President's Report

This year saw the milestone event where the old Club Building got demolished and the foundations laid for the new Club Facility. This meant another season of interruption to all our Patrolling and Competing Members as well as our Junior Programme.

The redevelopment is due to be completed before the start of the 23-24 summer season which should make for much smoother operations.

I would again like to thank Julie Goldner for her continuing work in her role as Club Secretary, especially with the coordination of the Annual Presentation Night. This year the night was a cocktail function and was again well supported by many club members.

Club Person of the Year was awarded to Bob Baker, recognising, once again, the extra-ordinary effort, performed by him, across many areas of the clubs activities.

Finance and Commercial

The turnover recorded this year was significantly impacted by the demolition of the old Club. This was expected and the decision to acquire Beachside as an interim location seems to have been a good one.

Dave Afford, Norm Collins and the Staff worked hard to adapt to the new locality and the support from Club members of this site has been overwhelming.

Compliance and Marketing

Christine Newberry again managed the very important area of Compliance along with the portfolio of Partnerships this year. Each year the amount of compliance work required to keep the Club running increases.

Strategy and Risk

Jon Westover joined the Board this season and was primarily focussed on updating the Clubs Strategic

Plan. This is being rolled out to members now and is a timely milestone as we prepare to take over occupancy in the new Club Facility.

Lifesaving Operations

This season the portfolios of Lifesaving Services and Education and Training were taken on by Ellen Newberry in her first time on the Board. As with other Operational areas in the club, these services were significantly impacted by the club redevelopment.

Facilities

Ben Lawrance continued in the Facilities role and had the huge challenge this year in managing the exit from the old club rooms and the setup of our facilities at Beachside. A great achievement by Ben to get this done so smoothly. The challenge this season is to complete the move back into the new facility.

Youth Development

This was Sarah's first year on the Board and in the role of Director of Youth Development. This was a challenging year for the Nippers due to the club redevelopment and involved having to work from trailers each Saturday.

Surf Sports

Another successful year in Surf Sports overseen by Jenni Carberry once again. West Beach again performed well at both State and National levels of competition with good representation on the State Teams and the National Surf League Teams.

Finance

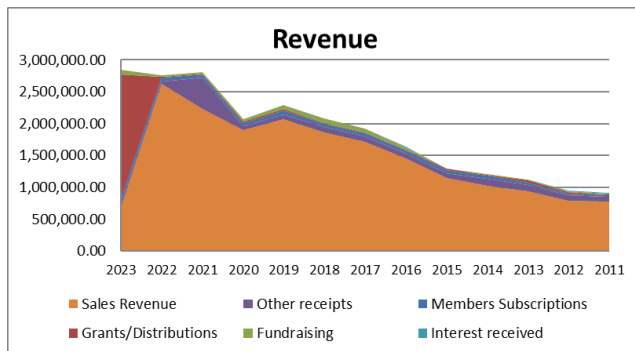

Financial income for the 2022/2023 season was significantly impacted by the demolishing of the old Club and the subsequent write-off of a large number of Assets as well as the limited trading period of May to July.

The Café showed a turnover this year of \$652,705 generating an operating profit of \$44,135. This is still quite a good result given the closure of the Café from July 2022.

Entire Club Revenue this season was \$2,840,556, primarily due to the council contributions to the new Club Build.

Breakdown of income

| Income | Amount |
|-----------------------|--------------------|
| Members Subscriptions | \$65,425 |
| Grants/Distributions | \$1,954,822 |
| Fundraising | \$73,584 |
| Other receipts | \$61,316 |
| Sales Revenue | \$685,183 |
| Interest received | \$224 |
| Total | \$2,840,556 |

Clothing and merchandise returned a profit again this season of \$8,620.

Total cash on hand, including the load to Beachside in 2022/2023 was \$1,116,288. The performance at Beachside this season saw a repayment of \$200,000 off the loan to the Club.

Finance Director
David Afford

Facilities

Wow, what a year for Facilities and the West Beach Surf Club. We were getting over Covid and deciding on the best contractor for the rebuild at the beginning of the year. Then we had to move, and move we did. In July 2022 all the plans moving from our old club to Beachside actually worked. It could not have been completed if it wasn't for the dedication and comradery of our Club members.

Who would ever consider taking apart a cool room and reassembling it in another location? No one is the answer, however, we did it. What a sensational effort this was. The rumours are false, we are not taking it to the new club. The day of the move, many members made themselves available to take every item from the club to Beachside in a conga line procession along West Beach Road.

The transition to Beachside went smoothly for our Commercial facility. New bar was built, cool room and freezer dismantled and reassembled, kitchen was revamped, containers moved and our members had a new interim facility to continue as a community hub for them and the general public.

The transition of all our life saving equipment was another major issue. Our main shed was full, so we had to find somewhere for everything to go. The Henley Sailing Club offered some space where we

kept the IRB's and associated equipment. This has been fantastic location to use as the main hub for patrols this last year. However, we had more stuff and the Verve Group came to our rescue and allowed us to store "stuff" in their shed in Glenelg.

Of course, we had a number of trailers which are used on a weekly/daily basis. A lot of shuffling and towing went on all year and again, all members worked together to make it all work. A few teething problems were sorted out straight away with little effort to continue the operation of our fragmented facility of the WBSLSC.

All year our dedicated team of maintenance engineers were fixing, welding, cleaning, and providing advice on all types of issues. We have built up and drastically improved the facility of Beachside and added capital equipment for minimum cost. It has been a great testament to the membership of our West Beach Surf Club.

Thank you to all Board members who all work tirelessly for our great club. And a special thank you to Peter and Dave who will be leaving the Board this year, their contribution has been immeasurable.

Ben Lawrence
Director of Facilities

Commercial Operations

We left our old club that was home for 59 years half way through the 2022 year and consolidated our commercial operations at our Beachside Restaurant.

Our main focus to do this was to keep a base for a club so we could keep and strengthen our club ethos and culture. It does appear this has happened due to the support of each and every one of our members.

Whilst this was our main focus we also wanted to improve our professional standard of quality and hospitality and use Beachside as a training ground to get us closer to perfection for our new club, this has and still does involve in training our staff to a high level and coming up with new food ideas in flavour, presentation and speedy delivery to our customers. In hindsight we would of struggled to get staff(due to covid changing the world and peoples outlooks) for our new club as well as having a plan on how to go forward with an exciting menu, service and our homely club feel.

Beachside has also kept us with a constant revenue which has helped us get by day by day and leave

some to help pay off some of our build debt. We are constantly changing the menu as we know by our individual home costs everything has blown out in cost eg dairy up 40% seafood up 35% vegetables 20% protein 45% as well as an increase of 8% just in alcohol tax which then goes up with CPI this is before we get to increases in power, gas services and wages.

Our main focus is on lifting our standards whilst being very conscious we are a family club and want our prices to reflect that now and going forward as well as raise and keep enough income to pay of future costs for a new club with our focus being on keeping our lifesaving, equipment standards and training at a level that no others have (as we have the passion to do this). I would like to thank all our staff for the efforts they have put in. Whilst they are paid, please don't lose sight that they all go above and beyond what most employees will do and are passionate about our/their club.

