President's Report

The Club has survived the first year of COVID-19 and most things are back to normal. There were still interruptions this Season due to the pandemic, however all aspects of the Clubs functions returned to full or near full operation.

Construction of the Seawall and Northern Access Ramp continues with completion expected to be end of June 2021. It will be a great relief to the club once this ramp is opened, however soon after we expect another upheaval as the Club rooms are demolished in preparation for the re-development.

I would like to thank Julie Goldner for her continuing work in her role as Club Secretary, especially with the coordination of the Annual Presentation Night. This year we finally managed to have the Presentation Night off-site after the delays from last season. Special thanks again to Kate Curtis for her drive to make the Presentation Night happen and with over 130 members attending it was a fantastic Night.

This season we recognised the efforts of Sandra Conroy in awarding her 'Club Person of the Year' as a result of her significant assistance in all areas of the clubs operations. Sandra also gained her Trainers Certificate this season.

Finance and Commercial

The Club had a much better season this year, even with the impacts of COVID. The Government packages meant the Club was able to stay operating and even turned a profit this year. This profit would have been modest if not for the Cash Boost and Job Keeper subsidies received.

Compliance and Strategy

Tony Lake was elected to the Board this season and has continued to work on this area. Due to COVID and the delayed AGM last Season, Tony is still finding his feet.

Lifesaving Services

Christine joined the Board again and has taken on Lifesaving Services this year. Again, a very challenging year with all the COVID uncertainty, but with guidelines set by SLS SA we were able again to patrol the beaches with safety and confidence.

Of particular note this season was the amazing rescue performed by two of our youth members, Marcus Morgan and Rhys Highett. Whilst enjoying a day off and surfing at Goolwa they were called on to swim out the back and rescue a young teenager who had been swept out to sea some 600m. The rescue was performed by these two members successfully and without assistance. The association, club and your parents are all very proud of your efforts.

Education and Training

Thanks to Graeme Cunningham on taking on this role. Even with all the restrictions and barriers introduced due to COVID, we still managed to train a number of crews through various awards. Also thanks to Graeme for filling in to cover Lifesaving Services until we were able to run our AGM in October.

Facilities

Ben Lawrance joined the Board at the last AGM and has quickly found his place in the Facilities Portfolio. Ben has a huge task ahead of him as we move into the transition to the new Club Development.

Youth Development

Thanks to Anthony Thomas for his continued work in this Portfolio. His efforts are now recognised with the increase in Junior members in the Nipper program and the quality of lifesavers moving into the Senior Club.

Peter Zuill

Membership Statistics

Note: Reporting of U14 membership has moved from 'Juniors' into 'Active' from 2015

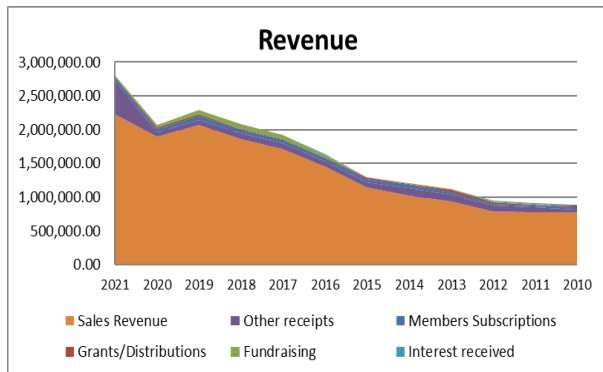

Finance

Financial income for the 2020/2021 season was exceptionally high due to good management and Covid Job Seeker and stimulus packages of \$477,500.

The club building fund currently sits at \$168,710.42.

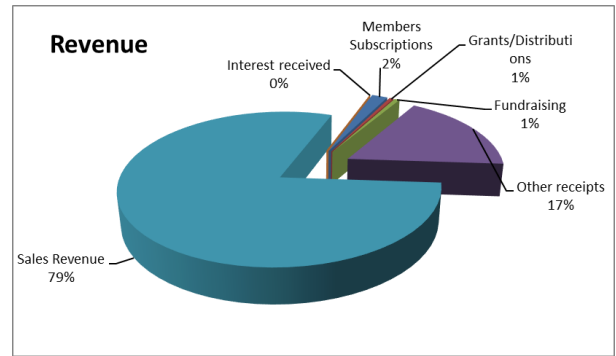

The Café showed a turnover this year of \$2,202,319 up on \$1,885,522 from last year with growth of \$316,796, generating an operating profit of \$58,284.97, a decrease of \$93,491 on the 2019/2020 result. The profit number is considerably down against the turnover as the Job Keeper Payments of \$375,00 are not shown in the Cafe Revenue as they came in under other income, however our Job Keeper Wages were paid out of the Cafés Staff Costs.

Entire Club Revenue this season was \$2,804,920.

Breakdown of income

Income	Amount
Members Subscriptions	\$53,463
Grants/Distributions	\$14,090
Fundraising	\$17,743
Other receipts	\$490,568
Sales Revenue	\$2,227,847
Interest received	\$1,207
Total	\$2,804,920

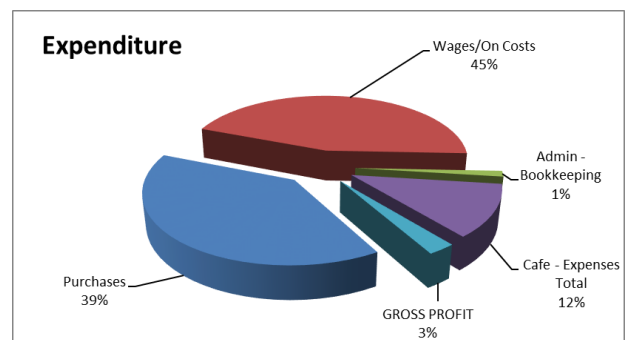

The Café closing inventory sits at \$47,854.

Clothing and merchandise returned a loss of \$4,594. This appears to be a combination of timing of payment and receipt of stock as well as increased purchase prices during COVID and the Club running this at very small profit margins for members.

Total cash on hand 2020/2021 is \$1,020,792, an increase of \$434,532 over 2019/2020 season.

