level of surf training to prepare for east coast conditions is not an easy task, one that is simply not possible without a team effort. Many, many people have contributed - here are some of them:

West Beach Boat Positions :

Boat Captain	Rhea Bergmann
Asst Boat Captains	Sarah Lindsay, Colin Lindsay, Sam Molloy
Gear Stewards	Dave Richardson, Nick Carter, Martyn Talbot
ASRL Rep	Rhea Bergmann, Brian Burrows
Nomination Officer	Sam Molloy
Coaches/Sweeps	Col Lindsay, Peter Snell, Jim Hettner, Sam Molloy, Scott Fitzgerald
Sweeps	Nick Carter, Gerald Woud, Dave McLeod, Rob Hettner, Dave Gava, Peter Weydling, Katie Cavanagh, Joe Devries
Officials	Brian Burrowes, Gerald Woud, Peter Fox, Jo Varney, Sarah Nash, Jenny Bee, Sarah Lindsay

Thanks also go to both Henley and Somerton surf clubs who transported our surfboat interstate on their tandem trailers to the Interstates and Aussies, respectively. It is great to participate in a sport where there is this level of support from rival clubs.

As we look to the new season, expectations are being reset higher. Many of our athletes now have a greater understanding and belief about

what is possible having tasted national level competition multiple times in the season. They have also set an example that others can follow.

With planning for a new boat underway, we intend to hit season 2019/20 ready for an even bigger game.

World Titles – November 2018 – Glenelg, SA

World titles in your home state has proved to be a twice in a lifetime experience for some. Having it at our next door beach meant that West Beach rowers were out in force.

And so was the wind.

70kmh winds nearly blew the championships away and resulted in rowing competition being deferred by one day. When the Masters kicked off proceedings on the Friday the conditions were still challenging but by the time the Open rowers finished on Saturday it was a millpond.

There were some great performances. In 24 divisions across Masters and Open, West Beach managed to finish inside the Top 6 six times, with two medals.

For a few crews the realisation was becoming stronger that they had what it took to be competitive at national level.

Medalists

- 220F Boilers: Bronze (Kay Dempsey, Jenny Bee, Lynda Eastwood, Marg Domarecki, Colin Lindsay – sweep)
- U23F Sea Cows: Bronze (Shelly Fricker, Alex Huggett, Kate Hettner, Carla Fox, Jim Hettner – sweep)

Finalists

- 200F Spritzers: 4th (Tracy Rafanelli, Briony Goodfellow, Tracey Holt, Sarah Nash, Peter Snell - sweep)

- U23F Whitewash: 5th (Georgia Brazenall, Roxy Pena, Paige Purdie, Tayler Talbot, Peter Snell – sweep)
- U23M InDecentSea: 6th (Mackenzie Slaughter, Hamish Lindsay, Lachlan Holt, Patrick McKone, Colin Lindsay- sweep)
- 180F Wild West: 6th (Ali Capelluti, Shannon Asa, Karen Ross, Sharon Reinke, Jim Hettner – sweep)

Other

- Open Female: Coasters: =7th (4th in semi) (Rhea Bergmann, Marley Fairclough, Kylie McBain, Holly Batty, Scott Fitzgerald – sweep)
- 180F SS Minnow: Semis (Mel Davis-Bishop, Katie Cavanagh, Sarah Lindsay, Jo Davies, Colin Lindsay – sweep)
- 200M Morning Glory: =7th (4th in semi) (Sam Molloy, Patrick Liptak, Jim Hettner, Steve Holt, Colin Lindsay – sweep)
- 220M Blue Whales: Semis (Tim Mather, Paul Humphries, Peter Snell, Dave Gava, Jim Hettner – sweep)
- 240M Grey Rowlocks: Semis (Peter Fox, Peter Finck, Dave MacLeod, Peter Weydling, Colin Lindsay – sweep)
- Open Male New Boys (and one old boy): 13th (Jordan Hall, Colin Lindsay, Sean Hettner, Dave Skull, Jim Hettner – sweep)
- Reserve Male Tall Glory: 13th (Steve Holt, Patrick Liptak, Michael Fletcher, Jon Westover, Peter Snell – sweep)

Interstates and ASRL Open – February 2019 – Elouera, NSW

Our U23 Male crew 'InDecentSea' (Mackenzie Slaughter, Hamish Lindsay, Lachlan, Holt, Patrick McKone and Colin Lindsay- sweep) won three of the four state team selection events on the way to representing SA at the Interstates at Elouera in

NSW. This was the first time West Beach had a boat crew in the state team for many decades.