Norm Collins
Director of Commercial Operations

Strategy, Risk and Audit

Strategy

Over the last ~ 6 months the Board has prepared a Club strategy. This process was facilitated by Sam Malloy and I, and developed with input from several sources including, youth and senior members, youth leaders and the Board themselves. The strategy document has now been completed and we have moved into the execution phase, which will be delivered through the club's members.

Any member that requires the full strategy pack please contact the club secretary Julie Goldner or me (jon@westbeachslsc.com.au)

Summary.

Against each of the five strategies above, initial action plans have been drafted for 1, 2 and 3 years respectively. These will be the starting point for each workgroup as detailed below.

The communication process has commenced with an initial message from the President, followed by updates against each of the sections shown (purpose, vision, strategies etc). This initial update will be completed by the end of May and shared with all members.

In parallel we are launching the implementation phase where we are seeking members to be involved in small groups; each comprising a non-Board group leader (youth or senior member), a Board member to provide support and other members from within the club. Each of these team leaders will be briefed by Sam and myself about what has been prepared to date and proposed activities against each of the 5 strategies, the teams will then be free to use these as a starting point and develop an action plan themselves for the next 12 months.

Every month each team leader will be required to provide a quick update about status, work completed, any support or help required that they can't resolve and the workplan for the next month. These updates will be shared with the board. Status summaries will also be shared with all members at least quarterly.

If anyone would like to be involved, please contact the Secretary or myself, we can then advise next steps. This is a great opportunity for any member young or old who wants to contribute and shape the future of the club, please get involved and share your knowledge and ideas for WBSLSC!

Contacts.

Jon Westover (jon@westbeachslsc.com.au) or

Julie Goldner (secretary@westbeachslsc.com.au), club secretary.

Building

The Building project is the largest in the club's history. With funding from the club, local council, State and Federal sources the build has commenced and is on track to be completed in Oct/Nov. The end date will depend on winter weather as this will seriously impact building operations until such a time that the external building envelope itself is completed.

The Project is being managed with Governance through the Board and work groups.

| What | Role |
|---|---|
| Board | Ultimately accountable for the Building Project Oversight of project delivery (schedule, scope and cost) Communication to SLSC Members Expenditure approval and payments. Securing funds from external bodies & Bank Loans Coordination of funding with any income derived through New \$2M clubhouse fundraising Coordination of Build with other SLSC activities |
| Building Redevelopment group (BRG) | Liaison with Board Management of Build work package through PCG Provision of status report Coordination of non Partek Project works with Partek Milestone delivery approval Approval of changes and variations to cost and schedule Oversight and steering of Building works BRG Members Project Manager ; John K Member reps (WBSLSC) ; Scott S, Tim M, Richard W, Stephen P Board reps ; Peter Z, Sarah K, Jon W |
| Builder - Partek | Project Manager; Max Proud Construction Manager ; John Hinkelthen Liaison ; Brendon Evans |

In addition, non-building work packages have been developed.

| | Leader |
|--|--------------------|
| Racking and Storage | Stephen Perry |
| Gym and Training | Dave Afford |
| Shark Siren & Audio Visual | Christine Newberry |
| Solar Panels | Ben Lawrance |
| Furniture | Norm Collins |
| Kit /Bar equipment Beer and Coke Systems | Norm Collins |
| Cool rooms | Norm Collins |
| Transition and relocation plan | Ben Lawrance |

These leaders and teams have been progressing work against each of these areas; in turn the works are being integrated within the Building project itself and managed under the same Project Governance.

Project Cost summary (as at end March (April results not available at time of writing))

| Budget Categories | Budget \$ | Actual Spend \$ | Spend to go \$ |
|---|---------------------|------------------|------------------|
| Total Redevelopment Cost | 8,367,153 | 2,351,631 | 6,005,909 |
| Total Cost Estimate inc Additional Council Contribution | 8,652,153 | 2,173,678 | 6,478,475 |
| Non Building work packages | Cost (\$000) | Comments | |
| Sub-Total | 368,700 | | |
| Surplus Funds available from club & additional loans | 802,000 | | |
| Note; | | | |
| 1. Building costs will potentially exceed Budget depending on variations through the remainder of the project | | | |
| 2. With existing funds (inc loans) club has adequate reserves to fund non build items and any building over-run | | | |
| 3. No fund raising included in these figures | | | |

Jon Westover
Director Strategy, Risk and Audit

Compliance and Partnerships

Compliance and governance are hugely complex areas involving many facets of the law, both State and Federally and navigation in a volunteer organisations is often difficult. We are a member of Clubs SA Clubs SA which is the official industry body representing the interests of licensed Clubs in this State. Clubs SA's major platform has been to effect change to government legislation to enable Clubs to become more self-sufficient over the long term, and to provide a recognised infrastructure for the active support and promotion of sport and community events across the Club industry.

As a Club, we adhere to a variety of State and National legislation including managing and comply with the Children Protection Act 1993 and follow the requirements with Working with Children Checks (WWCC) managed by the Department of Human Services. Their website has been recently amended and now states:

Working With Children Check

Clubs and associations with significant membership or involvement of children

All workers and volunteers need a Working with Children Check regardless of whether they have direct contact with children.

Compliance

Compliance means we are governed by laws, and we must comply with them.

In 2022/2023 we have achieved full compliance with SLSSA's requirements regarding SLSA Member Protection Policy 6.05 WWCC and NPC Requirements.

We submitted 88 WWCC on behalf of our members and have recorded 168 WWCC and registered an interest in these volunteers via the Department of Human Services portal.

What this means is that there is a direct notification process between the club and the DHS after a WWCC is granted. Any information sources

(from bodies including SA Police and Department for Child Protection) monitor any new information relevant to a person's check status and the club would be notified a person's clearance status is changed or revoked, versus the club relying on an individual to complete this notification process.

In terms of how we operate as a club and a board, we are very aware of our transparency.

In simplest terms, transparency means having nothing to hide. This means a business will allow its processes and transactions observable to outsiders. It also makes necessary disclosures, informs everyone affected about its decisions, and complies with legal requirements. We have implemented new processes such as having National Police Checks for key volunteers who partake in financial transactions for the club. Transparency is a critical component for governance because it ensures all our actions can be checked at any given time by an outside observer. This makes its processes and transactions verifiable, so if a question does come up about a step, we can provide a clear answer. All stakeholders and members have the right to know about the direction we are headed.

Accountability

It takes more than transparency to build integrity. It also takes accountability. Accountability can have a negative connotation because many people associate it with blame. "Who's responsible for when something goes wrong?" - but accountability is more than that. It's about having ownership over one's actions whether the consequences are good or bad. Accountability covers not only failings, but also accomplishments. Our strategic planning gives us transparency and accountability.

The Board is responsible for taking all reasonable steps to ensure that the law is observed. We do this by establishing and following proper procedures that, if followed, would be effective in preventing legal breaches (as a worst case).

Partnerships

With the demolition of the club, we anticipate an influx of new partnerships to support the club. We are very thankful for those sponsors who have provided us invaluable support for a significant period of time.

As a community we say thank you.

