Top Room	Director of Facilities Cafe Manager

President's Report

2013-2014 was highlighted by the record breaking numbers in membership, Pink Swim participants and Nipperthon participants. Membership grew to over 600 members this season, almost 90 more than our previous high of 526 in 2008-2009. In the last few years, the membership numbers had reached a plateau so it was great to see it once again grow. With the Club Re-development getting closer, the signs are there for West Beach to continue to grow in membership and participation across all the areas of Surf Lifesaving. The Pink Swim, only the second time we have run it, raised in excess of \$10,000 for the National Breast Cancer Foundation, whilst Nipperthon continued to attract more and more kids.

Club President, Peter Zuill, presents medals at the 2014 Nipperthon at West Beach

I would like to thank and acknowledge our Club Patron this year, the Federal Minister for Hindmarsh, Mr Matt Williams MP who has been very supportive of West Beach and Surf Lifesaving. Matt's family is also involved in the club with his two children participating in our Junior Programme. Dr Duncan McFetridge MP, our State Minister for Morphett was also very active around the Club and very supportive. I would also like to thank Mayor Kirsten Alexander for her support throughout the Season as well as the ongoing support from Councillor Jim Fitzpatrick. I look forward to our continuing partnership with these members of government at all levels.

Surf Lifesaving is now a year-round activity with some surf sports just starting their winter season whilst it only seems like yesterday we were celebrating our achievements over the summer period. The West Beach Surf Lifesaving Club has many events organised for the coming year and I hope to see all our members as well as more new ones enjoying what we provide in the coming months.

Secretary

Sarah Price took on the role of Secretary as well as Director Member Services this Season due to a vacancy in that role. Sarah was assisted later in the season by Melissa Davis-Bishop when she was appointed by the Board as a Director. As well as organising the Annual Presentation Night, which was again a great success, Melissa was also responsible for the preparation of this Annual Report. This is a huge task and I thank her for her efforts.

Member Services

Sarah Price returned to the Board this year in this portfolio following some time off for the birth of her first clubbie to suddenly find out she was expecting a second one. This set the scene for the Season with two other Sarah's (Goodwin and Tinkham) also announcing news of the 'next wave'.

As in recent years, the Annual Dinner and Presentation Night was held at the Club. The format was similar to last Season and seems to be working well. A great time was had by all. Thanks to Kevin Richardson for taking on the MC role and keeping everyone on track. Thanks to Sarah and Melissa for their work behind the scenes and Trophy Selections.

As mentioned, the Club ran its second Annual Pink Swim to raise money and awareness for Breast Cancer. This year the Pink Swim was a huge success and very well attended with Federal and State politicians actively involved. The total raised was in excess of \$10,000, significantly increased from our inaugural event last season coming in at \$957.75. This event has again been set on the State Surf Lifesaving Calendar.

Participants in the 2nd Annual Pink Swim head to the start line

President's Report

Finance

The Club's financial position has continued to improve significantly this Season. Thanks to David Afford for his efforts in this area. This Season saw the introduction of the Building Fund as a part of our membership fee structure. The income from this was just over \$3,000. This money is set aside and can only be used in the re-development of our new facilities. The Board voted at its last meeting to put in \$30,000 of our reserves into this building fund as well.

Facilities

Paul Rafanelli was the appointed Director for this portfolio. Thanks to Paul for all his work in this area. Maintenance continues on the existing facility to keep it in a respectable state. We will wind down any improvements on the current facility with our focus now shifting to the re-development of our Club. Thanks to Kevin Richardson and the Building committee of Stephen Perry and Paul Rafanelli for all their work to date. It will be a process and with 2 to 3 years to go, there is a lot more to be done.

The Cafe continued to be one of our major income streams and has recorded some good results once again. After a number of attempts to get the structure and balance right, I believe we have a viable commercial model that will assist us in the future to secure any necessary funding for the redevelopment. Thankyou to Brian and Kate for their long hours and patience. Thankyou to all the Cafe Staff.

Lifesaving Services

The Club once again provided all its Lifesaving Services obligations without any breaches as well as performing extremely well in the Patrol Efficiency Tests performed during the Season. This is a credit to the standard of our volunteer members who sign on to Patrol.

Thanks to Sarah Tinkham for managing this portfolio again this season. It is a major undertaking to try and plan and schedule so many volunteers for Patrols and to ensure the balance of members needs with the contractual obligations to State Centre.

Congratulations to Sarah on the pending arrival of her new baby twins – Good Luck!!

Training and Education

Graeme Cunningham took on this portfolio this Season. This are ran very smoothly once again and it was great to be able to get so many members proficient. This is a huge effort for Graeme and his team of Assessors as they selfishly give their time over numerous weekends to ensure each of us can become proficient. As Club members we all need to be more thoughtful of them and ensure we complete our proficiencies early and in one session, rather than coming back week after week waiting for the tide to be right or the cans to be set a bit closer.

Peter Taylor continued his outstanding work with the CALD (Culturally and Linguistically Diverse) Communities this season. This programme is recognised at the highest levels in the State and West Beach is very proud and lucky to have Peter involved so heavily.

The Duke of Edinburgh Award programme continued this season providing yet another opportunity for our youth membership to challenge them and to experience life changing activities. Congratulations to Graeme for highlighting this programme and making it available to our members.

Duke of Edinburgh awardees with Dr Duncan McFetridge MP and Graeme Cunningham, Program Coordinator

President's Report

Surf Sports

Another great Winter and Summer Competition Year. West Beach again achieved great success at all the State Championship Events as well as some of our best results overall at Natioanl Championships (the Aussies). Well done to all our national competitors, but specifically our medal winners Sarah Goodwin, Grant Simpson, Gavan Farmer, Megan Domarecki and Max Richardson.

This Season West Beach hosted a Junior Carnival under very challenging conditions as well as the practical section of the Champion Lifesaver State Championship. West Beach also ran the Pink Swim and the Nipperthon. All these events were extremely well run and co-ordinated. Thanks to each of the organising committees for their efforts in getting these up and running. Special thanks to Anthony Thomas for all his efforts as Work Party manager and on his winning of the Club Person of the Year award.

Thanks to Christine Newberry for all her work as the Director for this portfolio, in continuing the growth and success achieved by so many of our members across the board.

Youth Development

The 'Westies Crew' continues to help provide a pathway for our Junior members to proceed into the Senior Club. The Junior program continued to grow this Season with increased levels of members and participation. This program continues to produce many fine Lifesavers, all very confident in their swimming and rescue abilities. These are life lessons that will never leave them.

Thanks to Jim Hettner for taking on the Youth Development portfolio again this Season.

Conclusion

In conclusion, I would like to thank all the members of the West Beach Surf Life Saving Club, its Sponsors and supporters for another successful and fulfilling Season. I would especially like to thank the Board for their help and support over the last 12 months.

Peter Zuill

President

CONGRATULATIONS...

Steve Trengove Trophy Youth Club Member of the Year

Jessica Cunningham

Club Member of the Year

Anthony Thomas

Member Services

The 2013/14 season has been our most successful so far in regards to membership. I would like to thank everyone that helped out on registration day way back in October. This was a very smooth process that worked well. We also saw the introduction of the club key tags this season, these have been greatly received by the members and easier for the café staff to identify members. This is something we will continue in the seasons to come.

Tracy Ellis did another great job with the uniform shop. This is a huge responsibility and making yourself available every Saturday was a big commitment.