InDecentSea came 3rd in the U23 division and just missed medals in both the under age (4 boat) and 8 boat relays.

The crew also competed in the ASRL open, narrowly missing out on progressing to the finals and beating some quality interstate crews in the process.

Masters Surfboat State Titles – February 2019 – Aldinga, SA

Although winning less gold medals than in 2018, West Beach had another strong performance with 11 crews winning 10 medals. For the fifth year running, West Beach topped the point score for Masters surfboats, again giving the club a great start to the Masters state titles.

Special mention to those crews who rowed in a younger division to optimise the use of boats and still got amongst the medals.

Medalists

- **Gold**
 - o Minnows 160F (Evette Devries, Katie Cavanagh, Sarah Lindsay, Jo Davies, Colin Lindsay – sweep)
- **Silver**
 - o Grey Rowlocks 240M (Peter Fox, Peter Finck, Dave MacLeod, Peter Weydling, Jim Hettner – sweep)
 - o Boilers 220F (Kay Dempsey, Jenny Bee, Anne Cameron, Marg Domarecki, Colin Lindsay – sweep)
 - o Spritzers 200F (Tracy Rafanelli, Briony Goodfellow, Glenda McArthur, Sarah Nash, Peter Snell - sweep)
 - o Morning Glory 180M (Sam Molloy, Patrick Liptak, Jim Hettner, Steve Holt, Peter Snell – sweep)

- **Bronze**
 - o Dog's Rowlocks 240M (Brian Burrowes, Brendan McIntosh, Dave Richardson, Martyn Talbot, Sam Molloy – sweep)
 - o Blue Whales 220M (Tim Mather, Paul Humphries, Peter Snell, Dave Gava, Jim Hettner – sweep)
 - o Tall Blues 200M (Colin Lindsay, Craig Hornibrook, Michael Fletcher, Jon Westover, Scott Fitzgerald – sweep)
 - o Wild West 180F (Ali Capelluti, Shannon Asa, Karen Ross, Sharon Reinke, Jim Hettner – sweep)
 - o DM Hydraulics (aka Hot Mamas) 140F (Mel Davis-Bishop, Nicola Rossa, Sarah Price, Jenni Carberry, Scott Fitzgerald – sweep)
- **4th** – Pope Rototech 140F (Kylie McBain, Leila Nazimi, Jo Varney, Deb Martin, Sam Molloy – sweep)

Senior Surfboat State Titles – March 2019 – Moana, SA

Senior States at Moana saw some solid results but left a number of crews feeling that they hadn't gotten full reward for the effort they had put in.

The weekend got off to a great start with West Beach getting two teams on the podium in the Lifesaver Relay. Congratulations to the Coasters (Gold) and White Wash (Bronze) for combining with our ocean area competitors for such a strong club performance.

Sunday proved to be a challenging day and, although we came away with enough top 6 performances to finish 3rd on the surfboat point score, West Beach only picked up two bronze medals. A solid result, but not what individual crews would have collectively desired. The way is open for a significant step up next season.

Final results

- Lifesaver relay: Gold (with Coasters) and Bronze (with White Wash featuring Sharon Reinke)
- U19M Sea Birds 4th (Oliver Varney, Ryan Searle, Mitchell Cunningham, Jayden Lindsay, Sam Molloy – sweep)
- U23F Sea Cows Bronze (Shelly Fricker, Alex Huggett, Kate Hettner, Carla Fox, Jim Hettner – sweep)
- U23F White Wash 4th (Georgia Brazenall, Roxy Pena, Paige Purdie, Eimear Levy, Peter Snell – sweep)
- U23M InDecentSea Bronze (Mackenzie Slaughter, Hamish Lindsay, Lachlan, Holt, Patrick McKone and Colin Lindsay- sweep)
- Reserve Male - Tall Blues (Colin Lindsay, Craig Hornibrook, Michael Fletcher, Jon Westover, Scott Fitzgerald – sweep) and Morning Glory (Sam Molloy, Patrick Liptak, Jim Hettner, Steve Holt, Peter Snell – sweep) - thanks for coming
- Reserve female - Spritzers 6th (Tracy Rafanelli, Briony Goodfellow, Sharon Reinke, Sarah Nash, Peter Snell - sweep)
- Reserve Female: Minnows Semis (Top 8) (Evette Devries, Katie Cavanagh, Sarah Lindsay, Jo Davies, Colin Lindsay – sweep)
- Open Male Blue Whales 6th (Tim Mather, Paul Humphries, Peter Snell, Dave Gava, Jim Hettner – sweep)
- Open Female Coasters =5th (Rhea Bergmann, Marley Fairclough, Kylie McBain, Holly Batty, Scott Fitzgerald – sweep)
- Surfboat relay 4th (Sea Birds, Coasters, InDecentSea)
- Point score (surfboat area) 3rd