Our current sponsors are:

Azcon Homes

City of Charles Sturt Council

Community Bank, West Beach, Bendigo Bank

Healthy collective

3 Rings

Henley Beach Sailing Club

Ray White Henley Beach

Think Big

Verve Group

I would like to thank the Board for their support this season. In particular I would like to recognise the support of those members who are completing their terms, and not seeking re-election. Working as a team for the past 11 years, we have seen many events, successes, challenges and transitions and they have all been thoroughly enjoyable.

I am looking forward to our next season.

Christine Newberry

Director of Compliance and Partnerships

Lifesaving Services

As the 2022/23 surf life saving season comes to the end, the West Beach Surf Club's vision of "a safe beach and healthy community through excellence in skills and culture" takes on even greater significance.

This season was challenging with no club rooms but our members adapted, showing resilience and commitment. Our equipment was located in shipping containers behind Beachside, shipping containers in the car park and at the Henley Sailing Club. A big thank you to Marcus Cooper from the Henley Sailing with their assistance this season.

We had 10 patrol groups looking after our beach with our patrolling members achieving over 6,000 hours this summer. I would like to thank all of our Patrol Captains, Vice Captains and Patrolling Members this season, especially our new Patrol Captains and new vice captains. If you are willing to become a patrol captain please contact the lifesaving services director.

This year we had some special events as well such as the Australia Day Lights on the Water, our Pink and Blue Swim and the flood response team assisting with the Murray River Floods. A big thank you to Bob Baker, James Butler and Steve Pugliese for assisting with the flood response team.

Thank you to the lifesaving services team which filled critical roles making sure the equipment was always ready for operation

and there was always first aid supplies available.

- Brian Burrows – Radio Officer
- Darren Tinkham - Emergency Responder
- Greg Perry – Emergency Responder
- Jim Hettner – Emergency Responder
- Peter Zuill – Emergency Responder
- Robert Baker – Power craft and ATV officer
- Sonya Pugliese – First Aid Officer
- Steve Pugliese – ART Officer & Emergency Responder
- Warren Fry – Gear Steward

A special thank you to Jacqui Pugsley with all her behind the scenes work. Jacqui helped with rostering and entering everyone hours in to surf guard.

SRC Graduates Award

Ethan Mangos was the recipient of the SRC Graduate award. This season Ethan assisted with nippers water cover, water cover at carnivals, filled in for substitute patrols and assisted at the hot weather day patrol. Ethan is a reliable and committed young man who holds the necessary traits to become a future leader at the club.

Most Patrol Hours

This season the most patrol hours goes to a patrolling member who assisted with not only her own rostered patrols but Saturday watercover, substitute patrols, the pink and blue swim and Christmas day patrol. Congratulations to Leila Nazimi on 99.83 patrol hours this season.

Best Youth Patrol Member

Rylee Conroy was a worthy recipient of the Best Patrol Person. This season Rylee has assisted with Saturday water cover, is always willing to lend a hand on patrol, has helped out with bronze and SRC trainings, is a role model to the youth of the club, achieving a total of 33 patrol hours this season.

Best Patrol Member

Jacqui Pugsely was the recipient of the Best Patrol Member for the 2022/23 season. Jacqui is quickly becoming a well known face at the club. She is always assisting in the IRB, always on the beach, always the first to put her hand up to help out. In Jacqui's second season as a Patrolling Member at the club she achieved

90.5 patrolling hours as well as assisting with patrol rostering and entering patrols into surguard.

Patrol Group of the Year

This season the patrol group of the year was assessed differently. The award was based on a weighted average of 60% attendance, 20% of nipper support (hours outside of rostered patrols assisting with the nipper groups) and 20% of average volunteer substitutes. The winner this season was Foxtrot, captained by Damien Ellis. This group had a 78% attendance rate of their rostered patrol and 54 hours of nipper support. Foxtrot has a mix of new Bronze Medallion holders as well as some experienced surf life savers.

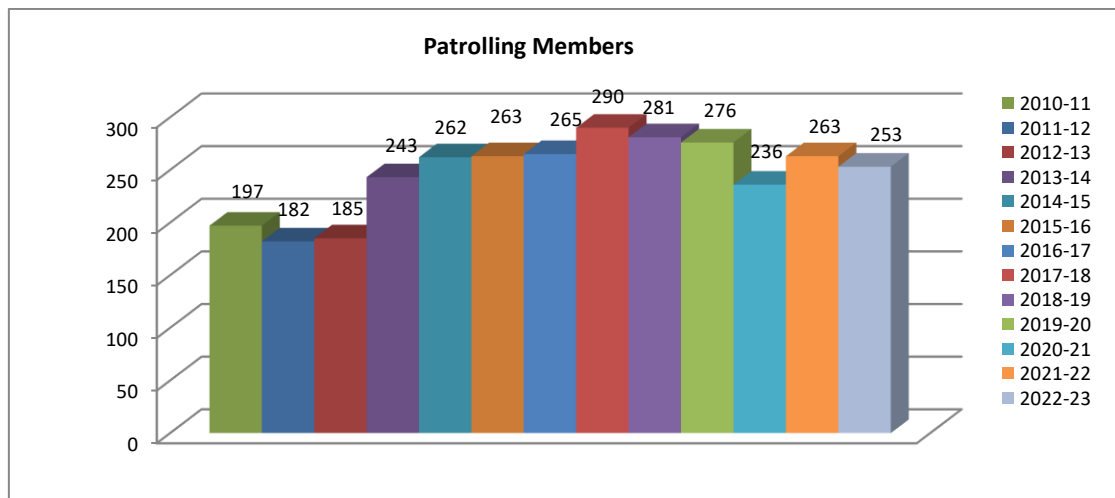

I would like to thank everyone again for their help this season and thank all patrolling members for their patience whilst we have no club rooms. I hope everyone has a safe winter and I am looking forward to working with everyone again next season.

#Years Service is the number of seasons where a member has performed 22.25 or more patrol hours at the club in one season prior to 2011 and 16 or more patrol hours from 2012.
Records of patrol hours are not available for a number of years prior to 1975

Junior and Youth Development

The 2022/23 season was an interesting exercise in logistics, while we operated from four trailers and the Surf Avenue carpark entrance. It's impossible to name every person who contributed to the success of the season, however the extraordinary commitment from our Age Group Managers, Parent Liaisons, Water Cover, Uniform/BBQ guru Rachel Bell, carnival officials and photographers, coaches, junior committee members, 'Come and Try' support and others meant that we grew in numbers across what on paper felt like an impossible ask.

A short summary of the season in statistics:

- 225 Nippers
- 20 sessions plus coaching
- 9 Come and Try Sessions
- 1 mini-cyclone
- Hundreds of kilos of sausages
- Thousands of donuts
- Runner-up State Champion!

In August, we held our annual family quiz night, which along with our information session in September provided a great way for our families to connect ahead of the start of the season.

Our first session of the year was at Immanuel, which allowed us to undertake assessments, and get our groups together for some getting to know you activities.

November saw our Under 12/13 group attend our camp at West Beach caravan park. This coincided

with the mini-cyclone that tore through West Beach – but our nippers rose to the occasion and provided support to fellow caravan park residents.

In December, we attended our first Junior Carnival, and celebrated the holidays with a visit and gifts from Santa.