The above, and numerous other items, resulted in the "Surf Club" having Total Current Assets of \$1,134,889 and current liabilities of \$105,430

Overall the season resulted in an operating profit of \$348,947 an increase of \$362,211 over the previous year.

Finance Director
David Afford

Facilities

This last year has brought with it its challenges. Mainly because of the deteriorating condition of our main building and not knowing whether to fix issues for the short term or the long term. Myself and our core maintenance team, Bob, Lauren and Peter L, together with a large number of contractors continue to keep the Club and Beachside safe and serviceable for volunteers, staff and customers.

As well as ongoing maintenance the focus has been on the transition of the Club to Beachside and back. This activity has been frustrated due to the fluidity of the project management system. As this year is almost halfway through the focal point of transition is coming more and more into focus. There has been a small number of meetings involving Club stakeholders to measure and assess their requirements during and after transition. Some of the considerations are listed below

- are current Utilities at Beachside sufficient
- Need to identify what we need to take
- If we don't want it – Sell it or leave it
- Activity - Empty building
 - Honour boards, Trophies, Solar Panels, Compressors, Freezer, Fridge
 - Surf skis, Beer Systems, Postmix
 - Gym, including Ergos
- The actual move
 - When
 - How – Big Bang or staged process? This will depend on timelines established between closing the Surf Club and Demolition.
- Commercial
 - Liquor Licence transfer
 - What will be needed is dependent on the Redline redefinition
 - Toilet upgrade rear of Beachside.
 - New doorway from Beachside toilets to rear carpark
 - Install Beer System
 - Build office – Cool room or Container
 - Uniform Shop
- Life Saving
 - What is needed close to the Beach?
 - First aid, Patrol room, what do we do with the Radio System?
 - What needs to be stored in the Shed?
 - What do you need access to only weekly?
 - What don't you need?
 - Where is acceptable for an IRB to be stored? 1 or 2?
- Education
 - Approach Surf Life for use of their facilities for training for the period of Club construction.
 - What do you need?
- Surf Sports
 - Is there anything you need close to the beach?
 - Is the shed close enough?
 - What do you need to transport equipment?
- Nippers
 - Trailer storage.
 - Board trailer – how many boards?
 - Location for Saturday Mornings – Drive way to Beachside?
 - What else do you need?
- Boats
 - Is it possible they can be stored away from the shed to free up space in the shed?
- What access do we need for a Gym?
 - Possible club membership of a gym.
 - Set up the rubber floor inside the shed – Space permitting?

As you can see there is a lot to consider and I am sure there is more to add to this list.

I have thoroughly enjoyed my first year on the Board of the West Beach Surf Lifesaving Club. It is great to be involved. This next year will be very exciting for our Club. I am looking forward to the challenges ahead.

Ben Lawrance
Director

Commercial Operations

Wow, what a year!

On March 23rd we got shut down with the first of about 26 different constantly changing COVID restrictions, we opened up again about half way through April as a 'Mini Market'; the idea was to try and sell all our stock (convert it to dollars instead of waste) as we had no idea how long the restrictions would last. I thought this would also restore some confidence in life with our members and locals. As everything happened so quickly, we had a lot of freshly tapped kegs and instead of wasting them, we sold take away carafes which everyone loved! We sold all our dry store, kegs, wine bottles, soft drink and the odd roll or two of jumbo toilet rolls – all income we wouldn't have had otherwise.

We could tell from the general comments everyone was struggling, so we made up some take away food and sold it fresh and frozen and to our delight we couldn't keep up! As it was very difficult to get supplies, this is how we operated for about 3 months. By June 13th we could, under COVID restrictions, operate with 20 diners and we had these restrictions on and off until September. Through this period we fluctuated as the rules and consumer confidence did.

Another 2020 hurdle we unexpectedly faced was the closing of our balcony for about 6 months due to damage caused by the building of the rock wall; the balcony was condemned by Charles Sturt Council in early March, and only able to be reopened, thankfully with warmer months approaching, after the approval of council engineers following an inspection.

During this entire period, if we didn't have JobKeeper we couldn't have operated without suffering huge losses that we might not of recovered from for a long time. Had JobKeeper not been in place, we likely would have only been

able to open from September onwards in a very limited capacity following Covid restrictions. As well as club income, we would have had all of our wonderful team without work or an income, further impacting our local community. On an incredibly positive note, congratulations to Kate and her team on an incredible job! Some spent hours above and beyond any JobKeeper payment and given the constant movement of the Covid restrictions, the staff worked really well and happily supported all the different phases we went through constantly.

All of the hard work in keeping the club functioning, and keeping a community feel has paid off for us, we have had magnificent feedback constantly and our patronage has grown through this period. It is hard to believe that we only put the grass on the slab in 2015; the growth and feedback we have had from functions and entertainment, to daily use, has grown exponentially, especially when you consider the last 3 years we have had a rock wall and now a path constantly being built around us and causing major disruption to patronage.

Café only	With JobKeeper	If only open 7 Months without JobKeeper
Sales	\$2,202,319	\$1,823,360
JobKeeper	\$367,000	\$0
Profit	\$420,690	\$347,600

I would like to thank Rachel Bell again for her huge efforts around the club, I am so proud of where she has taken our merchandise and clothing to. The new ranges are going well and I love walking around West Beach and seeing our tops on people everywhere. I can't think of another suburb in South Australia that a non for profit identity is so prolific, thanks again to you Rachel and the great team you have built up.

Norm Collins
Director

Marketing and Partnerships

For those of you I have not had the opportunity to meet yet, I am Daniel Spooner and have looked after the Marketing & Partnerships portfolio since September last year.