Australian Titles – April 2019 – Broadbeach, QLD

Although it was exciting to have the World titles so close to home, for surfboats the Australian

titles remains the pre-eminent event on the calendar.

It was really pleasing to see three West Beach crews head to Broadbeach on the Gold Coast for the 2019 Aussies.

The week started with Master competition in windy and challenging conditions. A top 4 result for the Spritzers 200F crew (Tracy Rafanelli, Briony Goodfellow, Sharon Reinke, Sarah Nash, Peter Snell - sweep) is sensational. To our knowledge it is the best ever result for a West Beach boat crew at Aussies. Behind the scenes, the crew knows that it finished top 3 in both their races and would almost certainly have been in the medals but for a technical issue that prevented them competing in the first race.

The Coasters (Rhea Bergmann, Marley Fairclough, Kylie McBain, Holly Batty, Colin Lindsay – guest sweep) competed in the inaugural Open Female Short Course Surfboat event. The conditions worsened as the week progressed with only 7 of 18 starters able to complete the course. In almost every surfboat competition ever, top 3 gets you through to the next round. However, for this event, the conditions were so challenging the referees decided to take only two from each heat through to the 6 boat final. Coasters were just edged out of 2nd place in their heat so were inches away from an Australian final. They came an unofficial 6th place as only 3 crews qualified from the other two heats. Usually competing in an event where the only crews that beat you are the silver and gold medalists gets you on the podium. Notwithstanding that, we are super proud of how the Coasters performed.

The surf cleaned up but got bigger by the time long course racing commenced featuring both the Coasters (with regular sweep Scott Fitzgerald) in Reserve Female and IndecentSea (with Somerton rower Adam Perry replacing Lachlan Holt) in U23 Male.

Both crews did exceptionally well on the Saturday, with great results in the round robin section to move through to the elimination rounds.

The Coasters' campaign came to an end late on Saturday in the minor quarter finals giving them an excellent Top 20 result and strong improvement on their 2018 outing.

InDecentSea performed strongly in their minor quarter final, coming 2nd. This meant that they entered finals day on Sunday ranked 5th of the 16 crews. Unfortunately, a rollover in warm up on Sunday morning resulted in a broken foot for the crews' stroke rower and they had to withdraw. A disappointing finale to a campaign that had them showing they could match it with the elite. With two more years in U23s, this is a young crew with great potential.

Boat Award 2018/2019: U23 Males InDecentSea (Mackenzie Slaughter, Hamish Lindsay, Adam Perry, Lachlan Holt, Patrick McKone and Colin Lindsay- sweep)

Area Captain Rhea Bergman

Masters

All excellent teams comprise people with many different and complementary skills. They are not made up of many people with the same skills. For this reason, I like to reward different skills from season to season. There-by recognising the diversity necessary to create a truly excellent team. This year, we have chosen to recognise attendance at training and attitude. Attitude can be taken a few ways. As an athlete, I recognise drive, determination and dedication as skills that lead an athlete to go to training and consequently improve. However, being a parent has made me recognise other skills. Warm, welcoming, inclusive and supportive athletes bring not themselves, but also encourage others (like my children) to attend training - like bees to honey. These athletes increase the number of people

who attend training, hence they are integral to the growth and strength of any club.

12 years ago, when I started at West Beach, there were very few female masters competitors and very few (quite possibly zero) female boaties (in masters and seniors). About 10 years ago, Rachel Symington and then Sarah Lindsay supported and encouraged a small number of masters women to row a boat. From this point, the female boaties have all been warm, welcoming and supportive of each other, there-by growing their area by about one boat every two years. This season, this was demonstrated by Mel DB and Sarah Price - encouraging and supporting some new nipper bronzey mum's Jenni Carberry and Nicola Ross to row a surf boat. I watched them row at States and was truly impressed with their improvement and skill!