In January our Nippers were part of the Recognition of Country Parade, which was a fantastic opportunity to showcase the kids march past skills, and link in with other community groups. In February that community emphasis continued as we hosted families from Camp Quality and many members participated in and helped with the Pink and Blue swim. Also in February we had two silver medallists from the Under 13 group for the state Champion Lifesaver.

We wrapped up the end of our season in March, with our internal club championships, pasta night, and the final two days of state championships. We worked very hard across the season to position ourselves well to meet all five of the new championship criteria, and I'm so proud of our result as Runner Up State Champion.

2023/24 will provide new challenges for the team as we transition in to our new home, and all that entails. With the learnings from 2022/23, we are well positioned to have continued success in the junior program.

Sarah Kemp
Director of Junior & Youth Development

UNDER 6 and UNDER 7

Stephen Perry and Katy Osborne

Water activities played a large part of the kids time and effort on Saturday sessions. This is not to say they were deprived of beach skills, completing flags, sprints and distance running to help improve their fitness and coordination. But it is in the water they all found their love for the surf. The kids were enthusiastic if not a little nervous if the conditions blew up a little bit, but they all got in and had a go.

This was only possible because of the support of the parents who rallied behind the leadership team and the kids to give them the best experiences possible. We always had enough water cover and willing parents to get out in the water and this made it easier to coordinate at times 50 young souls under our care.

I would like to thank the parents who completed courses for water safety including those who committed to the Bronze medallion. This helps enormously moving forward through the years as it is an integral part of support for the kids as they venture further into the ocean. One of the highlights was watching the nipper boards file around the parents in the water and back to shore where more parents would direct and recover boards for the next line of kids to have a go. All eyes were on the kids and the kids excitement and joy was plain to see.

I would especially like to thank Katy for her commitment and support this year as it was a larger group than most with both the u6 and u7 combined. We wouldn't have been able to continue without her professionalism in managing the constant communication streams and calm demeanor in the face of 50 kids.

In another light it was a different and at times difficult season for the u6's u7's starting out in surf lifesaving without a club to retire to after. The benefit of heading back to a club to create and build bonds with other parents and for the kids to strengthen their friendships in play cannot be underestimated, and I personally look forward to

getting to meet more of you next season after nippers.

Summing up the year, I loved taking the kids and was so impressed by the growth and development of all the kids from the u5's through u6's to u7's. This group has a great future moving forward and although I wont be the age manager for the current u7's as I will be staying with my daughter and next years u7's, I feel we have given them skills and confidence to be a strong age group for their first year of competition.

Thanks again for a great season

UNDER 8

Sally Linke

2022-23 season for the Under 8's was BIG and busy! Not only is a group of 32 registered Nippers big, but with no club rooms, wild weather to start the season, Saturday sessions, a gradual increase in 'competition evaluations' who in turn joined Monday board trainings, an U8 dinner /disco and a busy carnival calendar, there was no time for thinking small!

'Big and busy' created a positive vibe within this group of both Nippers and parents. Having the week-to-week format worked well for us as a group, and essentially because of U8 group size, our own water area for swims and boards was really of huge benefit. Like all groups, the U8's enjoyed 'water time' when the weather was at its best, however because of the range of skill and

experience, having a separate 'water area', was the best and safe practice.

Every Saturday there has always been a very strong turnout from 22-24 children. Most of the families were returning members with siblings in other groups. There was a handful of families new to the club who have transitioned well.

What is most rewarding is seeing the improvement over the season. As the U8 Nippers improved in both water skills and in confidence levels, so did carnival enthusiasm and water event attendance. Below is the total amount that attended each carnival and break down of girls and boys:

Grange Carnival – 20 attending (12 girls + 8 boys)

Somerton Carnival – 18 attending (10 girls + 8 boys)

Glenelg Carnival – 17 attending (9 girls + 8 boys)

Normanville Carnival - 18 attending (10 girls + 8 boys)

Semaphore Day 1 States – 22 attending (11 girls + 10 boys)

Port Noarlunga Day 2 States – 17 attending (9 girls + 8 boys)

Port Noarlunga Day 3 States – 17 attending (10 girls + 7 boys)

The division split is always tricky when nominating competitors, and something I improved on from carnival to carnival. I have learnt that being more vigilant with recording Saturday's event outcomes will also help for next season.

We had some great 'States' results; some medals in division 2 & 3, and top ten results in division 1. A very impressive outcome for first year competitors. Each competitor received a certificate of their results from 'Meet the Director' so parents could see and give competitors goals to work on for next season.

Lastly, it could not have been such a successful season without Ly Galanos our parent liaison / age

manager #2. She managed the SPOND App., our 'sign on and off's' week to week and organised our dinner /disco night. Ly is a great asset to the u8 team. To all the other volunteers and parents who helped with water cover, set ups, pack downs, flags, thank you!

Your help is vital to a successful session.

Well done U8's, see you next season!

UNDER 9

Sarah Tinkham
Brad Price

Season 2022-23 saw another season of growth for our group who numbered 23 this year. Our nippers displayed great attitude all season and a desire to improve which along with their strong team spirit and positive energy make them an enjoyable group to manage and seeing them develop confidence and ability over the course of a season is rewarding for all involved.

Carnival season saw some strong results, with several placings during the season and a couple of medals at states, with Anastasia R winning gold in the Div 3 wade and Jess G securing a silver in the Div 2 sprint. With several 4th places in Div 1 events we were a little unlucky to not come away with some more medals, however we were extremely proud of the way our team raced and can see their determination to go even better next year.

Once again, many thanks to those parents who give their effort and time each week to help out in

particular Nicky Price for being our Parent Liason Officer and carnival photographer again, Matt Sharman and Sarah Price for their water cover support and fulfilling our carnival officiating roles as well as all those who helped out with our set-up, pack-up and BBQ duties.

We also have a couple of parents who are on track to obtain their Bronze Medallion or carnival official qualification in time for next season and have indicated they wish to help out further which is greatly appreciated.

Finally, thanks again for the opportunity to help develop and guide this great bunch of nippers, they really are a pleasure to be around and we are super excited to see them flourish with the new clubrooms as Under 10's next summer. Bring it on!.

UNDER 10

Mel Davis-Bishop

Ruby Thomas

Thank you to our awesome Under 10 nippers and their families on another fun and successful season.

Congratulations to all the children for their efforts in gaining their 'Surf Safe I' award, learning new skills and improving their abilities. Special mention to our new members this season – Addy, Bella, Hamish, Sophia & Tom...you are all working so hard and it has been a pleasure to welcome you to our team.

Saturday sessions continued to build skills and challenge abilities, not the least of which was the 'big swim' – all of our Under 10s have done this.

Watching their confidence grow each week has been a definite highlight for us.

Similarly, the group's grasp and understanding of surf life saving equipment, practices and theory has been fantastic. Gradually building their knowledge each season will make for well prepared patrolling members in a few years time.

With more carnivals this season, almost all of our group participated in at least one carnival, whether it be the local area or state based event. By state championships, we had 19 children participate who all tried their hardest, demonstrated great team camaraderie and sporting behaviour. They certainly appreciated that 'the harder you work, the luckier you get' with many outstanding results achieved. It was also encouraging to have a number of our group learn and participate in Rescue and Resuscitation (RnR) and March Past – there is a pathway for everyone in surf life saving.