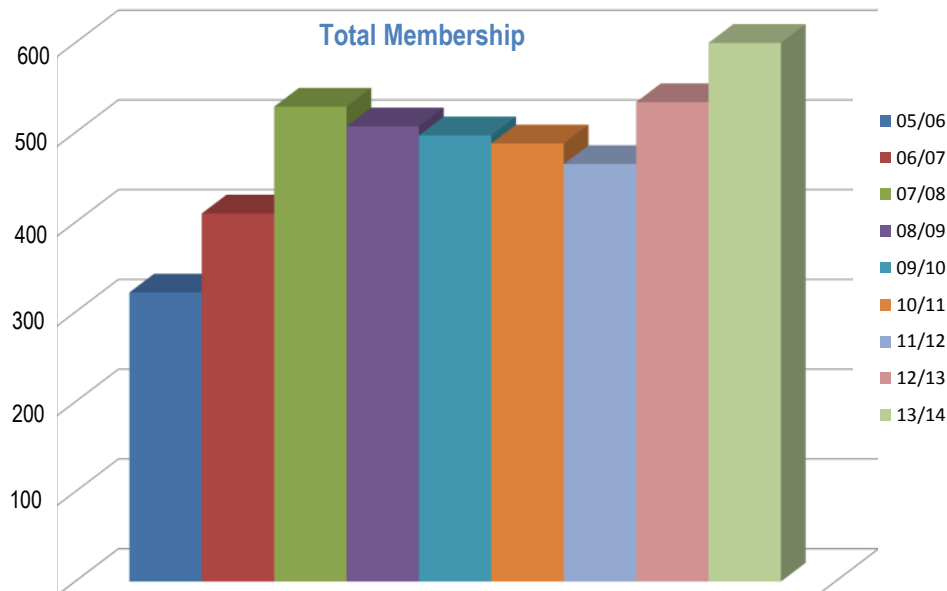

I would like to thank Christine Newberry for taking on the Newsletter and Website again this season and for training Sarah Nash and Linda Fox into helping her with these. Over the winter months we hope to bring you an up dated and more efficient newsletter and website for the 2014/15 season.

I would like to also thank Melissa Davis-Bishop for coming on board as stand in Secretary in the later part of the season, a job I took on at the start of the season. Melissa took on the role of organising the Presentation night and putting the Annual Report together. These are the two most time consuming jobs to end the season and I cannot thank her enough.

Looking forward to another successful season in 2014/15.

Sarah Price

Director of Member Services

THANK YOU...

The TinShedders continued their wonderful fundraising efforts this season with their monthly Bunnings BBQs. Since they started in April 2011, they have raised \$33271, an average of over \$11K per year.

We were also very fortunate to have their BBQ skills available at our Pink Swim fundraiser.

A huge thank you to this special group of original Club members, lead by life member, Neil Hodges, for all of their hard work and commitment.

We are very fortunate to have such an active and involved part of our history, helping the Club shape its future.

Life Saving Services

Well it has been another busy season, we had to overcome some barriers regarding beach access but we did it! A very big thank you goes out to all patrolling members, Patrol Captains and Vice Captains. Welcome to the new Bronze, ARTC and SRC members and I look forward to seeing you guys put your newly found skills to the test during patrols in season 2014/2015.

West Beach hosted many special events again this year like Marion Masters Long Swim, Nipperthon, Pink Swim, Junior Carnival and also Champion Lifesaver State Titles. We have been rather busy but everyone lends a hand during the busy times and that makes for a smooth and successful event. Thanks to all that helped with Water cover, First Aid assistance and Work party.

We had one major rescue during the season, and it was a success because of our diligent patrolling members. One Saturday afternoon while Jim and Courtney Hettner were conducting a roving patrol in the IRB down at the caravan park they came across a swimmer in trouble. They acted quickly, made the pick up but the patient had taken in a lot of water. Their training kicked in and they managed to perform a successful rescue. Well done to Jim and Courtney and to all of those involved, it is a good reminder that we need to set up an outpost patrol down at the Caravan Park so we are doing our bit to keep the public safe.

Thanks to all who gave up their own time to help with Radio room duties this season, this was managed by our Radio Officer Tracy Afford – Thank you for organising and co-ordinating the roster.

Thank you to Kirsten McNamara for being the 1st aid officer this season. Her constant checking of the 1st aid kits and stocks, has made our club that little bit more organised and prepared in case of an emergency.

Thank you to Darren Tinkham for continuing the maintenance and upkeep of the power craft area. He has been responsible for implementing a maintenance and replacement plan for our power craft. This will allow us to have up to date equipment and when it comes to re-sale we will benefit more as a club.

Thank you to Dennis Hay for his tireless efforts when it comes to our internal patrol inspections. I know I can say when I am on patrol and I see Dennis walk down the ramp carrying that folder I get a little nervous but his approach is all about guiding us through while assessing at the same time. I feel that this is making a healthy rivalry between patrol groups and keeping us well informed and on our toes.

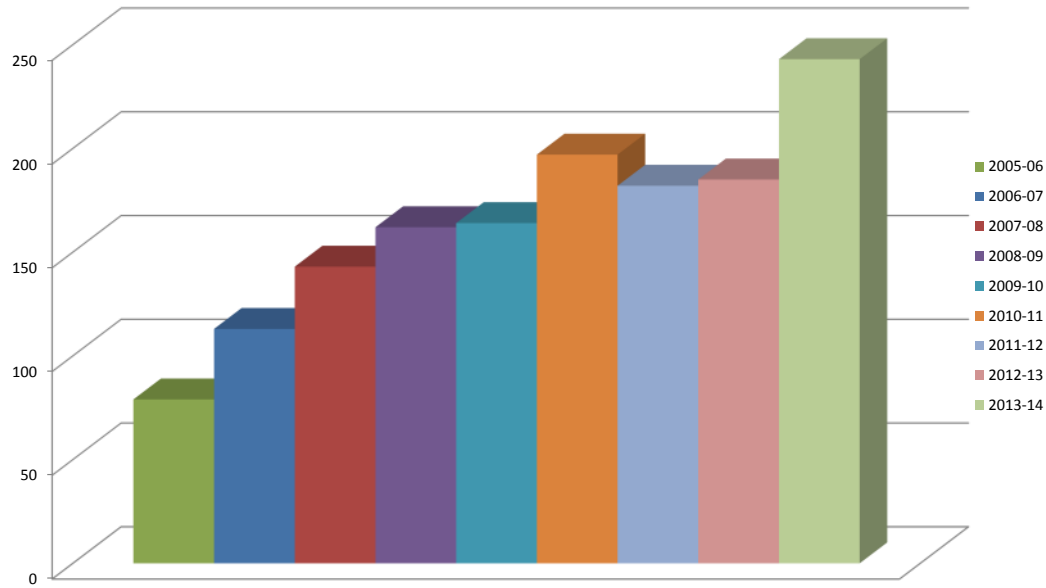

Once again Thank you to all those who attended their patrols, helped with Water cover, first aid assistance, Work party and those that helped make the special events that we held such a success. Well done to the joint winners for Best Patrol Group this season who were Delta – Captain: Todd Richardson and Foxtrot – Captain: Sally Perry.