12 years ago, Lisette was one of the only masters women who attended senior club training. But when Briony started to train, Lisette welcomed and supported her. One session, Briony lost her ski and had to swim to shore, leaving her quite uncertain, but Lisette supported her to return to the water by promising to paddle next to her until Briony felt comfortable again. A promise that she rigorously kept. In turn, Briony has welcomed and supported Glenda to senior training sessions, and now they both paddle in circles waiting for me to get back on my ski for the 54th time! Not to mention, welcoming Leila, Sandy Conroy, Deb Wareing and Jo S to board training sessions.

From Lisette, Briony, myself and some of the then new masters boaties, the masters women's group grew significantly with the arrival of Sarah Goodwin, and her warm, supportive and encouraging nature. Sarah not only encouraged and supported the masters women, but also the younger female members of the club. In particular, Sarah supported and encouraged Kate Curtis and Jess Ireland, who now, in their turn, are supporting and encouraging a younger generation of female West Beachies.

Due to different life commitments, masters competitors are not always able to come to senior club sessions, and perhaps think that training sessions are preferable when finished with coffee (or a beer). Hence, there are a few separate masters groups that train at the club. One of these is the Saturday and Sunday morning ski paddle group, with stalwarts Lisette, Don and Jake, who welcome anyone wanting to paddle with them. This group regularly grows to include Paul Raff, Brad, Norm, Barney, Richo, Leila, myself and Peter Fox, and has significantly improved the ski paddling ability of the masters club members.

For the older masters, Dennis, Bob, and Brian train on Friday mornings. These, self-proclaimed, "oldies" encourage and support anyone who wants to come and join them. My parents have been one of the many people they have helped become competent and confident older competitors.

Another example of a warm, welcoming, supportive group at WB, that has grown and supported masters competitors, is the remedial swimming group. This group has encouraged many 'remedial' masters swimmers to regularly take part in the club swim. Arguably, this season, this group was the core group of club swimmers, albeit swimmers that think that a beer is necessary after each swim!!

A significant reason that WB has done so well in masters competitions is due to how well we do in teams. To have as many teams as West Beach, our club needs depth. This means it must have competitors who are prepared to compete, despite the fact that they don't win tons of (or any) individual medals. As a club, we need these people to continue to enjoy training and competition.

Each season there can be only one winner, so this season the Masters Area Award goes to Sharon Reinke. Sharon joined the WB surf club 10 years ago, from a marathon running background. Since then she has swum around twice a week, mostly at club training sessions, to significantly improve

her swimming ability. She enthusiastically took on competing at masters, despite her newness to the sport. For 10 years, Sharon has been willing to give everything a go. Sharon has competed in every masters event possible - boats, swimming, boards, ski, running, pool lifesaving, and even vice-captain of her patrol.

Throughout, Sharon has been happy to be in any team, doing any role you ask of her – even when she significantly doubts her ability, and despite rarely winning individual medals.

Sharon is always there to pack the trailer, unpack the trailer, sell raffle tickets, work at the pink swim, carry the craft, handle for every competitor, bring you a water bottle, hold your hat; she is endlessly enthusiastic, supportive and encouraging. This year, Sharon travelled to AUSSIEs to help out a fellow surf boat crew. While at AUSSIEs she did the swim in the board rescue, with Glenda. To do any swim on the Gold Coast Beaches is a big achievement for Sharon. In typical Sharon fashion, despite coming last, the pair were immensely happy that they were there and competed.

To see Sharon come second at Worlds in the 2km run was a highlight for me, the delight on her face, just made me smile and smile. Sharon is part of the remedial swimming group, attending nearly all club swims, and is a regular attendee at the club swimming sessions. Sharon's warmth and supportive nature is something that makes people want to come training and her willingness to enjoy competition regardless of results, means that she is one of the people who truly help grow our wonderful club. Congratulations Sharon and thank you.

Pool Lifesaving

Firstly a big congratulations everyone on a fantastic season. South Australia hosted 3 Pool

rescue events this year and West Beach provided a strong representation in all 3 competitions.