Thank you again to our wonderful families who helped on Saturdays, at carnivals, off the beach and at other training/events. It is truly appreciated and we'd love everyone to help out in some way to make lighter work for all.

Keep being amazing kids, we love being your leaders and are looking forward to another fun season in 2023-24.

UNDER 11

Lily Thomas

This season was very exciting for the Under 11 group, with a whopping 8 additions to our team!

Once again, we focussed on self-development, sportsmanship, and participation throughout all surf lifesaving disciplines, with the intention for them to become competent patrolling lifesavers in the future. Another highlight of the season was watching strong friendships continue to evolve between the kids, and it was fantastic to see how they openly welcomed the children new to West Beach SLSC. Our group had the highest percentage of kids continue in Surf Lifesaving from the 2021/22

season, and I am sure that we will be seeing nearly all the group back again as Under 12s!

At the beginning of the season, we introduced the group to goal setting and each child set themselves a few goals that they hoped to achieve by State Titles relating to athletic performance, friendships, participation, training, etc. This was very successful, in that most of the kids were able to achieve at least one of their goals and they all saw significant improvements across all aspects of Surf Lifesaving.

Though we have grown in numbers since last season, the Under 11 team is quite small in comparison to the other age groups. This has meant that we also don't win as many medals, unfortunately. However, I am incredibly proud of the team's achievements at State Titles this season (so are they) and our medal wins are listed below.

- 2nd in Division 2 Female 800m Distance Run
- 3rd in Division 2 Female 800m Distance Run
- 3rd in Division 2 Male 800m Distance Run
- 1st in Division 2 Mixed Swim Teams

This season also came with some exciting changes for our group, such as being able to compete in the Individual Ironperson event and using fibreglass boards. Though some kids are still adjusting to these boards, they all feel very grown up using them! I am sure they are even more excited for Board Rescue as Under 12s when the 2023/24 season begins!

A big thank you to the parents that helped with age managing, nippers set up and pack up, water cover, BBQ duty, officiating at carnivals, and wrangling the kids for me! We will try to get some more parent volunteers in October.

The Under 11 team is a fantastic group of kids that I am very grateful to be able to coach, and I am sure they are all very excited for next season to begin.

UNDER 12

Abby Thomas

During the 2022/23 Under 12 nipper season we had strong numbers each week, new members, team spirit, fun and fitness! Throughout the entire 2022/23 season each member of the under 12's showed significant improvement in each discipline but more importantly appeared to enjoy each nipper session. The children continued to achieve their yellow and red patch's, with many completing more than one swim each week and each member of the Under 12's came to nippers and competitions with a great attitude and team spirit.

We had quite a few new faces to our group this season and they have been welcomed with open arms. Building our team spirit has been a big focus

for us this season and this will continue to play a big part of our Saturday's and carnivals for many seasons to come. This was seen each Saturday with the group encouraging all members to have a go of every discipline then support each other with true enthusiasm. The children continued improving right through the season, whether it was becoming more confident on the boards, completing the distance run or completing the big swim. This season the U12s were able to compete in board rescue for the first time.

Our team spirit award this season went to Harper McLean. Harper is a new member to our U12 family, this being her first season. Harper demonstrates team spirit both at training and carnivals. She embodies what it is like to be a West Beach nipper. She will give everything a go and will put 100% into all her trainings and competition, even attending extra board and running trainings.

Our most improved award this season went Sophie Luttrell, Sophie has improved massively this season in her swimming and board paddling. She has been attending extra board training and swimming every week. Sophie won her first medal in the board relay with Harry and Vinnie. I'm excited to watch her continue to improve and get better next season. Surf Sports girl this season went to Paris Mangos, Paris won her first medal in the div 2 distance run, getting silver after an incredible run. Surf Sports boy went to Vincent Busolin. He came 2nd in the div 1 distance run, 4th in div 1 flags and 4th in div 2 sprints, was a part of the 2nd place beach relay team, 3rd place board relay team.

Thank you to all of the parents for their continuous support. We couldn't have completed this season without you. Big thanks to Lachie Campbell and Abby Harkness who helped age manage this season. Additionally, Dan Keough who was our parent liaison officer for the U12s. Thank you for keeping the U12 families organised. We look forward to seeing all of the under 12's and their families back next season. Bring on under 13's!!!

Education and Training

Education in surf lifesaving is essential to ensure the safety of both beachgoers and the volunteers who serve as volunteer lifesavers. Patrolling Members with proper education and training have the skills to recognize and respond to potential dangers on our home beach or at any beach we visit, before they become life-threatening.

I would like to thank our fantastic team of trainers and assessors, in particular Abby Thomas, Graeme Cunningham, Sandy Conroy and Shayan Gunawardena for all their efforts and help this season in training these groups and the other people behind the scenes that helped them.

Similarly, to last year, proficiencies this season consisted of a small online component and a practical component. A special thank you to Immanuel College for allowing us to complete portion of our practical component at the school.

This season, the trainer of the year award went to Abby Thomas. Abby has given up a significant amount of time to educate other surf life savers by conducting entry level and up-skilling training courses. As well as being a trainer, she has taken on other roles and is the first point of call in our education team for anyone who is interested in completing any training at the club.

Trainer of the Year

Abby Thomas

We are always looking for more assessors at the club and thank you to Graeme and Shayan our two assessors this year. Graeme was award Assessor of

the year completing 15 assessments this season along with training and proficiencies.

Assessor of the Year

Graeme Cunningham

Advanced Resuscitation Techniques

Community Programs

West Beach has been involved with the 'On the Same Wave' program for the last 15 years and is still busy working with migrant organisation in teaching water safety to new members of our community. We continued the partnership with Immanuel College with a week long water safety program at the pool in the December holidays (this was the 5th year). There were 90 people from toddlers to adults attending each day for classes. It was then followed by a beach awareness day in January.

Swim lessons for our CALD members is ongoing Saturday mornings at Immanuel. There are 13 members getting stronger each week. Ray Quek gained his Bronze this year. Congratulation to him. The program wouldn't be as successful if it wasn't for the generous help from Immanuel who provide 2 teachers and pool space for us to run this program. We ran another water safety program in February for MACSA (Muslim Australia Connections South Australia). It was our third year doing this and a great time was had by everyone while learning how to be safe while at the beach.

I'm looking forward to the new season with hopefully a few more new Bronze members on the beach.

Peter Taylor
Diversity Officer

Pink and Blue Swim

We would like to thank all the West Beach Surf Lifesaving Club members who helped out on the Pink and Blue Swim/walk/run. What a fantastic day with over 1160 participants attending the event and helping raise much needed funds for Breast and Prostate Cancer.

The Pink and Blue team are proud to announce \$105,015 as the final total of proceeds raised as a result of our 2023 event. That's over \$500,000 raised across the last 11 events!

This year we added in a 6km run so with the choice of either a 200m, 500m, or 1km swim or 2km pet friendly walk there was something for everyone.

All proceeds raised are evenly distributed between Prostate Cancer Foundation of Australia and St Andrews Hospital Breast Care Unit which funded the following projects.