Sarah Tinkham

Patrol Efficiency Inspections

Internal Patrol Inspections were conducted throughout the season and every patrol had to undergo an inspection in the following areas;

- Equipment
- Uniforms
- DHL Shelter and Surround
- IRB
- Signals
- Practical Rescue Scenario

The following results were obtained by each patrol;

Name	Equipment	Uniform	Surr/Shelter	IRB	Signals	Practical	Total	Maximum
Alpha	200	60	200	100	90	270	920	990
Bravo	200	90	200	100	90	280	960	990
Charlie	200	100	200	80	100	270	950	990
Delta	200	100	200	100	100	270	970	990
Echo	180	20	200	100	100	280	880	990
Foxtrot	200	80	200	100	100	290	970	990
Golf	200	40	200	80	90	280	890	990

Juniors	180	100	200	100	100	263	943	990

Congratulations to all of the patrols for their efforts over the season as the final scores were all reasonably close in the end.

It was pleasing to see that as the season progressed patrol captains and patrol members were showing a lot more enthusiasm towards the patrol efficiency competition. Well done!

The most efficient patrols for the season were Delta with a score of 970 out of 990 and Foxtrot with a score of 970 out of 990. Congratulations to Foxtrot and Delta patrol members as well as patrol captains; Sally Perry and Todd Richardson for being well organised and introducing some creative scenarios throughout the season.

Hopefully, it was a positive learning experience for all patrolling members and that it helps to improve our organisation and efficiency.

I enjoyed the opportunity to help our club improve efficiency and also gained valuable experience in this area.

Thank you

Dennis Hay

Fry	Warren	16

Education and Training

West beach Surf Club held a total of 104 assessments this season consisting of 72 proficiencies, 13 club assessments and 19 external assessments with 142 members obtained awards. This was done with the help of 10 assessors and trainers that ran proficiencies and trained members for these awards during the season. I would like to thank Dennis Hay, Heinrich Hofer, Peter Taylor, Anne Green, Sarah Goodwin, Malcolm Steven, David Afford, Todd Richardson and Jim Dale for their efforts through the season assessing these proficiencies and training squads. Without their time and effort through the season we would not be able to patrol the beach or compete at carnivals.

Education and training Awards

Assessor of the year	Dennis hay
Trainer of the year	Heinrich Hofer
15 Year Service Assessors Award	Todd Richardson
Bronze Assessors Award	Heinrich Hofer
Advanced Resus Assessors Award	Anne Green

Education and Training

Culturally and Linguistically Diverse (CALD) Program

Peter Taylor

The Cultural and Linguistic diverse program was run by Peter Taylor again this year with 5 new members joining the club and completing the ARTC and RC awards. The purpose of this program is to help integrate diverse cultural groups into Surf Life Saving and welcome them into Australian society.

Advanced resuscitation techniques Certificate:

Sajad Afrad, Amin Azadian, Nima Peirovsavet, Farshad Sheilshivalashani, Amir Mohammad Reza Yousefi, Azad Mohammad Zand.

Resuscitation Certificate:

Sajad Afrad, Amin Azadian, Nima Peirovsavet, Farshad Sheilshivalashani, Amir Mohammad Reza Yousefi, Azad Mohammad Zand.

Thanks to a \$10,000 grant from QBE Insurance, arranged by Rod Ostrognay, 2 rescue boards & 2 rescue tubes were purchased as well as beach safety day conducted and 6 new CALD program members have started training for their Bronze Medallion.

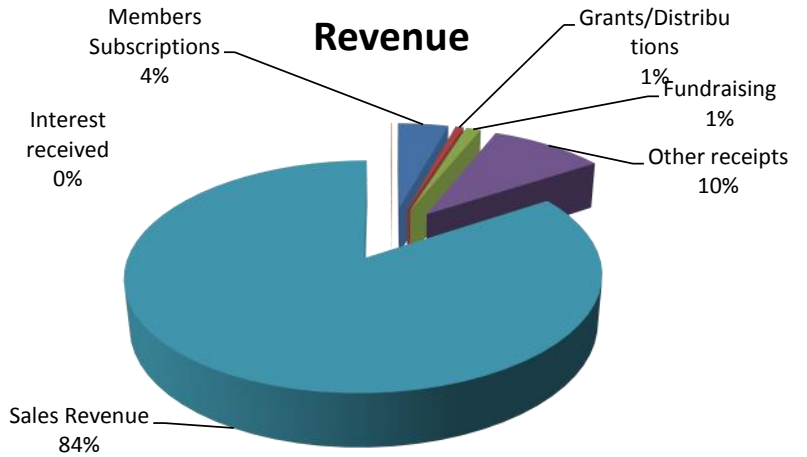

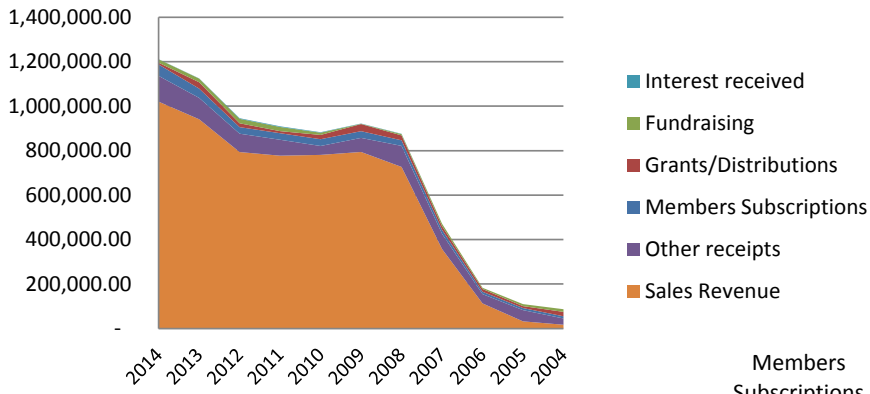

All-terrain vehicle operators Certificate

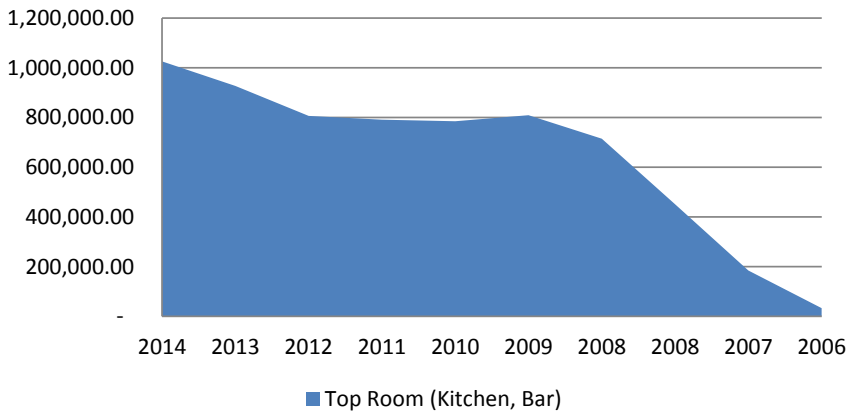

The training and assessment for this award was done during patrols which enabled a large number of members to obtain the award. Award recipients are Bree Hartas, Mike Hartas, Nicole Ostrognay, Stephen Perry, Sarah Price, Anthony Thomas, Josephine Varney, Jenny Bee, Anne Cameron, Sandra Conroy, Braden Cunningham, David Fillery, Gary Gilbert, David Juniper, Don Murchland, Leila Nazimi, Thomas Scott, Timothy Stevens, Mitchell Afford, Bradley Barreau, Joanna Davies, Elena Davis, Jason Denton, David Gava, Thomas Lynch, Owen McLeod, Thomas Newell, Jess Rafanelli, Benjamin Zuill, Matthew Zuill, Peter Zuill, Graeme Cunningham, Lorenz Klass, William Stevens, Darren Tinkham, Michael Varney, Adam Ward, Justin Ward.