In June 2018, we had 24 members competing at states, aged 11-60+. We managed to take the title back from Grange and win by 42.5 points. This comprised the following places 1st – 26, 2nd- 27, 3rd- 18, 4th - 16 , 5th - 16, 6th - 11. This year we had 8 first timers competing. So mention to Deb, Lachlan and Noah who all medalled in their debut.

We had 14 Westies enter Nationals in August 2018 and 3 members represent the State team comprising Georgia Materne, Jo Varney and Leila Nazimi. Impressively, we had 6 Masters achieving Australian Records over the 2-day weekend. A big congratulations to Deb Wareing who achieved 2 records including a Line throw record with Sharon Beaver. Jo Varney achieved a record in the 200 Obstacle and Dennis and Grant received a Line Throw record as well. The West Beach masters finished 2nd overall with 155 points, coming 2nd by 1 point.

South Australia hosted the Lifesaving Worlds Championships in November 2018, it was such a pleasure to be a part of this amazing competition. First up we had 15 Master competitors who did an amazing effort competing against some of the best in the world. Big congratulations to Grant Simpson who managed to break another World Record in the 100m Manikin Tow.

West Beach was lucky to have competitors who are willing to give anything a try. We had 8 Masters join in to help fill relay teams, most of them have never competed before. We then had Shannon McSkimming and Briny McArthur represent West Beach in the open category, with Shannon making her debut and doing an amazing job.

Finally, it was the Youths turn to hit the pool. West Beach was represented by 8 Youths and 5 of them had stepped in to help with relays.

A big Congratulation to the following competitors for medalling at States / Nationals / Worlds

Gold – Deb Wareing, Grant Simpson, Jo Varney, Sharon Beaver, Leila Nazimi, Sarah Goodwin, Dennis Hay, Scott Stevenson, Georgia Materne, Jess Ireland, Jo Sutcliffe

Silver – Deb Wareing, Grant Simpson, Jo Varney, Jo Sutcliffe, Dennis Hay, Sharon Beaver, Sharon Reinke, Leila Nazimi, Sarah Goodwin, Briny McArthur, Stella Bengner, Georgia Materne, Lachlan Washington, Jess Ireland

Bronze – Dennis Hay, Jo Varney, Grant Simpson, Sharon Beaver, Leila Nazimi, Briny McArthur, Taylor O'Brien, Frank Martin, Georgia Materne, Bailey Hahn, Noah Pronk

I look forward to what 2019 brings for West Beach Pool Rescue.

Ski Area

The Ski Area performed strongly again this season. Whilst many of our Kayakers were focussed on chasing sports on the National Teams and in lead up to Olympic selections, we did miss their presence at club trainings. We were very lucky to be able to have them compete for the Club at States which returned many great results again. It was especially pleasing to have Cat McArthur come back from QLD to help out the girls and race with them.

The Ski Team

Won 3 of the Double Ski Titles and placed 2nd in the other 2

Won the Open and U19 Single Ski titles in both the Male and Female areas, including 4 in the top 6 in each of the Open Male and Female Finals.

Won the U19 Female Ski Relay, placed 1st and 2nd in the Open Female Ski Relay and 1st, 2nd and 3rd in the Open Male Ski Relay

Swim Area Report

Another season finally done, which brought the much-anticipated close of a very long summer of 5 am starts for the swimmers, and sometimes non swimmers of the club.

Again the swim area didn't disappoint this year with an abundance of great results across all carnivals as well as summer of surf, interstate, open water and of course state and national competitions.

Beginning at day 1 of state titles, our squad had some fantastic results at the much loved Christies Beach. We will start by highlighting our amazing women competitors, starting with the female area where Stella Bengner had her first attempt at belt swim and finished 5th in the U/17 final, as well as this Laura Fox and Leah Jones finished 2nd and 3rd respectively with Alyson Hettner also coming in a close 5th, followed by our newest recruit Aneka Kidd in 6th in the U/19 competition. As well as these great individual results we had some success in the rescue tube rescue with many points accumulated in the female area.

Closely next door, our males also had some great day 1 results including Harry Dawkins taking out the belt swim for U/17s, followed by Frank Martin in 4th as well as Matt Zuill and Ben Zuill finishing 3rd and 4th in the open belt swim.