St Andrews Hospital Foundation

Pink & Blue Nurse for 2023

Breast Cancer is the second most commonly diagnosed cancer in Australia. Excellent Breast

Nurses with extensive knowledge and experience in the oncology field make a huge difference in a patient's cancer journey. Breast cancer patients are currently seen by our Breast Care Team, before, during and after surgery including phoning patients after discharge. For some patients, the treatment plan commences with chemotherapy, or chemotherapy and radiotherapy beginning after surgery. An additional breast care team member will enable St Andrew's to provide essential education and support in our off-site chemotherapy suite. The role would be part-time, for an initial 12-month period, with the view to making this our ongoing project.

Prostate Cancer Foundation of Australia (PCFA) 2023

Evolution: Phase II Clinical Trial

Multi-million-dollar clinical trial – first of its kind in the world.

One hundred men with metastatic castrate resistant prostate cancer (mCRPC) to participate.

The Royal Adelaide Hospital is one of 7 sites taking part across Australia.

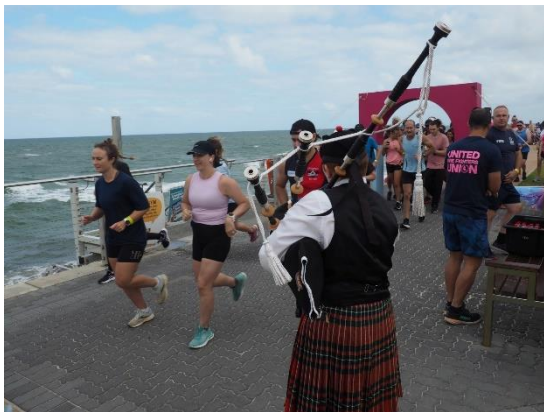

A ground-breaking new clinical trial co-funded by PCFA is set to explore the next frontier in precision medicine for prostate cancer – combining Lu-PSMA with immunotherapy. The trial will take around four years, with follow-up studies in the years following. Each patient's PSA levels will be monitored for at least 12 months following the completion of treatment.

It is only possible to put on an event of this magnitude by having a dedicated team and amazing support from the West Beach Surf Lifesaving club which provided:

- Working party
- Water cover
- Equipment
- Registration

There must be well over 100 members who gave up their time and provided valuable support on the day.

The Pink & Blue Swim/Walk would like to say a huge THANK YOU to all those that sponsored, participated, volunteered, donated, encouraged and supported - you have all made a difference.

From the Pink and Blue team

- Lynne Collins
- Anne Cameron
- Brenda Thornton
- Jane Gilbert
- Linda Fox
- Isabella Domhoff
- Jasmine Wood
- Greg Humphries
- Paul Rafanelli

Surf Sports

West Beach had fantastic results in the Surf Sports area this season. The beginning of the season started with a large group heading over to compete in the Coolangatta Gold and ended with a team of 10 heading West to compete at Aussies at Scarborough, Western Australia.

Season 22-23 saw a change from the traditional 1-6 point scoring to a gold medal tally. West Beach again had a strong year finishing 3rd overall in Seniors with 22.5 gold medals (22 silver medals and 24 bronze medals) 2nd overall in Masters.

State and Development Team

This season saw SA Surf League and State Team return for Surf Sports. West Beach had the following athletes selected.

State Pool Rescue Team (21/22 season) – Maisy Pronk (U14), Alexander Murray (U14), Alinta Dingwall (U15), Ruby Hancock (U15), Leila Nazimi (Open), Noah Pronk (U17).

SA Reds – SA Thunder - Georgia Zuill (Ski)

SA State Team – Edie Bengier, Aiden Carberry, Matt Zuill and Georgia Zuill.

Edie Bengier, Matt Zuill, Aiden Carberry

Georgia Zuill

Officials

Surf officials are the key to the effective running of all surf sports events like any competition that our children or we as individuals participate in - officials / umpires / referees / coaches / trainers and other volunteers are required for the competition to occur.

Swim, Board, Ski and Beach Report

Swim

The Open Females had a strong finish to the season with Georgia, Leah, and Leila finishing in the top 6 in both the Belt race and Surf race, Georgia taking out the Bronze and Silver respectively. The girls had Alinta join them in the Surf Teams to take out the Silver, with the B team of Edie, Stella, Jess, and Jo placing 4th. Following suit, the Youth girls also had some amazing swims with Maisy taking out Gold in the U15 Surf race, while Edie and Alinta claimed both Gold and Silver in the U16 Surf race with Zara finishing 6th. The depth in the Female swim area is very promising for the years to come!

The mens swim area continues to be held up by the younger competitors with Lachie taking home the Bronze in the Open Surf race as well as claiming Gold in both the U17 Surf race and U17 Belt race. Lachie was joined by Matt, Ben, and Aiden for the Open Surf Teams where they took home the Bronze, and he teamed up with Felix, Aiden, and Oliver to finish with a Silver in the U17 Surf Teams. Lachie's dominance in swimming this season across all types of events made him the deserving winner of the West Beach Swim Area Award for this season. There is a lot of skill coming through the Male swim

area and is expected to continue to grow in the coming years with more great results to follow.

In addition to the great success at the state level this season, we also saw Georgia make her first Open Female Surf race final at Aussies where she placed 18th, out doing Matt who finished 22nd in the Male final.

As you can see, we had many great results at state titles including a lot of top three finishes. Although podium finishes are great, a successful season does not only include medal finishes but individual achievements and improvements as well. We had a season of many fantastic achievements on the beach and in the pool and we look forward to seeing what we can achieve next season.

Board

The Board area continues to be a strong group at our club both in results and attitude. This season we saw a number of outstanding performances and it is great watching all our athletes keep pushing beyond their limits year on year. Our athletes are not only pushing our squad to improve in Boards, they are also improving the quality of board paddling across the state through tough competition with great sportsmanship.

While the Male Board area does not have a lot of depth at this stage, each of our athletes finished the season with outstanding results. During the season it was great to see Matt, Felix, and Aiden competing as Board paddlers in the SA Surf League and consistently bring that quality out to Board training, helping the squad improve further. These three also finished in the top ten at State Titles in the Open Board race and teamed up to claim Bronze in the Open Board relay. There were also great results in the age group categories, with Lachie claiming Bronze in the U17 Board race and Aiden claiming Silver in the U16 Board race, however, the standout performance in the Male area this season was by Felix, claiming his age group Board title for the third year in a row. His results, along with his determination and focus throughout the season, earned Felix the West Beach Board Area Award this

season. To top it off, these three teamed up to take out the U17 Board relay Gold.

The Females continue to bring depth to the training squad, keeping the sessions both competitive and entertaining. It is great to see as this group of girls becomes more competitive, they are still able to have a laugh and enjoy getting down to the beach. With this culture there is no surprise that most of their Board results came in the team events. The girls had three Open Board relays with Stella, Edie, and Leah claiming the Silver medal and the B team of Jess, Kate, and Georgia finishing fifth. This depth stretches down to the U15 and U17 Females. In the U15 Board relay Ginger, Hayley, and Maisy finished fourth, and Emma jumped into a composite team finishing ninth. In the U17 Board relay Edie, Kelsea, and Daisy claimed the Bronze, with Alinta, Hayley, and Zara not far behind placing sixth. In addition to the results in relays there were a number of outstanding individual results. In the Opens Stella, Georgia, and Kelsea finished sixth, ninth, and thirteenth, respectively. In the age group categories there were a number of top ten placings which the girls should be proud of. The highlight of the Female Board races was in the U16 final where Edie was able to claim Gold for a third year in a row and Zara finishing in third to take home the Bronze medal.