Expenditure

Facilities

It's been another big year from our café which has seen revenue grow continually, breaking through the \$1,000,000 barrier. What an outstanding effort from our hard working staff and a big thankyou to our loyal patrons. Many new initiatives have occurred throughout the year including music on Sunday afternoons followed by dinners throughout the summer holidays, generating more people through the club.

The club held a number of large functions including AFL grand final day, New Year's Eve party and the Pink breast cancer swim to name a few. Having good facilities allows us to entertain and has become a place of choice when deciding on a top venue to hold a function.

Other improvements throughout the club have included

- Shipping containers to help storage issues
- Data projector replaced by 70 inch TV
- Roller blinds and LED lighting installed on the pergola
- Outside garden on the southern side of club
- Signage on the front of club
- Floodlights on the balcony facing the sea
- Pathway to the beach on the northern side

An important cost reduction strategy in installing solar panels on top our pergola will drastically reduce our electricity bill which has been as high as \$27,000 over previous years.

A big thank you to the people who have helped out with their time, completing maintenance tasks and keeping the club facilities in a workable and safe state. If anyone is interested in assisting, please contact me as maintenance can be a huge cost.

Kevin Richardson is working tirelessly on our redevelopment, accumulating many hours of work with the development of plans to continue moving forward. Kevin will present to the

members what has evolved to date and a time line in reaching our goals.

One of the biggest hurdles we faced this year was the damage and erosion of our beach in October 2013. Plenty of discussions have taken place with work finally commencing in March on the beach front with anticipation that the sand pumping will solve some of the issues. Understandably we are in need of a permanent solution, or our beach will always be under constant threat.

Our top room manager over the last two years, Brian Durack made a decision to resign from his position to pursue other interests and we wish him the best for the future.

Once again, a huge thank you to the staff for their efforts over the past year, and the ongoing support received from the board and members to produce a very successful year for the Club.

Paul Rafanelli

Director of Facilities

'Building the Future'

New Club Redevelopment

In the last twelve months the "Building the Future" Committee has been extremely active.

The committee is tasked with the planning and development of a new West Beach Club Facility. It is chaired by Kevin Richardson and consists of Paul Rafanelli, David Afford and Steve Perry.

Current Progress:

- Site options considered and endorsement of the existing site confirmed by the Board.
- Initial concept plans completed
- Architect and surveyor engaged
- Survey completed
- Schedule and requirements finalised
- An offsite storage facility proposal and plan completed

We have been working closely with the facilities management group of Surf Lifesaving SA to ensure funding is available from Emergency Services.

In the next few months we begin formal discussions with Surf Life Saving SA, the City of Charles Sturt and informal discussions with Coastal Protection.

The facades of West Beach Surf Life Saving Club over the years

Junior and Youth Development

I am pleased to report the 2013/14 season has again been rewarding in both the competition arena and in the education of our young Lifesavers. One of our high points this year was the number of U14s and eligible U13s who attained their Surf Rescue Certificate as well as the large group of under 9s that continued on from Little Beachies with many of them competing at this year's carnivals

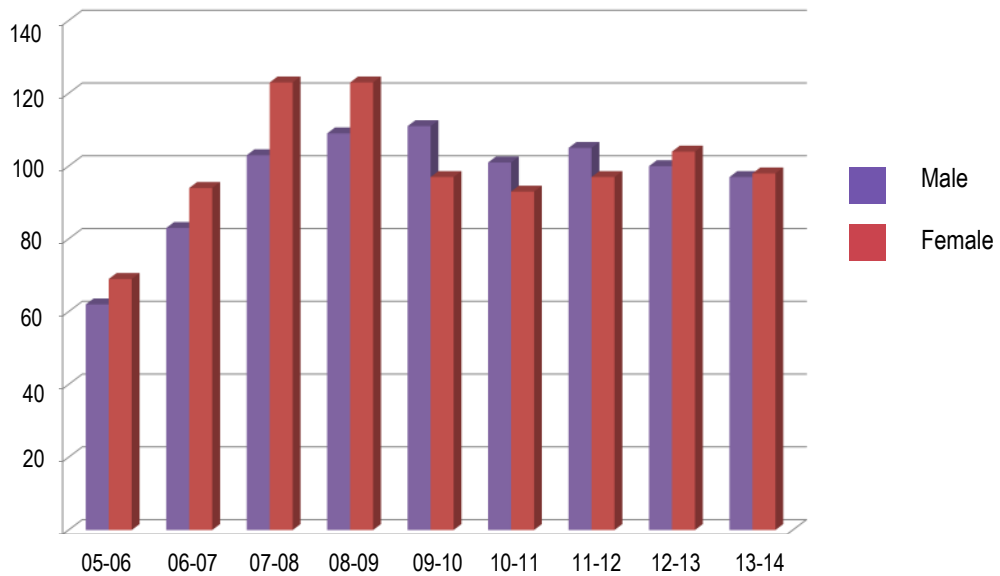

West Beach SLSC regularly had about 180 juniors on the beach each Saturday afternoon and about 70-80 attending carnivals. The focus for this year as always was to improve our juniors' skills with winter board and swim training and also many attended additional beach training sessions.

The first half of the season we concentrated on the education side and tried to make this as interesting as possible by making all sessions on the beach and set in a practical environment. The second half of our season was focused on the competition/ skills side of things with mini nipperthons and constant swims, board paddling, running and flag events. Not enough can be said to praise the efforts of our head coach Steve Perry in getting all our competitors ready and able to compete.

U6/U7/U8 Little Beachies

Coordinator: Sandy Conroy

What a fantastic season Little Beachies has had. Numbers fluctuated from week to week but to make up for this, all of the Under 6's, 7's and 8's attended each and every session energetic and eager to give everything a go.

Prior to Christmas, we were afforded the opportunity to learn some Beach Volleyball skills. I think the Under 7's and 8's probably enjoyed these session the most, but am sure all involved had a good time and can now either spike or dig when the need arises.

After the Christmas break, the Under 7's and 8's focused on their water skills with swimmers and boarders set the task of attempting some awesome water conditions and course settings. We were extremely proud of all our members for giving each task a try even when they were not confident that they could do so. The Under 6's, with the guidance of Todd Shultz and later in the season, Jocelyn Morrison Butler, also underwent some fun and sometimes challenging water activities.

The Little Beachies group were also fortunate to participate in some fun days with the older groups as well as take part in a few tug of war challenges against the older age groups and in some instances, held their own I can proudly say.

Our Under 8's group will move to the Under 9's next season and am sure they will be ready and able to do the club proud thanks to the energetic and passionate coaching and leadership provided to them by Abby Thomas this season.

Thanks Abby, Todd, Jocelyn, Andrew and also the countless number of parents who were only too happy to come into the water and onto the beach to help out. Without the valuable help from volunteer Age Group Leaders and also parents, we certainly would not be able to offer such a fantastic program to provide the younger children an opportunity to be introduced to surf life saving and all it offers.