Pink & Blue Swim/Walk

As always, the 2021 Pink & Blue Swim/Walk was an incredible event and has very quickly cemented its place in the West Beach calendar as the highlight event! As they do every single year, Paul Rafanelli, Lynne Collins, Brenda Thornton, Anne Cameron, Linda Fox, Jane Gilbert, Ben Lawrance, Isabella Domhoff and their entire support crew did an incredible job in pulling together the entire event – made all the trickier by the Covid 19 pandemic. As evidence of the strength of community, and brand, that the P&B Swim/Walk has built, this year saw the retention and addition of so many wonderful sponsors:

- City of Charles Sturt
- GPA Engineering
- Andrew Ursini Charitable Fund
- West Beach SLSC
- Beachside Restaurant
- Lee Green & Co Pty Ltd
- Dogcity Daycare
- Ray White Henley Beach
- West Beach Community Bank
- Azcon Homes
- Paisley Park
- MaD Promo Poster & Flyer Distribution
- West Beach Parks
- In Step Fitness
- Royal Caledonian Society Pipes & Drums
- Channel 9
- FIVEaa
- Rototech Pty Ltd
- Kidman Park Rotary Club
- Skala Bakery
- Bikie Busker
- Rip Curl Henley Beach
- Rival Brothers Coffee Roasters
- The Barreau Hotel Group
- Dark Whisky Productions
- SA Aquatic & Leisure Centre
- Immanuel College
- Mr Doughnuts
- West End Community Fund

In the end, the Pink & Blue event raised \$61,290 in vital funds to support both Breast and Prostate Cancer! To raise that amount, and still have 825 participants in a year like this is a testament to the strength and importance of the event. The Pink and Blue event has now raised \$309,361 in total!

CALD (Culturally and Linguistic Diverse) Program

West Beach SLSC Community programs had a bit of a break during the C19 period but by summer it was ramping up again once the pool opened up.

There are currently 15 members training hard to learn how to swim or busy doing laps to gain experience and fitness for their upcoming bronze later this year.

WB also ran a very successful ocean awareness day with over 100 people attending.

There was a story done by SBS news and The House of Wellness (the later still to go to air) highlighting West Beach's achievements in water safety.

Our community programs continue over the winter months focusing on new members and training in First Aid and Advanced Resuscitation Techniques.

Thanks to Peter Taylor, Diversity Officer, for the great work in this area.

Marketing

Marketing for the West Beach SLSC continues to deliver through social media and word of mouth, experience and our views are king. As we move towards the completion of the new club build in the coming year, you'll begin to notice some subtle changes in our Marketing strategy and the way we deliver through messaging to the greater community. It goes without saying that as we move into a new era for this wonderful club, we will look to further drive the brand, the reach and the number of eyeballs we reach year on year.

Over the last 12-18 months we have seen a steady increase in not only member numbers, but also non-member income through café sales, great evidence that there is so much opportunity to further develop how the WBSLSC brand is perceived across South Australia.

The incredible ongoing effort from Norm Collins (Commercial), Rachel Bell and her team has in driving the WBSLSC apparel lines has really delivered in establishing our brand within the local community and adding an additional revenue stream.

Partnerships

Prior to September last year, we didn't have a dedicated head in this space. In recent years much of the 'sponsorship income' has presented itself as goods or services received in lieu of cash income; majority of this need has been in the form of services to improve an ageing club. While this will still be a relevant form of partnership in

some areas moving forward, the focus has turned from short term to forming long term, mutually beneficial partnerships with businesses that align with the club's direction. Instead of just 1-2 year deals, both the WBSLSC and potential partners are working towards long terms agreements. Once we have final information on the upcoming club redevelopment, we will be able to finalise some new partnerships by way of presenting what an investment will receive in terms of exposure in our new footprint.

We have now had a section added on the website for anyone interested in donating to the club or exploring a potential partnership; we had feedback to suggest that in the past this has been incredibly difficult.

The Rotary Club of Kidman Park continues to use the West Beach SLSC as it's Tuesday night base and we absolutely love hosting them each and every week.

On behalf of the West Beach SLSC I would like to acknowledge and thank each and every one of our sponsors over the past season, as well as the members of the community that have been in a position to generously donate, both time and money. Thanks to the ongoing generous support we have once again been able to provide training equipment, education programs, competition support at a State and National level and most importantly, we continue to execute our prime function in servicing our local community by patrolling our beautiful beach to keep it safe.

If anyone ever wants to chat about anything 'Partnerships & Marketing', whether it be to get involved or new ideas you may have, I am always all ears.

Daniel Spooner
Director

Lifesaving Services

W Welcome

We welcome new members into our community, we are inclusive, and we are considerate of others

E Extraordinary

An extraordinary number of volunteer hours completed by our patrolling members and all members of our club

S Support

We support our community through good times and bad and the community supports us.

T Talent

West Beach is full of talent – our members have skills; knowledge and they know how to apply these

B Basic

We stick to basics and we grow these skills with training and education

E Excellence

We use our skills and knowledge to be excellent in everything we do

A Achievement

We achieve and feel satisfied that we volunteer for the greater good

C Community

We are a community; we are inclusive, and we maintain good values

H Home

The club, is like a home

Lifesaving, is the real reason why we are all here. It is the reason why we are part of the club and the club isn't just the West Beach Surf Club, it's the surf lifesaving club. We become lifesavers and we encourage our children to become lifesavers because the club exists to save lives, create great Australians, and build better communities. We all want to feel safe in the water and what better

way, than to embrace a community that provides us with surf skills that we can use, develop, and grow, in all facets of our lives – whether we are at work or home.

To be a good lifesaver, we need to be proficient, we need to train, and we need to maintain these skills. We need to be rescue ready. We can learn new skills through education, we can maintain our skills through training, and we can better our skills by competing and constant practice. Surf Sports is a really obvious way of acknowledging the achievements of a lifesaver, and for that competition, you are competing to win a medal or to achieve a goal and even if you come last, you are still winning because you know that when you are faced with a situation where you may be needed, you have the skills you can use that may save a life.

Despite the warnings, the education, the advancements in technology and techniques people still drown in our waters in unacceptably high numbers. We all wish to stop this, but sadly, we can't always be in the "place" at the time our skills may be needed.

There is no competition for real rescues. A real rescue happens when you are not expecting it – it happens when you may be required to draw on your skills and overcome your fears, to help save a life. In January this year, Marcus Morgan, and Rhys Highett were in the right place. There seemed to be little hesitation by either of them,

to do what many of us would feel scared and not be capable of doing. They then swam a casual 600 metres through the Goolwa shore break to find a boy, that had been swept out to sea. Despite the intense pressure and panic of all those around them, using their swimming abilities, they swam out, found him barely able to keep his head above water and they both swam him back to shore.