We would like to congratulate everyone on a fantastic season. It is great to see the squad developing together and continuing to strive to get the best out of themselves and each other.

The West Beach spirit shown on the beach, around the club and helping with training is nothing short of amazing. There is so much potential being realised in this group and we look forward to seeing what season 2023/24 has to offer.

Ski

The Ski area this season had a lot going on as usual. With a large group of athletes heading over to the Gold Coast to compete in the Coolangatta Gold there was a strong training group throughout the cold winter months. Preparation for the Coolie also included several athletes competing in the SA

Ocean Paddlers Downwind Series where we had several great results. The dedication of the squad continued into the season with amazing improvement from the athletes and they took every opportunity throughout the season to measure their improvement.

Over the past few years our Open Male Ski area has seemed to be thinned out by the alluring Queensland Coast but once again we had a strong contingent in the Open Male Ski area with outstanding results. In the Ski final we saw Owen claim the Bronze, with Glenn not far behind in 5th. Owen and Glenn teamed up in the Open Double Ski to take home the Silver and the team of Jesse and Zac finishing in sixth. The highlight of the Male Ski area was the Ski relay, where Owen and Glenn executed an awesome first two legs setting Jesse up to come storming home to take the Gold! The younger age groups have begun to follow suit with Aiden taking home the Gold in the U16 Ski race, and then heading over to Aussies in a team with Felix and Tyler to finish seventh in the U17 Ski relay final.

The Female Ski area has been very consistent in the last few years. Once again Georgia had a strong season on skis starting the year by taking on the Coolangatta Gold long course, and many of our female paddlers improved in leaps and bounds finishing the season with some great results. In the U16 age group Edie competed in her first Ski race and took the Gold medal, while Kelsea and Daisy finished ninth and tenth respectively in the U17 Ski race. Moving into the Opens the girls entered three teams, Jess, Leila, and Georgia taking home the Silver medal, then Stella, Kelsey and Leah finishing sixth and finally Alyson, Kate and Kelsea finishing eighth. In the Open Ski race Georgia had a great race just missing out on a podium finish in fourth, just behind the Ski Area Award winner Leila who claimed the Bronze medal. Leila has had an amazing year on the Ski and it is so good to see her rewarded for her efforts over the season.

Overall the Ski area is still a strong area in our club however we do not quite have the depth we have had in previous years. It is great to see the young

competitors stepping up into relays and getting some great results in doing so. In the coming years we will have the opportunity to rebuild this area with both depth and quality, making the future look very bright.

Beach

This season the beach area was a smaller contingent than we have seen in the past few years. Although there are only a few athletes competing in beach events we still saw a number of outstanding results, primarily in the long distance runs. This is a testament to the effort put in by the squads beach coach, and this years Beach area award winner, Stella Bengler. Over the past few seasons Stella has led the charge in the Beach area and pushed athletes to include more running in their training schedule. It is a tough position to be in doubling up as a coach and athlete but Stella has managed it well. During winter Stella pulled together a running group on Wednesday night to prepare for the Coolangatta Gold as well as in the lead up to the City to Bay Fun Run. These running sessions continued into summer after Monday night board training and prepared the squad for another successful year on the beach.

As mentioned, we had great success in the long distance events at State Titles. Starting in the Female area, Stella claimed Bronze in the Open Female 2km Beach Run, with Georgia just behind in 4th place and Kelsey finishing in 6th. Stella then teamed up with Jess to take home another Bronze in the Open Female 2x1km Beach Relay. An amazing effort from the Open Females. Aiden was holding the fort for the Male area, claiming Gold in the U16 2km Beach Run and Silver in the Open Male category. This is an outstanding result as a 16 year old. Aiden teamed up with Felix in the U17 2x1km Beach Relay to take home the Bronze and partnered up with Ben in the Opens to finish in 5th place.

Although a majority of the Beach results we see are in the distance events, we also have a couple of sprinters coming through the Youth age groups. Chantelle Hockley competed in the U14 Female Beach Sprints where she had a great run but just

missed out on the final. We also have Caleb Illmer running in the U14 Male category where he finished 4th both the Beach Sprints and Flags. These are great results and we look forward to seeing how

these runners develop in the future!

Overall the Beach area is one that needs work in our club. We are starting to develop the coaching base to accommodate the potential coming through the younger age groups but we need to support those members trying to build the Beach squad wherever we can. In the coming seasons expect to see this area grow and the results will follow.

Matthew Zuill

Stella Bengler

Surf Boats

2022/23 was a slightly quieter, but still very successful, season for the boat area.

Our masters again were strongly represented at state titles winning 7 medals including two golds from our 9 crews. Our ten year run of unofficially winning Masters surfboats would have continued under the old pointscore system (under the change to scoring based primarily on gold medals we were second overall).

Although our depth in opens was reduced this year, our young u19 crew showed strong improvement, stepping up from bronze to silver. This crew also combined with two masters crews to take out silver in the surfboat relay. The core of this crew still has

a season or two in u19s and they have the potential to go places if they have the desire.

Unique to the boat area, competing and training is heavily constrained by the availability of sweeps. This has become a more highly regulated area in recent years. West Beach has been well served by having several experienced sweeps but renewal is needed for ongoing success. So, it was pleasing to see so many of our developing sweeps getting accredited this year.

Congratulations to new S2 sweeps Rob Hettner and Eddy Newberry and new S1 sweeps Hamish Lindsay, Oliver Varney and Michael Fletcher.

Possibly an Australian first – an U19 sweep, sweeping an U19 crew at a championship.

The boat area award this year went to Peter Snell. Peter continues to be a driving force behind the boat area at West Beach. He sweeps and coaches juniors and masters, organises training, mentors sweeps and rows masters as well (helping a rookie masters crew to their first medal this year).

Peter sets a great example and hopefully is inspiring more of our rowers to put their hand up to spread the load.

A big thank you also goes to Adam Perry for the technique and conditioning work he has done with our younger rowers, to Nick Carter for his maintenance work and to our many officials including Brian Burrowes, Rachel Bell, Doug Searle, Dave Macleod and Gerald Woud (apologies for anyone I have missed).

Finally, we end the season with some excitement. Thanks to a very generous donation from Parafield Gardens Swim School through Kay and Bill Dempsey, we are awaiting delivery of our first brand new surfboat in 7 years. We know a new boat is only part of the picture, it also requires plenty of hard work, but let's hope it is a catalyst for continued success.

***Area Captain
Sam Molloy***

Masters

West Beach Masters had a wonderful year, coming second to Grange by only one gold medal. This was a much better result than expected given that many of our male competitors were unable to compete this year, and a testament to the skill and dedication of masters that did compete. Masters Boats and Masters Champion Lifesaver are part of the overall Masters award, with Masters Boats consistently giving us a good lead.