Junior and Youth Development

Under 9

Melissa Davis-Bishop, Anthony Thomas, Todd Schultz, Damien Ellis, Briony Goodfellow & Brad Barreau

After a 3-4 year wait for some, the opportunity to participate for the full 2.5 hour program and at carnivals finally arrived this year for a great group of almost 30 children. The enthusiasm certainly hadn't waned & it didn't take them long to relish in the extra training & education. Obtaining their 'red patch' was the initial focus for many and remained a challenge for some who celebrated this success later in the season. By season's end, 68% of the Under 9 juniors had achieved their timed ocean swim and 64% of them participated in at least one inter-club competition.

Once again we were fortunate to have the assistance of helpful parents & siblings who undertook water safety, administration, BBQ cooking and other tasks. Many hands make light work and our 'family involvement motto' that we have instilled since their early years has meant that, as age managers, our job has been less stressful.

The improvement in skills development has been quite eye-opening. Children, who started the season timid of the waves, finished it confidently getting through them and using them to assist in their return to shore. Our more proficiently skilled team members certainly didn't rest on their laurels and tweaked technique and took on additional training sessions to come out at the top of their age group at State Championships.

As a group, we enthusiastically accepted the challenge of achieving 50 points towards the club point score at the State Championships. With teamwork and determination, we finished that weekend with 53 points under our belt and a motivated group who valued their Club contribution as much as the shiny medallions worn proudly around their necks.

Whilst competition success is rewarding, perhaps more so is watching the personal growth of this wonderful bunch and see their camaraderie develop as the season progressed. As they grow older and closer to the age of becoming qualified surf life-savers, this friendship will be the base on which trust is built.

We have enjoyed another fantastic season & look forward to more adventures again as Under 10s.

Junior and Youth Development

Under 10

Nicole Ostrognay, Scott Stevenson & Bree Hartas

Another fantastic season, with a fantastic group of kids. It was good to see that most of the children from last year returned, along with some new nippers in the group. They are starting to come together as a team and support and encourage each other (along with lots of mischief). As with last year we have a big competition squad, I think there were only three of our regular Saturday group who didn't compete, so we averaged 16-18 competitors throughout the year

We had some really good results from some of the kids who started the year with trepidation, a fear of the sea and a lack of confidence in their abilities. We managed to get all these children through to get their red patch, the look of joy and accomplishment on their faces after this was the best reward for us.

Once again our parents dug in and helped out in any way they could, nothing was too much effort for them.

I would like to thank Scott, Bree, Jess and Georgia for their invaluable help and advice, we couldn't have run this program without you.

Junior and Youth Development

Under 11

Jo Varney & Rod Ostrogny

At this age, it can seem like surf lifesaving is all about surf sports, but it is not. In a few years these U11s will all be doing their SRCs, which will enable them to be on patrol, do water cover - in general do many of the duties of a 'real surf lifesaver'. And, while I do not expect all the U11s to compete, I do expect that they will all become 'real surf lifesavers'. Over the last few years, we have watched the U11s improve so much, from a group of people who couldn't swim confidently in the sea to a group of swimmers and board paddlers.

One of my favourite memories of this year, was at 3:45pm one Saturday afternoon, when I said you could all have some free time. Rheyden and Jesse both asked me if we were going to do a swim today. I was surprised as this is not a usual request from these two. I said, if they wanted to, they could swim out to the buoys and back. They looked a little cautious about this, so I asked Sophie to swim with them. Then Alex piped-up, "I'll get

a board and go with them too", and before I knew it, the whole group of U11s were at the back of the cans, sharing boards, having fun, and looking after each other. So you see, the U11's are already growing into surf lifesavers, growing in skills, competence and confidence. And, in a few years they will have their SRC and *be surf lifesavers*. And, we will be as proud of them then, as we are now.

Junior and Youth Development

Under 12

Phil Dawkins & Darren Thorne

Our small but strong group really bonded as a team this year. A fantastic team spirit developed this year as our young nippers really started to grow into young lifesavers.

We took time to learn required skills and increase our surf knowledge to one day become a fully-fledged lifesaver.

It was pleasing to see our group wanting to listen and learn the important skills even though at times they would have rather been on the foamies catching a wave.

The competitive side of surf still played a part as they began to understand that hard work at training does equal improved results. All of our group improved their performances on the beach and in the surf.

By years end all competitors were friendly rivals in the club swim and our board results come State Titles were a direct result of time spent at training.

We would like to thank all members of the Under 12 squad for their dedication and perseverance throughout the year.

Junior and Youth Development

Under 13

David Ellis & Toni Nash

This season saw the Under 13 squad consolidate with a smaller group of 13 enthusiastic members which were actively involved throughout the year. Of these, 11 nippers were regulars in the club competitions this year and this squad competed with club pride and team work

Many weeks of hard work training on the boards and swimming in the West Beach surf really paid off when West Beach hosted a carnival this year. The surf came rolling in and put the “surf” in surf lifesaving with large dumping waves that crashed on to the beach. Rather than make the team apprehensive, they were excited and performed very well in all of the swim and board events showing their skills and strengths in the rough water.

This really was a year of consolidation for the team as they worked together to improve and push each other along to get better “as a team” it really was rewarding to watch them grow in this way

The age group again showed that they have the physical ability to be competition winners and this was especially highlighted in the state competition when every member of the team reached a final and on several occasions we had all of our teams in the finals. Congratulations must go to all of those that placed in the medals and in the club points for their events

The SRC was completed by Gretel, Billie, Lucinda, Jessica, Ella, Harry, Jesse and Lachie who are all looking forward to doing beach patrols in the future. Congratulations to all of you

Dave and Toni would like to thank all of the members of the under 13 squad for their dedication and perseverance throughout the year. We are very grateful the support that their parents and families give throughout the season at training and carnivals, and we look forward to seeing everyone next season for the final season of Nippers!!

Junior and Youth Development

Under 14

Well, what a season, our last for juniors. It's been a very good season and all the kids enjoyed it. Half the group completed their SRC last season and the rest completed their SRC at the start or early in the season. This meant each weekend there were U 14's on patrol.

On the competition side we had most of the group competing at carnivals, with the most popular carnival being our 4th at West Beach. States saw us compete with 12 members and we obtained very good results in all events for a total of 53 points. Some of the kids also competed in U 15's at Senior States and did themselves very proud coming away with medals and top 6 placings. The Nipperthon held at West Beach was attended by over half the U14's, a great effort for the group's last one.

Congratulations to all our award winners this season; Nathan Hettner, Sophie Zuill, Josh Dawkins, Asta Stevenson, and Alyson Hettner. Special mention to Sam Jenkin for his outstanding achievement over the last 2 seasons.

As this is my last season as Age Manager, I would like to say a big thank you to all those who have helped me over the last 6

Martyn Talbot, Christian Huntington & Helen Fillery

seasons; Christian, Jim, Rob, Brenda, Helen, Linda, Donna, and all the parents. A special thank you to all the U14 kids, we started together as U9's and it was great to see you all finish together as U14's. Good luck to the U14's as they venture into Seniors and take on the world. It's been a very enjoyable 6 seasons. Thanks to all.

Surf Sports

Surf Sports within Surf Life Saving is one of the areas that members are able to participate in at West Beach. Surf sports encourages all club members to experience the fun and fitness of the different disciplines that encompass surf competitions throughout the competition season which extends from November to its close in April, when Australia's best talent is showcased at the Australian Surf Titles to close the competition season.