Together Marcus and Rhys have saved a life. They did this with barely a thought for themselves with little or no hesitation and as a club we would like to say congratulations for what will become a story that they both will relive and re-tell and will look back with pride and amazement at maturity they showed, the skills they displayed and the realisation that they kept a someone safe to enjoy a full life. That is truly extraordinary.

The 2020 / 2021 Season has been another season where you, our members showed commitment, acceptance of change - both in our world and in the club and the way we operate, and within lifesaving, we witnessed some brave rescues and we saw calmness in times of need. What a year it has been!

The season flowed smoothly with the continuation of our patrol equipment being accessed from shipping containers and there were relatively few issues with this method of operation.

Our patrol captains and their Vice Captains, IRB Drivers and crew, First Aiders, ART operators, exemplify W.E.S.T B.E.A.C.H. Together, our members make up our Surf Life Saving Club and together we make this place, great.

At the start of the season, we saw our members travelling to the APY Lands to teach remote communities about safety around the water, during the season, they teach at Vacswim around the State and they completed over 91 patrols for the season, (not including external events). We volunteer countless hours via SurfCom, provided

16 rosters for Saturday Water Cover totalling over 500 hours, and in total, our patrolling members completed 5,512.34 hours of club patrol. This season, we were relatively unscathed with major and minor incidents, though we did have a sting ray attack a member during training, resulting in severe pain, 6 stiches, a scar for life and a full recovery!

The now not new app, worked well, still posing a challenge for some, but making that part of the role, much easier to manage. This still needs some work, but it is getting there!

I would like to acknowledge the hard work and dedication of our Patrol Captains assisted ably by their Vice Captains. Running a patrol takes a team and what a team we have. Thank you to those who will be stepping down this season, you have done a great job and we wish you all the best for the future.

West Beach continued to host and run special events this season with much success. We continued to provide support to schools and community groups who required water cover, lifeguards and surf education – thank you to all her assisted.

Thank you to those members who fulfilled roles throughout the season.

Sonya Salter - First Aid Officer
Bob Baker - Powercraft Officer
Brian Burrows - Radio Officer
Jessica Pugliese ART Officer

This year, Best Patrol person was determined by the patrolling members of the club. Nominations were gratefully received, and it did end up being a race in two. It was a pleasure to read the nominations as much thought was put into who you believed should be our Best patrol person for the season.

The reasons provided in nominating the winner included:

- For stepping up this year and becoming patrol captain.
- For doing additional courses to ensure their skills are up to date
- They always lead by example.
- They are always on time.
- They are organized and efficient and goes above and beyond in their duties.

Whilst this year was reasonably quiet with rescues across all patrols, (which is a blessing) and whilst we don't have the swell and rips that clubs in the east and west have (which can be frustrating), having any incident is always nerve wracking, whether it is major or minor. This year's winner had one incident that required a calm head, a quick rescue and under pressure, organizing a large patrol to help locate a missing boy. He was quickly located...

This year's winner shows great maturity in how they tackle patrol, how they deal with other patrol members and how they deal with the public on the beach. This group is large –there is a constant chatter, much laughter and fun and most of all a really positive vibe, which sees the group welcoming new members constantly and being inclusive and true West Beachies.

Our patrol winner was our youngest patrol captain at West Beach and would like to congratulate once more, Ellen Newberry as Best Patrol Person for Season 2020 /2021.

Enjoy Winter, keep fit, prepare to be rescue ready for next Season and Stay safe.

Christine Newberry
Director of Lifesaving Services

#Years Service is the number of seasons where a member has performed 22.25 or more patrol hours at the club in one season prior to 2011 and 16 or more patrol hours from 2012 on.

Other Service Hours includes Radio Room, Jet Boat, Jet Ski and Helicopter hours.

Records of patrol hours are not available for a number of years prior to 1975

Junior and Youth Development

The Junior Program at West Beach SLSC is a strong, vibrant and inclusive one of which we all should be very proud. We have worked hard to create an environment where every family contributes and enjoys the team achievements and this is reflected best perhaps in how easily new families are integrated and 'feel like part of the furniture' so quickly.

Our Nipper numbers grew this year. We finished with 177 nippers

Age Group	Number
U6	36
U7	24
U8	23
U9	20
U10	24
U11	16
U12	21
U13	13

SATURDAY SESSIONS

Our weekly training sessions are the primary focus of nippers with children learning about vital surf life saving techniques and knowledge as well as developing core physical and social skills. The start of the year was stop start with the COVID lock down for a couple of weeks then a few bad weather days. We also had the extra set up with the COVID restrictions and the sign in with the QR code. I would like to thank everyone for their help in understanding during this time. Everyone just stepped up each week to make sure we could run nippers.

Our Come & Try program was extremely well received in the community with many families trying surf life saving for the first time with a good conversion rate to membership. We had over 100 kids enrol this year in come and try. The most for many years.

Age managers are the backbone of our junior activities, without whom we wouldn't have a

program so on behalf of all junior families a huge thank you to our age managers for their commitment and enthusiasm over the season and beyond. Thank you also to our water safety team who keep our children safe, Parent Liaison Officers for ensuring regular communication within their age group, our 'off beach' crew who efficiently manage the registrations, uniform sales and weekly BBQs and those who ensured the beach was set up and packed up every week.

This year for the first time we relocated nippers twice to the Immanuel pool and grounds due to bad weather. I would like to thank Kevin from Immanuel College and Carol from iSwim for the use of the facilities. It was very well received by all concerned.

DISCIPLINE-SPECIFIC TRAINING

Whilst Saturdays are great for general skill development, the big improvements can be seen in those juniors who take the next step to participate in the additional whole club discipline specific training. Whether it boards, R&R or swim, our junior competitors have benefited greatly from the coaching expertise available through the surf sports area. Our sincere gratitude to Steve Perry, Peter, Ben, Matt and Georgia Zuill, Kate Curtis, Sarah Goodwin, Stella Bengler, Grant Muller, Paul Cenko, Raelene Donnell and others who have given so freely of their time to help our younger members achieve their best. It is truly appreciated.

EVENTS & FUNDRAISING

The nippers held a raffle this year. We had so many prizes that were donated by the families and also the local business. We raised over \$1800 which was a great result. Thank you to all that donated.