I want to say a big thank you to Greg and Barney, for regularly helping-out Pete with ski training, and to Greg, Barney and Hernan for helping tow the trailer. We all love training, so are grateful to those who make it happen.

A big congratulations to Deb Wareing for heading to AUSSIEs and winning the 2 km swim and her first ever surf race!!

A special thank you to Leila and Lisette for nominating me for the masters area award. I really enjoy being part of the WB Masters family. I love spending time with all of you, on and off the water. And, honestly, we all know that this is far more important than any of the points or medals. So, let's do it all again next year.

***Area Captain
Jo Varney***

Life Saving

The Lifesaving area of competition has always been an area of work in progress for the WB surf club. This includes RnR, First Aid, Champion Patrol and Champion Lifesaver.

R&R

We had a small but dedicated crew of R&R competitors this year. It was particularly pleasing to see good numbers of U10's each week at training, and we look forward to seeing them in U11 competitions next year.

At states we had medals to:

U15 5 Person R&R - GOLD: Milla Favretto; Chantelle Hockley; Isabella Huf; Isla Jarrett; Niamh Jarrett.

U15 2 Person R&R – BRONZE: Isla Jarrett; Niamh Jarrett.

U17 2 Person R&R – GOLD: Oliver Cenko (with Seacliff composite).

It would be great to get some U13 teams next year, especially 5 person which the competitors really enjoy and it would be great to see West Beach develop a tradition in junior 5-person comp.

FIRST AID

In First Aid we had the father daughter duo of Damian and Ellen winning the Open First Aid competition for the 3rd year in a row.

CHAMPION LIFESAVER

The event is out of 120 being split between 40 points for Theory, 40 points for Resuscitation and then 40 points for the Practical, Swim, Board, Sprint and swim with flippers and a tube. With a small group of 11 competitor's we had amazing results In the U13's we had 4 competitors with Nicholas Davis and Lara Scutchings coming in 2nd place, Ella Murray finishing 7th and Carys Kemp in 12th a fantastic effort for their 1st year.

In the seniors Caleb Illmer finished 1st in the U14 Boys age group, Ginger Atanakovic finished 7th in the girls, with Maisy Pronk for the 3rd year in a row winning the U15 girls and Alexander Murray winning the U15 boys . Oliver Cenko won the U17 age group for the 3rd time. In the open category Briny McArthur achieved 4th, missing third by ½ a point in the girls and Oliver Cenko also finished 4th after both Briny and Oliver had to double all events. In the master's category Sarah Goodwin and Shayan

Gunawarderna finished 2nd, Briny finishing 4th again by ½ a point.

It was a quiet end to the season with no one competing at Aussies.

The Lifesaving award went to a competitor who has been consistent in their results over the years especially this season and has also done multiple events. Congratulations to Oliver Cenko on winning the 2022/23 season.

See you all in 2024 for a bigger and better year.

***Area Captain
Briny McArthur***

Pool Lifesaving

Over the 1st weekend of July 53 West Beach competitors made up of 17 Nippers, 18 Youth/Open and 19 master's don the Double Blue Caps to compete in the annual Pool Rescue Champs held at the SA Aquatic Centre, led by Coach and Captain Briny McArthur.

Saturday saw the U15-Open competitors complete a few of their individual events, the 50 and 100 Manikin Carry, 100 Rescue Medley and 200 Super Lifesaver. With many of the athletes leaving Saturday with a medal. Sunday saw the rest join in. The day started with everyone's favourite event, the unpredictable Line Throw. This year we saw 13 teams finish in the top 3.

We got to witness Seacliff's Taj Ward break the world record for Line Throw in a time of 8.99 first person in history to go under 9 seconds .

The rest of the day we had competitors racing in the 100/200 Obstacle, 50 Manikin / Brick Carry, 100 Manikin Tow, 100 Manikin Carry, Patient Tow plus the 4 person Manikin, Obstacle and Medley Relay. The Master 200 obstacle relay team of Emily, Jo, Leila and Jess broke their own Australian record for the 2nd year in a row.

By the end of the Sunday we were starting to pack up when we were told to head to pool deck where we were announced as the 2022 Winners with a total score of 649. West Beach won over 100 medals consisting of 38 Gold, 31 Silver, 33 Bronze not including medals won by composite teams. By winning this season it made WB Back to Back winners .

Next up we had a group of 21 competitors attend Nationals in early August. It was an amazing accomplishment for the team with 4 of the 5 South Australian Line Throw Medals coming from WB including 1 Gold, 1 Silver, 2 Bronze. Out of all 10 WB teams only 1 team was disqualified whilst all of the others got the rope out. We then had Leila Nazimi break the 35-39 200 Obstacle Record. Briny McArthur won her 1st Individual Gold medal in her favourite event the 100 Manikin Tow.

The state team consisting of members Alexander, Maisy, Shyanne, Alinta, Ruby, Noah and Team Managers Mark and Heather Pronk and Coach Matt Perriman managed to finish 3rd overall just behind QLD and NSW. West Beach finished 5th overall in the masters and 16th in the Open.

Congratulations to the following medalists:

STATES - Dennis H, John M, Margaret D, Deb W, Evan H, Mark P, Jo V, Sharon B, Emily G, Paul C, Nigel G, Dan K, Hernan M, Glenda M, Jess I, Shayan G, Briny M, Leila N, Felix A, Lachlan W, Noah P, Lily H, Oliver C, Ruby H, Alinta D, Eden S, Nicole M, Aiden C, Abby H, Tristan W, Indy T, Maisy P, Eliza Z, Alexander M, Ginger A, Isabella B, Caleb I, Oscar D, Sofia S

NATIONALS – Briny M, Leila N, Matt P , Mark P, John M , Dennis H, Maisy P , Shyanne P

2022 Award Winners

Junior Best Competitor – Oscar Dingwall

Junior Most Improved – Ella Murray

Senior Best Competitor – Alinta Dingwall

I look forward to another big successful season of Pool rescue including the return of Sarah Goodwin to help coach.

Club Swim

This year saw the club swim without a club! As such all activities and patrols were setup opposite Surf Ave near the toilet block and ironically near the location of original tin shed.

This shift resulted in an alternate course for the season, and coupled with the increase in sand in front of the club from the previous government we were able to start the swims in front of Graydale street steps and complete the course at surf avenue.

We only completed 12 swims this year due to swims 2-4 being cancelled for various reason. Of the swims we only had 1 repeat winner Briony Goodfellow and a first time winner after 40 odd years of club swims Greg Perry. It took you long enough little brother!

I would like to congratulate Bob Wilson on taking out this years handicap winner.

The Remedial swimmers were the backbone of swimmers this year and I would like to thank all the time keepers and Gary 'Jakes' Gilbert for being point on Saturdays, promoting , organising and setting up the course, your support is very much appreciated.

Finally I never dreamed of having a perpetual trophy named after me and I'm truly humbled and honoured by the club bestowing me this recognition.

The club swim has always been special to me and I believe it's a crucial part of club life. It brings together people, on a weekly basis, of different ages and abilities to help improve and maintain competencies in the water. It also works as a bridge between different sectors within the club through a bit of social and competitive fun both on and off the water.

Thanks again for a great season and many years of memories swimming this beautiful section of coast and looking forward to heading back into our new home in the coming season.