The development of West Beach Surf Sports, activities and the opportunities to our members to participate, is pivotal to the competition success of the club. We have continued with the appointment of Area captains who assist with the management of each area by effectively running activities, operating with club procedures and ensuring these procedures are adhered to, providing accurate information to members, utilising our resources to hold information sessions conducted by invited experts in fields that will providing tools/education and information to further encourage our members and athletes to enhance their learning.

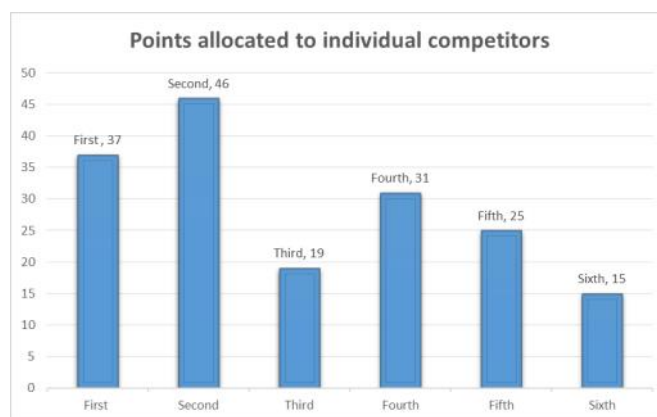

At the beginning of the season, we set goals and objectives for West Beach during the competition season. An athlete's handbook was produced containing all information for the athletes for the season. We will rely more heavily on the handbook for providing information into the future. We assessed our team selection policy, our club equipment allocation policy, introducing a yearly plan for training and competition which will continue to assist in evolving the growth and development of athletes within the club. We encouraged the development of our coaches with additional training and workshops that will enable them to constantly evaluate, plan, assessing strategies and objectives to ensure the future success of surf sports participation at West Beach, whilst remaining excellent role models for our members.

Surf Sports will continue to navigate and evolve to assist in the development of members' skills and fitness. For members who are more competitive we are defining a structure which will assist with training, coaching and competition and define a pathway for higher athlete development, whilst continuing to encourage participation in club activities which are fun and inclusive, even as our community at West Beach continues to grow and expand.

In 2013 the Surf Sports Standing Committee endorsed a new format that "aims to provide more recognition and incentive for more clubs to share in State Championship success." This format implements separate championship events which are:

- Senior State Champion (WB 2nd)
- Junior State Champion (WB 4th)
- Masters State Champion (WB 2nd)
- IRB State Champion (WB 4th)
- Lifesaving Events State Champion (WB 3rd)
- Board Riding State Champion (WB 5th)
- Pool Rescue State Champion (held June 2014)

and overall State Champion Club (TBA)

Competition throughout the season saw many, many exceptional results for West Beach. The winning club for 2013/2014 was Grange with 1012 and West Beach achieving second position on 650. I would like to congratulate all competing members on their efforts, attitude, consistency of training and dedication to their sport. Surf life saving is a long, challenging but rewarding sport that produces athletes with high levels of fitness, a healthy balanced lifestyle, great friendships all within a supportive community whose very existence is focused on keeping people safe. Individual medals in State and National competition do not come without true grit, determination, effort, dedication, sacrifice - nor without the guidance of a person with great expertise, patience, will power and knowledge. West Beach is fortunate to have ... a finalist in the SLSA Awards of Excellence in 2013, Coach of the Year nominee and winner, Stephen Perry continuing in his role as Head Coach.

Stephen is a life member of West Beach and has been involved coaching members for a significant period of time. His role as Head Coach is performed with passion, expertise, determination and a drive to encourage all members to be the best they can be. He has been in attendance at that many coaching sessions, it would be impossible to put a figure on it and this season he has been mentoring our leadership group and encouraging them to share their knowledge as coaches.

Swim Area Award winner, Brittany Jessup

Surf Sports

Steve says

“It is our ability to see what WE can do now and not compare with the others around us as a reference. It is by being self-assessing and not trying to be someone else that we realize our strengths and weaknesses. These are the building blocks which we can work on, the foundations of the athlete who becomes a competitor.”

Look within yourself and ask before each session did I do what was asked last time, did I try the whole time, what can I do better, what do I do well now, can I do that again. Be critical but with a kind eye.

Stephen Perry & Peter Zuill watch our youngest competitors at the 2014 Nipperthon held at West Beach

West Beach’s competition squad is growing and our competitive march against clubs with greater membership numbers is gaining momentum. Under the continued guidance of Steve, we look forward to our future successes and we thank him for his tireless efforts – how fortunate we are!

As in past years, we were fortunate to have a touring team to participate in the Australian Surf Titles, this year being held in Scarborough WA. Arguably, our most successful trip with a smaller team, producing individual medals which is a reflection of the tireless work of our team, which operates under the guidance of Steve Perry, Peter Zuill and all our Area coaches and supporting members.

In our Senior States this year, the following people in 2013/2014 won an individual medal.

Masters States

Our masters had an excellent year coming second to Brighton who pulled ahead by only 48 points! We managed to have a lot of fun on the weekend, avoided major injuries introduced new masters to the spirit of competition didn't take ourselves too seriously and laid down the challenge for next season! The stand out competitor for the year was Briony Goodfellow, winning 13 out of a possible 15 medals at State Titles. Briony has worked really hard for many years, so it was a joy for all of us to see her winning smile coupled with her humble and dedicated approach to keeping fit.

We have some exciting initiatives planned for 2014 and as the winter season is upon us, we make plans and prepare for the year ahead. My thanks again to all officials, team / age managers, parents, competitors and Bonnie Richardson our nominations officer who was a terrific help with the nominations.

I would also like to congratulate the winners of our Area awards which were presented at the senior presentation night which was held in early May. These awards recognise not only performance, but recognise qualities such as attitude and approach to training, training attendance, initiative shown, and leadership qualities. We are proud of the effort that all competitors put in to their performance and it is very difficult to single out winners.

I look forward to the next season and wish you all the very best.

Christine Newberry
Director of Surf Sports

Best Competitor Trophy winner, Matthew Zuill

Board Area

It's been a solid year in the board area this year. The introduction of some new racing craft was incredibly helpful in encouraging some of our younger competitors to get stuck into training. To that end we had some really consistent and exciting numbers out to training over the course of the season, with multiple trailers needed weekly during the winter lake training sessions, and just as good numbers over the summer season. We had an influx of new u/15 members compete at senior carnivals across the year, along with a couple of developing members finally hitting the open age group, and showing strong finishes in carnivals throughout the season.

Our state titles results in the board area were perhaps slightly less than that of previous years, although this was more due to an increase in other competition and luck of the surf than a lack

As it continues to grow throughout the age groups, the ski arena has thrived on the dedication of its small but strong community. A stalwart in Surf-Lifesaving circles, Steve Perry has given a special commitment to the West Beach ski squad and the results this year reflect the hard work he, as well as all athletes involved, have invested to improve their paddling.

2013/14 has been a career-defining season for some. In particular Jayden Ellis, who has recently been named in the Australian junior worlds canoe/kayak team. He will compete in Hungary later in 2014. Flat water aside, Jayden has been very versatile for our competition team. His highlight this season came at the National titles where he gained a berth in the Under 19 single-ski semi-final as well as 10th place in the Under 19 double ski final. Another telling season in skis became apparent for Brittaney Jessup. She probably comes as the club's most improved, taking victory in the Under 17 and Under 19 ski relay finals at State Titles with the help of Emma Perry, Roxanne Pena, and Megan Domarecki respectively.