Christmas Fun Day was a popular event once again COVID style— thanks to Santa for visiting.

The annual combined Under 12 / Under 13 team camp was held at West Beach Parks. Juniors from our older age groups joined together for an overnight stay where the focus was on fun and friendships (and food as it seemed!). Thank you to the age managers who supervised (and cooked) the camp.

Thank you to Roger and June Bennet for their ongoing sponsorship which helps keep the costs down for the families so the kids can attend the camp.

CARNIVALS

Junior carnivals continued to be well attended and enjoyed by all Under 8 – Under 13s. With the carnivals prior to Christmas split into two half days due to COVID restrictions.

The support of parents and siblings to fulfil our requirements in terms of age group coordination, water cover, officiating and photography was much appreciated.

R & R STATE CHAMPIONSHIPS

We had another big group of kids that trained and then competed at the R & R State Titles at Port Noarlunga. I would like to thank Paul and Oliver Cenko, Kelsea Lawson and Lily Thomas for training the kids. A big thank you goes to Paul for coordinating the training sessions.

State Championships

State Champs was held at Seacliff this year and the kids produced some great results over the weekend. Our numbers are starting to increase for carnivals. We had 75 kids attend over the two days. We finished in 8th overall. The same as two years ago.

Nipper of Year - is chosen from our U13 Boys and Girls.

Alexander Murray and Hayley Lawson

AWARDS

	Most Improved	Team Spirit
Under 9	Robbie Cole	Angus Wells
Under 10	Jack Carn	Harper Schell-McGillivray
Under 11	Jessica Helmling	Nicolas Davis
Under 12	Ginger Atanackovic	Chloe Luttrell
Under 13	Georgie Copping	Maisy Pronk

	Club Champion (boy)	Club Champion (girl)
Under 9	Jethro Fischer	Miley Sparrow
Under 10	Vincent Busolin	Sophie Luttrell
Under 11	Harrison Carberry	Lara Scutchings
Under 12	Jay Mackay	Isabella Beaumont
Under 13	Max Scutchings	Hayley Lawson

On a personal note, I would like to thank everyone involved in our junior program at West Beach SLSC. Whilst we have had some challenges over the last couple of years with beach access and carting the boards and equipment onto the beach the Nipper program has gone from strength to strength. The numbers are increasing year on year. This comes back to the parent engagement in the program. We could not do it without them. Thank you also to the WBSLSC Board of Directors for their continued support and investment in this fundamental component of surf lifesaving.

Anthony Thomas
Director of Junior & Youth Development

UNDER 6

Terri Sparrow

With a large group of about 30+ young children it was great to see them trying all the activities and the parents being so supportive by getting involved.

The children loved the water and their favourite activity was boards.

Relays were a rough start but by the end of the season we could complete a race.

Flags were great and the children even enjoyed the elimination event, on our last training.

It was a great season, hopefully we have a few continuing their nipper journey.

UNDER 7

Sarah Tinkham

This season certainly saw some interesting weather each Saturday, however the under 7's took this in their stride each week and were always keen to get in the water to hone their skills. They have certainly grown so much already from last season which is great for their confidence and surf awareness. We had a great mix of fun along the way while learning about the beach, surf awareness, beach events, water work and familiarising ourselves with the patrols and their responsibilities.

A big thank you to the parents who were always keen to lend a hand for set up, pack up, barbecue duties, water cover and gear handling. It was

great to see some parents complete their Nipper Parent Water Safety Certificate or Bronze Medallion, it would be great to see more complete it next season - many hands make light work.

A big thank you to Tracey Buckley (parent liaison officer), Sarah Goodwin, Sally Linke and Brad Price who all put in a lot of effort and support each and every week.

I'm excited for what next season has to offer as we start to attend and compete at carnivals.

UNDER 8

Melissa Davis-Bishop & Ruby Thomas

Wow, what a wonderful season our fantastic group has had and it has been such an honour to lead these awesome kids.

Coming into Under 8 brought new challenges – longer Saturday sessions alongside the older kids, swimming around the cans and joining in the fun at carnivals. Every week was an opportunity to further develop skills with many children really surprising themselves with their continued improvement. All of them completed their preliminary evaluation and five achieved their

competition skills evaluation and some have added longer distance swim training to their weekly schedule to help them further.

Saturdays with our group of 23 saw our program based on the conditions so early in the season we focused on beach events whilst good weather days allowed us to spend the afternoon in the water, building confidence and having lots of fun. Integrating surf awareness, signals and basic emergency management helped the group on their way to becoming patrolling members in 2026.

Carnival participation started with a small group of four at the first carnival whilst we finished the season with a group of 12 at State Championships where we had some great team success in the wade relay and beach relay finals. Congratulations to Mason for his four individual medals in sprints, flags, wade & distance run – an awesome achievement!

We have had another great season which wouldn't have been possible without the support of all parents and carers. Special thanks to Ben for taking on the role of Parent Liaison Officer, Luke for gaining his Officials accreditation and officiating at all carnivals & states, Anthony, David, Jessica & Sarah for helping at carnivals and to all parents who helped on Saturdays in the water, on the beach & BBQ.

Can't wait to see what Under 9s brings next season.

UNDER 9

Chloe Morgan & Lily Thomas

Once again, the Under 9 nippers had a great season, which saw so much improvement and participation across our group. We are so grateful to have such an amazing group of kids who enjoy every nipper training and are willing to give everything a go!

Not only did we see significant improvement in their surf lifesaving confidence and competence, but also the team spirit and support the Under 9 kids showed this year was fantastic. Many come and try children joined in on our sessions this season, with some of them having a go at the competitions as well as states, which was great to see. Every week they improved and pushed themselves further whether it is on the beach or in the water. We are so grateful to the kids who were volunteered to fill teams and step outside their comfort zone at competitions, as it made our job a lot easier. And a big thanks to Mel, our parent liaison, and the other parents who helped with BBQ duties, set up and pack up, organising the kids, and transporting surf craft to competitions.