The following fortnight started 2 big days of competition down at the lovely Moana Beach. With little surf around the place the swims were set up for some of the pool swimmers to take the points but our talented squad stepped up again and took many victories and placing's over the weekend.

In the youth area Tayla Dawkins finished 2nd in the U/14 female surf swim closely followed by Sienna Robinson in 5th, as well, Georgia Materne had a great swim coming in 5th in the U/15 surf swim. Well-done girls! Bailey Hahn showed his great improvements in the swim area this year and came away with a 2nd in the U/15 male surf swim, with Billy Trim not too far behind in 5th. Bailey had a number of good swims throughout the weekend in iron and team events as well as throughout the season, for which he received the club's Swim Area Award. Both girls and boys are showing good potential for future years.

The senior men's swim area is continuing to strengthen with a strong crew coming through the under 17's age group. There were a number of impressive swims by this young group, particularly when it came to team events such as swim teams and taplins, as well as at training. The highlight of the weekend in this area came from the open swim teams, where we placed second and were one of two teams to stop a 10-year winning streak. This was done with two under 17s, Frank Martin and Harry Dawkins, confirming the potential of this area in the coming years.

For the senior girls there were many close swims this year and although our usual full girls squad wasn't completely full we still managed to pull off some fantastic results and team successes. The

Jones girls yet again proved their dominance in the water, with Leah finishing 3rd in the U/19 surf swim and 8th in the open, just behind older sister Abbey who came in a very close 6th in the open swim. Another fantastic effort by our best competitor this year Georgia Zuill surprising herself (but not the rest of us) finishing 5th in the open swim race. As well as this Anneka Kidd and Laura Fox showed great class finishing 4th and 6th in the U/19 surf swim. The open females also took out the swim team for the 5th year in a row as well as our Bs who finished 4th, and Cs in 6th.

Finally, a big congratulation to everyone for your efforts across this season. Early sessions and getting in cold pools before the suns up is no easy task, so take the time to congratulate yourselves. To all the parents and helpers thank you for your time and effort and helping our athletes to be the best versions of themselves. Last but not least a huge thank you to our coaches for keeping all their athletes fit, healthy and well focused as we look forward to another year of big swims in for the west beach athletes.

200 yrs min Female Surf Boat	4	Spritzers – Briony Goodfellow Sarah Nash Sharon Reinke Tracy Rafanelli Peter Snell

Pink and Blue Swim

The Pink and Blue Swim/Walk team would like to say a big thank you to everyone that participated, sponsored, donated, and volunteered at this year's event!

We raised a massive \$72,500 to be split equally between the St Andrews Hospital Breast Care Unit and Prostate Cancer Foundation of Australia.

It's a massive task in planning this event, so the disappointment in waking up to rain, storms and no beach was heartbreaking. The decision was made to cancel the swim event with the walk being the sole component of participation. Worried at the possibility of lack of numbers to attend was quickly negated by the huge turnout – Over 800 had registered with over 200 registering on the day.

The West Beach members were great in their willingness to give a hand to set up for the day and with the Immanuel School singers and the Adelaide Pipe band playing created an amazing atmosphere.

Thanks to the West End Community Fund for their \$30,000 dollar-for-dollar match, to the West Beach Surf-Lifesaving Club for hosting the event, and to Dark Whisky Productions for hosting the Tickled Pink Comedy Night.

Special thanks to City of Adelaide Pipe Band for spurring everyone on in that wild weather!

Thanks again to all our wonderful sponsors: City Of Charles Sturt, Channel 9 Adelaide, West Beach Parks, West Beach Community Bank Branch, Adelaide Signs Group - ASG, Azcon Homes, Bakers Edge Bakehouse & Coffee Roastery, Lee Green & Co Pty Ltd, FIVEaa, GPA Engineering, Rototech Pty Ltd, Netball SA, OZ Minerals, Kidman Park Rotary Club, The Albion Hotel, KPMG, MaD Promo Poster & Flyer Distribution, Haynes Signs, Mr Doughnuts.

A big thankyou to the group of hard-working volunteers that make this event such a great success

We have some exciting ideas to make next year bigger and better and have already locked in the 8th February 2020 for event and have ordered beautiful weather for the day (mark it in your diaries).

From all of us, a great big thank you for making a difference in our endeavours in helping to find a cure for both Prostate and Breast cancer.

***Pink & Blue Swim/Walk Team