At the State Championships it may have been a mixed bag of results in the men's area. However when you consider the conditions Mother Nature tested us with, the outcomes were rather impressive given it was a bit of a crap's shoot with the wind and waves. Our Open Male ski relay finished 6th in the final while the Under 19s gained silver in the following race. A special

of commitment from our athletes. The women's area forged the path, with Megan Domarecki and Roxy Pena winning the u/19 & u/17 individual board races respectively, and the women taking an overall higher point score in the board area, and it's really exciting to see so much growth here. We copped a bad run in the board relays with no gold medals, but with lots of strong finishes and high participation.

The most encouraging thing about the board section this year has been the social atmosphere surrounding training at the surf club. Older competing members have been seen actively encouraging all younger members, and the response from junior board paddlers has been very positive. We should endeavour to continue to facilitate mentoring style relationships between our older and younger members moving forward over the coming seasons, as it will strengthen the competitive nature of the club while also affirming all the values we hold dear as a surf club.

Looking forward to the coming season I would love to see more and more involvement from both junior members and masters competitors, and continuation and improvement of the out and out professionalism shown by some of the senior members at certain points during the year. All in all, the board section is going strong and in the foreseeable future will only grow stronger.

Liam Clifford
Board Area Captain

thanks to the paddling prowess of Glenn Rypp in giving his expertise and performing solid races in the lifesaver relay, Taplin relay, and his Open single ski where he finished 8th in a quality field of paddlers.

It comes with little surprise that Emma Perry is the deserved winner of this season's ski award. She is one of the clubs harder working individuals putting in a lot of training behind the scenes whether that be in the waves, on the lake with the kayak club, or extra fitness sessions. Her great season was topped with silver in the Under 17s single ski at State Titles – not an easy medal given the conditions.

Finally, I'd like to personally thank all those who came out to try or improve their skills in the ski. It can take a lot of persistence and those who kept at it were rewarded with either a great result, or the thrill of catching a wave or runner at some point of the season. I encourage anyone, including beginners, to have a go at ski paddling and benefit their racing or enjoyment.

Owen McLeod
Ski Captain

Ski Area

As it continues to grow throughout the age groups, the ski arena has thrived on the dedication of its small but strong community. A stalwart in Surf Life Saving circles, Steve Perry has given a special commitment to the West Beach ski squad and the results this year reflect the hard work he, as well as all athletes involved, have invested to improve their paddling.

2013/14 has been a career-defining season for some. In particular Jayden Ellis, who has recently been named in the Australian junior worlds canoe/kayak team. He will compete in Hungary later in 2014. Flat water aside, Jayden has been very versatile for our competition team. His highlight this season came at the National titles where he gained a berth in the Under 19 single-ski semi-final as well as 10th place in the Under 19 double ski final. Another telling season in skis became apparent for Brittany Jessup. She probably comes as the club's most improved, taking victory in the Under 17 and Under 19 ski relay finals at State Titles with the help of Emma Perry, Roxanne Pena, and Megan Domarecki respectively.

At the State Championships it may have been a mixed bag of results in the men's area. However when you consider the conditions Mother Nature tested us with, the outcomes were rather impressive given it was a bit of a crap's shoot with the wind and waves. Our Open Male ski relay finished 6th in the final while the Under 19s gained silver in the following race. A special thanks to the paddling prowess of Glenn Rypp in giving his expertise and performing solid races in the lifesaver relay, Taplin relay, and his Open single ski where he finished 8th in a quality field of paddlers.

It comes with little surprise that Emma Perry is the deserved winner of this season's ski award. She is one of the clubs harder working individuals putting in a lot of training behind the scenes whether that be in the waves, on the lake with the kayak club, or extra fitness sessions. Her great season was topped with silver in the Under 17s single ski at State Titles – not an easy medal given the conditions.

Ski Area Award winner, Emma Perry

Finally, I'd like to personally thank all those who came out to try or improve their skills in the ski. It can take a lot of persistence and those who kept at it were rewarded with either a great result, or the thrill of catching a wave or runner at some point of the season. Tricky conditions at Senior State Championships at Moana for our paddlers

Surf Sports

Boat Area

This season we saw an increase in the number of competitors wanting to compete for West Beach in the Boat area. We had enough competitors to fill eight crews. Most interest was shown in the Masters area and training was continued in some form or another during the winter. Most competitors returned to the season in good condition ready for competition.

West Beach Boaties competed at most carnivals. The crews were constantly changing due to competitors work and family commitments. This did not stifle the enthusiasm of the rowers or the sweeps and I must commend them as they all did what needed to be done to compete.

A special mention must be given to all new boat rowers. Most had limited experience but all were keen to train and learn. So for the first time in many years West Beach consistently had four or five crews competing at nearly all carnivals. Special thanks to Colin Lindsay and Peter Snell who spent a lot of time training and coaching all the rowers. Their enthusiasm is contagious and I look forward to see it carry on again next season.

I would like to thank all the sweeps who took crews for training. Namely Colin Lindsay, Peter Snell, Scotty Fitzgerald, Jim Hettner, Rob Hettner, Dicky Hoyle. Without these guys, training and competing would be impossible.

It was the State Masters Titles where we reaped the most success for our efforts. This saw us once again come home with a record medal haul. Seven in total. Six silver and one bronze. Congratulations to all who competed as this was a mighty effort. This made West Beach the most successful club in the Boat Area at this event. Congratulations to all competitors. The Boaties turned out in force to cook the BBQ on the Sunday evening and thanks to all who cooked.

The State Titles saw West Beach well represented in the Boat arena. The conditions at Moana were challenging to say the least. We entered a crew in the Open and Reserve grades and congratulations to both crews as they both made the finals. Unfortunately neither crews were among the medals but they scored valuable points for the Club which hasn't been done in the Boat area for some time. Congratulations on an outstanding achievement.

Boat Area Award winner, Jim Hettner

Lastly I would like to thank the Committee who have given the Boaties great support and also the Boatie Sponsors. Thanks to all competitors who give up their time for the sport they love and to all who have given us support in some form or another during the season.

Remember we're living the dream ... See you back in the water soon.

Dave Gava

Boat Captain

Challenging conditions at Senior State Championships

Beach Area

This season ended up being one of our most successful in recent years. When the coaches came together at end of the last year when we looked at the point difference between us and Grange it was 250. 200 points was the difference in the beach area which we had to do something about. So our team of talented youngsters stood up this year on that long Friday night down at Seacliff beach. Where we kicked the night off in great fashion was creating a whitewash in the 2km run. Under 15 girls doing the trifecta which is unheard of and very impressive by the young ladies! Fraser Huggett winning the under 17s and then backing it up for a 3rd in Opens, running past our Glenn Rypp on his way. Also another awesome showing from the Zuill boys and Megan Domaercki with wins in their respective age groups. While we struggled individually in the sprint area, a guy who I don't usually give much credit to stepped up and ran the quickest I have seen him run in a long time and ran a close 2nd in the Under 19s to a bloke who made the national final. Well done to Jess Rafanelli. There were more highlights to come though. West beach's golden girls Chelsea and Carla stepped up in the flag arena with Chelsea taking home silver and Carla a heartbreaking 4th and Jess stepped up again with a 3rd in U19s. I would also like to mention that Carla won her first pro race which is on the grass this year down at Hectorville winning the Under 17s 120m and Chelsea came very close on 2 occasions with two runner ups at Flagstaff Hill and Tea Tree Gully. Quick mention also to Emma Thome making her debut in pro running this season running the Under 17s 1600m while it was an eye opener for her it will put her in good stride for next year. Now for the special part. Back to Friday night, the relays made every one rise the little bit for each other. With the Under 15 girls running 4th in the final and the U17 team of Olivia Roberts, Chelsea Gilbert, Carla Fox and Brittany Jessup dominating it by winning the U17 and U19 relays and finishing 4th in the Open. Unreal effort. My personal highlight was running in West Beach's first Open Mens Beach Relay in 25 years with my

brother and two of my closest friends, Mitch Afford and Matty Sharp. Its funny how one of the members of the last team to win a medal 25 years ago happened to be my coach of the last 5 years in Luke Hildyard - I don't think when he was 20 he would imagine he would coach half of the next medal winning team.