As the 2019/20 season state titles were cancelled, this was the first state titles of the Under 9 group. It was a big two days, but the children did fantastic and came away with some excellent results. Amazing work by Jethro who won silver in his wade final and making finals in many other events. Although he was our only medallist this year, the Under 9 kids made multiple team and individual finals, with many team water finals containing a West Beach team. Next year we will continue working on developing the kid's abilities across all events as well as adding to our already strong team spirit. Despite their fantastic work at state titles, the Under 9's have developed their skills in surf safety as well. Hopefully we will see them being patrolling members in the near future!

We look forward to what is to come in the 2021/22 season as the kids become big Under 10's!

UNDER 10

Greg Campbell and Abby Thomas

The 2020/21 Under 10 nipper season was typified by excellent numbers each week, new members, team spirit, fun and fitness! Throughout the entire 2020/21 season each member of the under 10's showed significant improvement in each discipline but more importantly appeared to enjoy each nipper session. The children continued to achieve their yellow and red patch's and each member of the Under 10's came to nippers and competitions with a great attitude and team spirit.

We had quite a few new faces to our group this season and they have been welcomed with open arms. Building our team spirit has been a big focus for us this season and this will continue to play a big part of our Saturday's and carnivals for many seasons to come. This was seen each Saturday with the group encouraging all members to have a go of every discipline then support each other with true enthusiasm. The children continued improving right through the season, whether it was becoming more confident on the boards, completing the distance run or completing the big swim.

Our team spirit award this season went to Harper Schell-McGillivray. Harper was new to our group this year and always had a smile on his face and never said no to anything asked of him. He jumped straight into competitions and loved every minute of it. Harper is well loved by everyone in the group. Our most improved award this season went to Jack Carn. Jack improved in

every area over the course of the season, from his swimming, to board paddling and running. He worked really hard at training this season and can't wait to see him continuing to improve next season. Best competitor girl this season went to Sophie Luttrell who came 6th in the distance run and best competitor boy went to Vincent Busolin. He came 6th in the distance run, was a part of the 6th place wade relay team and the silver medal winning beach relay team.

Thank you to all of the parents for their continuous support. We couldn't have completed this season without you. A special thanks to Krista for all her help as our parent liaison officer. You have done an amazing job and our parents were always very well informed with what was going on. Another special shout out to Mark Dogan for stepping up this season and helping us out at carnivals and states as another age manager.

We look forward to seeing all of the under 10's and their families back next season. Bring on under 11's!!!

UNDER 11

Sarah Price, Matt Carberry, Nat Scutchings

Season 20/21 we had 13 regular nippers and all competed this season. This was our most successful season so far. We had 12 make a semi-Final and 8 competed in a finals race at State Title.

We also had our largest group compete in March Past and R & R this season. We are looking forward to great success in coming season in these two events.

Our Board Team of Harrison, Lara and Gabriel came home with a Bronze medal.

Individual Boards, Harrison took out the Silver Medal with a great race.

Everyone gave each race their best, with Mia and Alex competing in their first ever State Titles.

Club Champion Male	Club Champion Female
1st Harrison Carberry	1st Lara Scutchings
2nd Gabriel Martel	2nd Ella Murray
3rd Zac Leonard Price	3rd Lily Sparrow

Success does not come without the support from a great group of parents getting behind the club and community. We have had helpers with uniform, water Cover, officials, covid-marshall and towing trailers.

This season also saw Nat Scutchings and Matt Carberry step up and help out with Age Managing.

Finally the biggest Thank you to Sally Linke for keeping us organised with all our duties and times / place to be. The best Age Group Manager.

UNDER 12

Brooke Mosely, Tereasa Robinson, Jocelyn Morrison-Butler

Club Champs

Winning overall girl saw Isabella Beaumont taking it home and Ginger Atanackovic placing in second as runner up, it sure was a close one these girls really gave each other a run for their money. However not as close as Caleb Illmer and Jay

Mackay with a near tie in best boy coming down to the club champ results and states, Caleb just took it home by 1 point from making one more semi-final than Jay. All these four competitors showed outstanding commitment throughout the season turning up to nearly every training, always giving training their all even when injured, having a bad day or when the weather is really pushing their limits. If you could put all these four in a race for first place it would sure be a tough battle. Girls placing in third and fourth sure did put up a battle for third, it was hard to keep count of their placings.

States Titles

Plenty of close medals in the girls' events really saw all of the athletes for states work harder for an attempt at receiving a medal. I am proud to say 90% of the West Beach under 12s at training and states are so well team spirited and mannered it is an honour to be their coach when they show so much commitment, determination and respect. I saw all the 12s push themselves to their limits at training, competitions and social interactions at both training and the U12/13 camp. It was really good to see those not competing in any state events volunteer to fill in for teams so that we could have two teams for every event, even those who were not particularly fond of the event.

Improvements and important notes

The U12/13 camp was really beneficial for the 12s as it really allowed them to form new friendships and strengthen already made friendships. The camp saw the kids have to work together in a wider team, listen to a variety of coaches and take on some responsibility.

Thank you

Huge thank you to all the parents that volunteered their time to assist in sausage sizzles, wash boards, water cover (Teresa) and hold gear. Bigger thank you to Teresa for stepping in halfway through the season to part age manage with

Brooke and Claire, along with taking photos and water covering and just being another mum for all the kids. Thanks to Nicola and Nigel for water cover and rounding up reluctant water cover volunteers and Anthony for smooth training sessions and having everything to go every Saturday and being so catering to my limited time to give due to work and University. And thank you Claire for informing the parents consistently even when your life was crazy, to ensure everyone knew what was going on.

Lastly thank you to Jocelyn for looking after the group for many years.

UNDER 13

Robert (Henry) Lawson, Marc Morrison-Butler

The 2020/21 season saw the return of a consistent core group of about 15 kids from early in the season. We also welcomed some newcomers to our group.

It was great to see so many of the regular faces especially after the turbulent last season due to covid.

The season started off well as we managed to get most of the red patches done in the first session thanks to the help of Nic and the water cover team.

We had great weather for most of the season so was really great for the kids having training for the majority of the Saturdays. We also had regular consistent turn outs for trainings on Monday and

Wednesday nights which definitely honed those kids skills

We had two awards to give out this year. We awarded our Most Improved medal to Georgie Copping. Georgie has really come into her own this year and the extra board trainings she attended really paid off. She has been a great runner for us in the various teams.

This year, our Team Spirit award was given to Maisy Pronk. Maisy has been with the group since U6s and is always at Saturday training and carnivals. This year during day 2 of states she was very sick and was unable to compete but she did battle through and make it to the Team events on Sunday.

Thank you to Anthony and Abby for the tremendous organisation throughout the year, Nic and her water cover team and a thank you to the club management for supporting the Nippers program.

We all had a very enjoyable Nippers presentation night and end our Nippers journey with some great memories and lifelong friendships

Education and Training

The season started with Covid restrictions preventing any training or proficiencies from starting till November and included restrictions on training numbers and hygiene requirements limiting the amount of awards run by the education team. These restrictions also prevented any ARTC training or assessments this season.

Dennis Hay announced his retirement from educational activities during the off season and with Heinrich Hofer working interstate the club had limited assessors and trainers for the 280 active members. Luckily we have trainers and assessors at West Beach that are willing to give up their time and I sincerely thank them for their time, effort and commitment over the season. Special thanks goes to Shayan Gunawardena, Heinrich Hofer, Sandra Conroy, Mike Hartas, Abby Thomas, Tracy Ellis and Robert Baker. Without them, we would not have active patrolling members or competitors and we are always looking for additional help in education. Please don't be afraid to come forward and assist with any training.

Proficiencies this season consisted of a large online component and a modified practical component with completion of the sections recorded using the assessing application. This significantly reduced the record keeping required by the club but was found to be problematic with many members required to be updated using Surfguard. Members award training and the state run bulk assessments both were interrupted this season due to covid outbreaks making it difficult to complete training through to assessment.

Congratulations go to Shayan Gunawardena for being selected as the West Beach Assessor of the year. His easy going personality, fantastic effort and nearly punctual assistance with assessing and training during the season was vital for the club operations.

Sandra Conroy completed her training award this season and trained the SRC group through to assessment. She then assisted with the training of the bronze group in the later part of the season and her willingness to assist and help out made her a vital part of the education team. Congratulations Sandra as Trainer of the Year

Training Officer – Bronze Medallion

Sandra Conroy

Certificate III in Public Safety

Lily Thomas

Silver Medallion Aquatic Rescue

James Butler, Hannah Day, Damien Ellis, Madelaine Hartas, Edward Newberry, Ellen Newberry, Zane Stevenson, Lily Thomas

Silver Medallion IRB Driver

James Butler and Maddie Hartas, Trained by Mike Hartas and Robert Baker

Water Rescue Craft Operator Certification

Max Richardson

IRB Crew Award

We had seven members complete the IRB crew award this season trained by Mike Hartas and assessed by Shayan Gunawardena

Sienna Robinson, Nathaniel Ellis, Mike Hartas (Trainer), Sebastian Hartas

SURF RESCUE CERTIFICATE (CPR ENDORSED)

Sandra Conroy trained fourteen members for the SRC award this season and were assessed by Graeme Cunningham.

Eilidh Jarrett, Amelia Boulden, Charlie Materne, Hallie Lockwood, Georgia Bonnici-Gully, Jack Bonnici-Gully, Lyla Fisher (not pic)

Hernan Martel, Hannah Elliott, Ella Carlaw, (Trained) Mike Hartas, Oscar Knott, Nathaniel Ellis

Lucy Beaumont, Joshua Goldie, Rylee Conroy, Nicole Martel, Aiden Carberry, Lachlan Campbell, Edie Benger, Zara Trim

Bronze Medallion Certificate

We had fifteen members complete the Bronze award this season trained by Shayan Gunawardena and Graeme Cunningham.

Abby Campbell, Hayley Conlon, Tayla Dawkins , Hannah Elliot, Nathaniel Ellis, Sebastian Hartas, Mia Helmling, Phillip Helmling, Jack Jenkin, Oscar Knott, Hernan Martel, Brad Price, Sienna Robinson, Babak Tavousi Tehrani, Martyn Wild

Graeme Cunningham

Surf Sports

After a disappointing end to the 2019-2020 Season with a number of State Championships and the Aussies being cancelled due to the COVID pandemic it was great to be able to get back out racing. Whilst the season was still restricted due to COVID with no State Team, with the exception of the ASRL, and no interstate travel for us until Aussies.

This Season saw the expansion of the Surf League concept at a State Level and there is a bright future for this concept to get bigger and better. West Beach again fielded two teams, the only club to do so, with many clubs making composite teams. West Beach finished 4th this year.

State Championship Events 2020-2021	
IRB	Not Contested
Juniors	8 th
Masters	4 th
Pool	Not Contested
Lifesaving Events	3 rd
Seniors	3 rd

Accredited Club Coaches

Swim, Board, Ski and Beach Report

Swim

The swim area has become increasingly stronger with a new wave of young competitors showing their dedication to the squad through their commitment to the 5am grind in the pool. The gap between Open competitors and the youth has not been so small in an area in many years, indicating a bright future for the Surf Club and the sport. The swim area makes up a large portion of events at State Titles which is why the upcoming crew is so vital to the team.

In the Opens, Georgia Zuill placed second in the Female Belt Race with Leah Jones finishing fifth and Matt Zuill placing third in the Male Surf Race. The open females showed their strength in the swim area, taking out the Rescue Tube Rescue and placing second in the Surf Teams, with the second teams finishing fourth in each event.

As expected the Youth age groups dominated in the swim discipline. The Under 14s saw Edie Benger, Lucy Beaumont and Zara Trim finish first, third and fifth in the Female Surf Race. In the Under 15s the Males were the stand out competitors taking out 5 of the top 10 positions, with Felix Atanackovic finishing sixth, Noah Pronk in third and Lochie Washington – this seasons Swim Area Award winner – placing second. Bringing the Under 14 and 15 age groups together for Surf Teams resulted in a Gold for the Males and a Silver for the Females.

The Swim Area is often a good indicator of the level of dedication of the team. It is no easy feat to complete the training required to compete at this level and it would not be possible without the support of the squad, coaches – both surf and pool – and parents. It is great to see the consistent commitment to training throughout the squad and we look forward to what is to come.