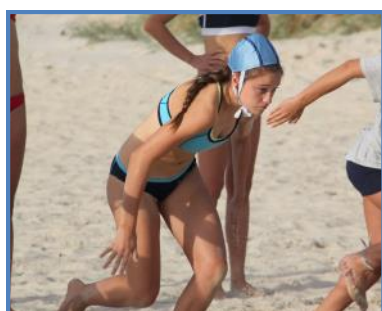

Beach Area Award winner, Bray Rafanelli

I have loved coaching this year and can't wait to do it again next year. I would like to make mention of Sophie Zuill and Asta Stevenson who came to a lot of my trainings this year and wanted to do the extra. I got an enormous kick out of seeing both improve and hope that they continue on and keep representing West Beach how they have been.

Bray Rafanelli

Beach Area Captain

Surf Sports

Pool Life Saving Area

The Pool Life Saving arena is well established in our club and we have seen some great individual and team performances in recent competitions.

With the national championships being moved to Brisbane we only had a competition team at state championships in 2013 with about 6 weeks of training leading up to the event. I was extremely proud about the way West Beach represented their club and conducted them-selves throughout the weekend. I would particularly like to thank Christine Newberry for her continued support, and to Sarah Goodwin, Roxy Pena and Megan Domarecki for their assistance in coaching and managing the younger kids. Also to all the officials, timekeepers and helpers throughout the meet that made this happen.

At the state championships we finished 2nd on the overall point score with 438 points, 12 behind 1st place Brighton on 450.

We managed to come up with various team medals but with regards to the individual races Sarah Goodwin won Gold in the 30-44 200m Obstacles and Gold in the 30-44 100m manikin tow doing all of that with a bun in the oven. Benjamin Zuill had his share of the glory by winning the U19 50m fins. Max Richardson stood out with wins in the U14 100m Manikin Tow and 50m Manikin Carry. Max had demonstrated a high level of potential and willingness to improve and I have no doubt that he can progress to higher honors. Colin Lindsay who was relatively new to the pool area bagged 2 masters gold's in 50m manikin carry and 100m manikin carry.

The winner of this year's Pool Rescue trophy Jo Varney has demonstrated valiant leadership and skill in this area and was one of the most successful South Australians in the most recent pool rescue calendar. With three individual gold's in 30-44 200m obstacle, 30-44 50m fins and 30-44 50m manikin carry as well as winning a silver in the OPEN 100m rescue medley, Jo has proven to be a valuable contingent of the West Beach competition squad. Congratulations on a fine effort.

Pool Life Saving Area Award winner, Jo Varney

Thank you and I look forward to another year, which I project to be even more successful than the last.

March Past Area

The focus for the March Past area for this season has been to rebuild and have a team in each of the age categories at State Championships.

Come March, we fielded 2 teams at the Junior State Championships, one of which was made up of Under 9 and Under 10 competitors who marched very well for what was, for most of them, their first ever state championships experience. Thanks to Gretel Mead, Jesse Ellis, Ruby Thomas and Lily Thomas for taking on the roles as Pennant Bearers and Belt persons - you marched well. More children wanting to participate than positions available is an encouraging sign and we look forward to further developing their skills to match their enthusiasm next season.

Junior March Past teams at State Championships

The challenging weather at Moana beach for the Senior State Championships didn't dampen the spirits of the 36+ marchers as we had representation in the Open, Under 23 and Under 17 events with results of 5th, 2nd and 3rd respectively. The teams contributed 17 points to our overall Club pointscore and added a lovely shade of double blue on the arena. Thanks to Kay Dempsey, Sarah Lindsay, Ben Zuill, Elena Davis, Max Richardson and Abby Thomas for taking on the roles as Pennant Bearers and Belt persons.

Special thanks to everyone who made themselves available for senior carnivals as well as state championships and a particular thank you to Sandy Conroy for taking up march past this season - it has been great to see your technique improve over the summer. To those who helped with the logistics of transport, uniforms and coaching, thank you for your time and effort.

Surf Sports

IRB Competition Area

This past season West Beach has had their first IRB racing team in over ten years. The team consisted of a mixed group of competitors all keen to win and have some fun at the same time. We started off with the help from Brighton to teach us a few things that lead us from struggling to make finals to fourth position out of twelve overall.

IRB Competition squad

We came away with two gold and a silver in U23 Males as well as a gold in the open tube race thanks to Matt Zuill annihilating the competition in the swim leg. Our master's team that consisted of Damien Ellis and Josh Mullins came away with numerous fourths and fifths boosting up our point score for the day. Sarah Tinkham and Eliza Murphy made up our women's team and they also finished with a few fourths and fifths.

IRB Carnival at West Beach, June 2013

Rescue & Resuscitation Area

It was great to see that our appearance at last year's R&R State Championships was not a flash in the pan. Whilst a conflicting SLSSA event meant that we were unable to field the U15-U19 teams as hoped, from our small group of six (Sarah Lindsay, Deann Olsen, Brian Burrowes, Kirsten McNamara, Jess Ireland & myself) we fielded both an Open Women's 5 person team and the more challenging Open 6 person team. The Open Women's team placed 2nd and the Open 6 person placed 4th. Thank you to all of the team members for finding time, amongst everything else you do in surf life saving, to train and compete for West Beach this season. We contributed 12 points towards our Club's overall placing of 3rd in the Life Saving Competition pointscore.

A special mention to Dom Green who competed all year as a patient due to a knee injury and without him we would have struggled to race.

IRB Competition Area Award winner, Damien Ellis

Our competitions for this next season have just begun with our second carnival coming up quick. We are expecting even greater things this year with an increase in competitors, almost fifteen, one of which is a national silver medallist from NSW. I am looking forward to our coming races and good luck to all competing.

Mitch Afford

IRB Competition Captain

There are still unawarded points and medals in most R&R events so let's get more club members on board to help with our Club goal of winning the overall Club pointscore.

Melissa Davis-Bishop

R&R Area Captain

Club Handicap Swim

This year continued to show the support and interest in the Handicap club swim that has been on display over many seasons now.

It is an opportunity for the elite to be challenged by the mums, dads and kids coming up through the ranks and allows everyone the chance to achieve a win.

I would like to thanks all those who helped with starting and finishing as it would be impossible to do the event consistently and successfully without you.

I would like to thank all 120 swimmers who participated this year for supporting an inclusive club event.

Finally a big congrats to Brian Burrowes, who, after many years won his first club swim this year and also took out the overall club swim. Well done Brian as he was also the only swimmer to complete all swims held this year. Great effort!

Look forward to seeing you all next year for an even bigger year.

Stephen Perry