Board

The board area has had another outstanding season, again one of our club's greatest strengths. Many of our competitors showed strong commitment and dedication from winter training right through to the peak of the season. There were many great results from carnivals and interstate events, which lead to fantastic results at state titles.

Although the opens were unable to execute their individual board races at State Titles, they showed their strength and depth by taking out both the Open Female and Open Male Board Relays, with the female B team finishing 4th. The opens were also able to demonstrate their board paddling

skills throughout a number of relays, claiming a number of medals. In the senior age groups Billy Trim and Georgia Materne both finished sixth in their Under 17 Board Races and Stella Benger finishing fourth in the Under 19 Female Board Race.

The stand outs in the board area this season were the youth competitors. In the Under 14s age group, the female board race was taken out by Edie Benger with Zara Trim finishing third, while Aiden placed second in the male board final. The Under 15s finished with a number of top six placings, including Kelsey Lawson and Noah Pronk each finishing sixth, Daisy Trim finishing fifth, Lochie Washington finishing third and Felix Atanackovic – this seasons Board Area Award winner – taking out the gold. The youth squad were also able to come away with a third in the U15 Female Board Relay and the Males taking out two podium positions, first and third.

We would like to congratulate everyone on a fantastic season, it's great to see so much commitment and dedication from so many competitors. The West Beach spirit shown on the beach and around the club is nothing short of amazing. We would also like to thank Pete and Steve for the time and effort they put into coaching throughout the season. Without their commitment, along with all the parents and support crew, this area would not thrive the way that it does. We look forward to many more great results in seasons to come.

Ski

The ski section for many years has been one of our areas of strength. This season we had a smaller group of paddlers out at training but still had lots of improvements and many good results. State titles was a highlight with many clubs improving in their ski areas and some tough competition.

The open male ski is always a hard and fast race. Matt Zuill had an awesome paddle and with a close finish he placed 3rd at states with Chris

Kither just behind him in 4th place. Owen McLeod, Chris Kither and Glenn Rypp teamed up in the ski relay and came in 2nd place. The double ski is another tough race in the male area; Owen and Glenn also had a close finish and took home 2nd place. The under 17 boys, Eddie Newberry, Billy Trim and Mikey Hettner got bronze in their ski relay.

The female area also had some tough competition. Georgia Zuill paddled well all season and unfortunately narrowly missed out on a podium finish. She placed 5th in the open female individual ski with Alyson Hettner just behind her in 6th place. Georgia, Aly and Jess Ireland teamed up for the ski relay and all paddled well, taking home the silver medal. Georgia Zuill was the winner of the West Beach ski award this season. Whilst she was a bit disappointed with her individual ski race, she had some great ski paddles throughout the state titles weekend. She lead her team mates off to a great start in the female taplin and mix taplin relays which both ended up with silver medals. She was consistent throughout the season and also placed 3rd in the open women's iron. Well done Georgia.

Beach

This season the beach area was dominated by our youth competitors. We had lots of great results at state titles, including many top 3 placings in sprints, flags, 2k run and beach relays. It was nice to see the double blue West Beach caps back on the sprint track and was a great start to our state titles competition.

The beach events for state titles were held on the Friday night at Glenelg beach. The night started off with the youth individual sprints, this was where we saw the under 14's and 15's give it their all. Joshua Goldie and Sascha Williams both came home with the silver medal in the under 14 & under 15 individual sprint. Seb Hartas also had a great run in the under 16's age group and finished in 1st place. Stella Bengner came 3rd, with a tight finish in the under 19's beach sprint.

The beach relays were tough races, both youth male and female teams narrowly missed out on podium finishes, coming in a close 4th place. The mixed beach relay was a new event this year and it was great to see the boys and girls teaming up. Our youth team of Felix Atanackovic, Joshua Goldie, Kelsea Lawson and Sascha Williams all ran really well and finished in 2nd place, taking home the silver medal.

We had less competitors in the flag area but still ended up with great results. Nicole Martel took home gold in the under 14 flags and Sascha Williams finished off her night with silver in the under 15 flags. Seb Hartas added another gold to his collection and finished 1st in the under 16 flags.

The 2km run has been a strong event for our club over the past few years. Aiden Carberry and Edie Bengner dominated the under 14's and both took home the gold medal. Stella Bengner followed her sister and also finished in 1st place in the under 19 2k run. Jess Ireland was our only open competitor for this event and finished in 3rd place. The 2x1k relay was another new event this season. Ben and Matt Zuill teamed up together and finished in 1st place in the open mens, with Stella Bengner and Millie Brown also taking 1st place in the under 19 2x1k. Kelsea Lawson and Edie Bengner had a tough race and finished in 3rd place.

The season finished up with the Australian Titles on the Sunshine Coast. We had a strong youth team heading over for their first Aussies competition. A highlight of the season was Aiden Carberry getting the bronze medal in the under 14 2k run. Many of us know that Australian medals are extremely hard to come by and hard to even come close. Aiden had a tough race with a sprint to the finish line and managed to hold onto 3rd place. What a great achievement. Well done Aiden. Aiden was a worthy winner of our 2020/2021 beach award. It was fantastic to see many great results in the beach area this season and I look forward to seeing what we can do next season!

Surf Boats

The Boat Area had another strong season with many great results. As well as fielding a large number of crews at Masters again, we saw another increase in the number of Teams rowing at Senior States.

There were some outstanding results at Senior States, notably the U19 Crew (Sand Sharks) winning Gold in not only their Age Group, but also in the Open Male Reserve category and then backing those up with a Gold in the Boat Relay.

Nick Carter has done a bucketload of work to keep the boats in good nick – no pun intended.

State & National Representation

Our U19 Male crew, Sand Sharks (Edward Newberry, Henry Jenkin, Oliver Varney, Ryan Searle and Sam Molloy) earned state team selection in their first full season rowing.

The U23 Crew (IndecentSea) just missed selection this season due to some bad luck in racing and a disrupted training season.

At Aussies we had two Masters Crews racing and gaining great experience. Thanks to Greg Humphries for towing the Boat Trailer to the Sunshine Coast and back. The Female crew had some great races in testing conditions to win a Silver Medal.
